#### H.R. 1

Mr. KAINE. Mr. President, I oppose H.R. 1 and believe it reflects profoundly misplaced priorities for America. Accordingly, it is my intention to make the following motions to commit the bill:

A motion to commit the bill to the Committee on Homeland Security and Governmental Affairs with instructions to report back to the Senate with changes that include provisions terminating the mass termination of federal employees who are veterans without a report to Congress 60 days ahead of such action, detailing the positions, agencies, and number of federal employees dismissed. Mass termination is defined as more than 1% of any federal agency's workforce who are veterans as of January 20, 2025.

A motion to commit the bill to the Committee on Homeland Security and Governmental Affairs with instructions to report back with provisions that provide \$882,000,000 to the Building Resilient Infrastructure and Communities grant program within the Federal Emergency Management Agency.

A motion to commit the bill to the Committee on Finance with instructions to report back with changes that would ensure that no State with a Medicaid expansion trigger law would see a reduction in its Federal Matching Assistance Percentage that would cause such a trigger law to take effect.

A motion to commit the bill to the Committee on Finance with instructions to report back with provisions that would elimi-

nate estate tax cuts for multi-millionaires and utilize the savings to reduce the number of Americans who would lose health care coverage under the bill.

A motion to commit the bill to the Committee on Finance with instructions to report back with provisions that would not increase the deficit in years beyond the budget window when measured against a current-law baseline produced by the Congressional Budget Office in consultation with the Joint Committee on Taxation.

A motion to commit the bill to the Committee on Finance with instructions to report back with provisions that would provide small businesses, farmers, and low- and moderate-income families with relief from the duties imposed pursuant to Executive Order 14257 (90 Fed. Reg. 15041; relating to regulating imports with a reciprocal tariff to rectify trade practices that contribute to large and persistent annual United States goods trade deficits).
