Anthony, Rosa Parks, Harriet Tubman, Abraham Lincoln, Frederick Douglass, Martin Luther King, Jr., Thomas Jefferson, and James Madison founded or advanced the United States;

Whereas the Bennington flag (commonly known as the “‘76 flag”), the Betsy Ross flag, the current flag of the United States, the flag of the women’s suffrage movement, the Union flag (commonly known as the “Fort Sumter flag”), the Gadsden flag, and the flags of the States are physical symbols of the history of the United States: Now, therefore, be it

(1) the term “covered bill or joint resolution” means a bill or joint resolution of a public character reported by any committee of Congress (including the Committee on Appropriations and the Committee on the Budget of either House);

(2) the term “Director” means the Director of the Congressional Budget Office;

(b) **DUPLICATION DETERMINATIONS.**—For each covered bill or joint resolution—

(1) the Comptroller General of the United States shall, to the extent practicable—

(A) determine the extent to which the covered bill or joint resolution creates a risk of a new duplicative or overlapping feature and, if the risk so warrants, identify—

(i) the name of the new Federal program, office, or initiative;

(c) **ESTIMATE BY DIRECTOR.**—If the Comptroller General of the United States has not submitted to the Director the information for a covered bill or joint resolution under subsection (b)(1)(B) on the date on which the Director submits the estimate for the covered bill or joint resolution to which the information pertains under section 402 of the

SEC. 3006. BREAKDOWN OF COST ESTIMATES BY BUDGET FUNCTION.

Any cost estimate prepared by the Congressional Budget Office shall specify the percentage of the estimated cost that is within each budget function.

SEC. 3007. SENSE OF THE SENATE ON TREATMENT OF REDUCTION OF APPROPRIATIONS LEVELS TO ACHIEVE SAVINGS.

(a) **FINDINGS.**—Congress finds the following:

(1) H. Con. Res. 448 (96th Congress), the concurrent resolution on the budget for fiscal year 1981, gave authorizing committees reconciliation instructions which amounted to approximately two-thirds of the savings required under reconciliation.

(2) The language in H. Con. Res. 448 resulted in a debate about how reconciling discretionary spending programs could be in order given that authorizations of appropriations for programs did not actually change spending and the programs authorized would be funded through later annual appropriation. The staff of the Committee on the Budget of the Senate and the counsel to the Majority Leader advised that upon consultation with the Parliamentarian, the original instructions on discretionary spending would be out of order because of the phrase, “to modify programs”. This was seen as too broad and programs could be modified without resulting in changes to their future appropriations.

(3) To rectify this violation, the Committee on the Budget of the Senate reported S. Con. Res. 9 (97th Congress), revising the congressional budget for the United States Government for fiscal years 1981, 1982, and 1983, to include reconciliation, which revised the language in the reconciliation instructions to change entitlement law and “to report changes in laws within the jurisdiction of that committee sufficient to reduce appropriations levels so as to achieve savings”.

(4) This was understood to mean changes in authorization language of discretionary programs would be permissible under reconciliation procedures provided such changes in law would have the result in affecting a change in later outlays derived from future appropriations. Further it was understood that a change in authorization language that caused a change in later outlays was considered to be a change in outlays for the purpose of reconciliation.

(5) On April 2, 1981, the Senate voted 88 to 10 to approve S. Con. Res. 9 with the modified reconciliation language.

(b) **SENSE OF THE SENATE.**—It is the sense of the Senate that committees reporting changes in laws within the jurisdiction of that committee sufficient to reduce appropriations levels so as to achieve savings shall be considered to be changes in outlays for the purpose of enforcing the prohibition on extraneous matters in reconciliation bills.

SEC. 3008. PROHIBITION ON PREEMPTIVE WAIVERS.

In the Senate, it shall not be in order to move to waive or suspend a point of order under the Congressional Budget Act of 1974 (2 U.S.C. 621 et seq.) or any concurrent resolution on the budget with respect to a bill, joint resolution, motion, amendment, amendment between the Houses, or conference report unless the point of order has been specifically raised by a Senator.

SEC. 3009. ADJUSTMENTS FOR LEGISLATION REDUCING APPROPRIATIONS.

The Chairman of the Committee on the Budget of the Senate may revise the allocations in effect under section 302(a) of the Congressional Budget Act of 1974 (2 U.S.C. 633(a)) and the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution for any bill or joint resolution considered pursuant to section 2001 containing the recommendations of one or more committees, or for one or more amendments to, a conference report on, or an amendment between the Houses in relation to such a bill or joint resolution, by the amounts necessary to accommodate the reduction in the amount of discretionary appropriations for a fiscal year caused by the measure.
