RECOGNIZING THE 100TH
ANNIVERSARY OF DUININCK

HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2026

Mr. EMMER. Mr. Speaker, I rise today to recognize and celebrate the 100th anniversary of Duinink, a fourth-generation, family-owned construction company that has been serving communities in Minnesota and around the country with integrity for a century. It is my privilege to congratulate the Duinink family, the employees of Duinink, and all who have contributed to this remarkable legacy on 100 years in business.

Founded in Prinsburg, Minnesota, it all started with two brothers and their road grading enterprise in 1926. With workhorses and iron graders, their pioneering spirit laid the foundation for their future success. Two years later, the third Duinink brother joined their team, solidifying this first-generation partnership that would build a lasting legacy.

In the 1950s, seven sons joined the business to continue the family venture. Soon after, they expanded further regionally, supporting President Dwight D. Eisenhower's Federal-Aid Highway Act to invest in America's interstate highway system. Duinink's work on these major projects established its reputation for excellence in heavy highway and civil construction.

In 1985, Duinink expanded its operation to Texas for highway and government airfield construction. Fifty courageous families moved from Prinsburg, Minnesota to Texas to launch this new venture. Many of those original families still live there and work at Duinink to this day.

In 1996, Duinink expanded its Minnesota branch and strengthened its regional presence. By 2003, the grandchildren of the original founders had fully assumed ownership of the business. In 2026, the fourth generation of owners joined the company, helping continue this family legacy.

Duinink's guiding principles of treating people well, respecting the communities it serves, and doing the work the right way have not only been the foundation of its success, but have positively impacted every community its work has touched. Duinink has created jobs and supported our economy for generations, strengthening the communities it calls home.

From Minnesota and throughout the Midwest to Texas, Duinink has built a legacy of strength. It is an honor to recognize Duinink

for its lasting impact in Minnesota on the occasion of its 100th anniversary. I join Duinink's leadership, employees, and customers in celebrating this historic achievement as we look ahead to the success of many generations to come.

RECOGNIZING DEBORAH
WEINSTEIN ON AN EXTRAOR-
DINARY CAREER

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2026

Ms. DELAURO. Mr. Speaker, I rise today to recognize and honor Deborah Weinstein for her extraordinary career dedicated to advancing the well-being of low-income and vulnerable people across the United States.

For more than four decades, Mrs. Weinstein has been a tireless advocate for policies that reflect our Nation's highest ideals, those of fairness, opportunity, and shared responsibility for our shared prosperity. Her leadership has

helped shape national conversations about poverty, economic security, and the role of government in ensuring that all Americans can meet their basic needs.

Since 2003, Mrs. Weinstein has served as the Executive Director of the Coalition on Human Needs, where she has led a broad alliance of civil rights, labor, faith-based, and service organizations. Under her guidance, the Coalition has become a respected and indispensable voice in federal policy debates, providing clear-eyed analysis and principled advocacy on behalf of those too often left behind.

From fighting for the expanded, monthly Child Tax Credit which lifted half of U.S. children out of poverty, to helping organize a broad cross-section of society to advocate for working families in the annual appropriations process, Mrs. Weinstein has been an irreplaceable champion of federal anti-poverty investments and the broader social safety net. She fought to protect Food Stamps, guarantee equal pay for equal work, increase access to paid leave, and invest in our country's health and education, not because it was easy but because it was just.

Long before her national leadership, Mrs. Weinstein's work was grounded in a deep commitment to human dignity and the belief that public policy should expand opportunity and reduce hardship. Her efforts have consistently emphasized that economic security is not an abstract goal, but a moral imperative that strengthens communities and the Nation as a whole.

Throughout her career, Mrs. Weinstein has demonstrated an unwavering commitment to collaboration—bringing together diverse voices to pursue common purpose. She has worked across sectors and with leaders at every level of government, always guided by the belief that effective policy must be rooted in human dignity and real-world impact. She brings together advocates, service providers, and community leaders to speak with a unified voice for those struggling to make ends meet, helping to ensure that the lived experiences of families and children were reflected in policy decisions.

Mrs. Weinstein also served during the Obama Administration as a member of the President's Advisory Council on Faith-Based and Neighborhood Partnerships, where she worked with the other Council members to make recommendations related to preventing lead poisoning in children in HUD-assisted housing, and to encourage finalizing new child support regulations. This work exemplifies her efforts to strengthen collaboration between government and community organizations in addressing poverty and human needs.

At a time when economic inequality and hardship continue to challenge our Nation, Mrs. Weinstein's work stands as a testament to the power of informed, persistent, and principled advocacy.

On behalf of a grateful Nation, we thank Deborah Weinstein for her lifetime of service and her enduring commitment to ensuring that America lives up to its promise for all its people.

I ask my colleagues to join me in recognizing her remarkable contributions and in celebrating her legacy of leadership and compassion.

HONORING THE LIFE AND SERVICE
OF SPECIALIST FOURTH CLASS
ALBERT FOUNTAIN KING, JR.

HON. JOHN R. CARTER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2026

Mr. CARTER of Texas. Mr. Speaker, I rise today to honor the life and service of Specialist Fourth Class Albert Fountain King, Jr., a United States Army veteran who served his Nation with honor and who was laid to rest on July 1, 2026, at Central Texas State Veterans Cemetery in Killeen, Texas. He will be buried with full military honors, as every veteran deserves.

Albert Fountain King, Jr. answered the call to serve, enlisting in the United States Army on May 12, 1961. He served as a Field Communication Crewman, a role essential to the coordination and command that holds our military together. He was awarded the Good Conduct Medal and qualified as a Marksman with the M-14 rifle. He was honorably discharged on April 27, 1964, having faithfully fulfilled his commitment to this Nation.

We do not know all the chapters of Albert's life. But we know the most important one: when his country called, he served. He wore the uniform, he earned his discharge honorably, and he deserves to be remembered.

Today, his name stands as testimony that Albert Fountain King, Jr., was not forgotten. No veteran should ever be. On behalf of the people of Texas's 31st Congressional District, I extend my deepest gratitude and respect to a soldier who gave his service to this country.

May he rest in peace, and may he finally receive the honors he has long been owed.

HONORING REVEREND WILNER
MAXY

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 15, 2026

Ms. WILSON of Florida. Mr. Speaker, from the 24th District of the great state of Florida, I rise today to recognize and honor Reverend Wilner Maxy, a well-respected religious leader, and dedicated community and international activist.

Reverend Maxy is one of the founding members of Emmanuel Haitian Baptist Church, in Miami, in 1973, and has been the pastor of the church since 1983. In that time, he has served as a dedicated liaison between Miami-Dade County's Haitian and Baptist communities and the local and statewide government officials. His selfless service as chairman of the Haitian Pastors Association, a member of the Board of Trustees for Baptist Health Systems, and other boards in the community show his passion for both his religion and his community.

In his 30 years of passionate leadership, Reverend Maxy has helped the Emmanuel Haitian Baptist Church grow from 200 members to over 1,300, created a scholarship for young men and women who wish to go to seminary and enter the ministry, expanded the church's outreach program to include eight churches and three schools in Haiti, as well as

planned to broaden the ministry to Orlando, Pompano Beach, and South Miami.

Because of his efforts to keep crime and drugs from ruining the lives of those in his community, he has been awarded the key to the city of Miami by Mayor Manny Diaz and County Mayor Alex Alvarez. He was also given the honor of having April 1st designated as Wilner Maxy Day in the City of North Miami by Mayor Andre Pierre.

Please join me in honoring Reverend Wilner Maxy for his commitment, dedication and service to our community.
