Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, I rise today, along with my colleague Representative SANFORD D. BISHOP, JR., to congratulate Don Koehler on his remarkable career and to extend our appreciation for his decades of dedicated service to Georgia's agriculture community.

Throughout his distinguished career, he has provided exceptional leadership to organizations including the Southern Peanut Growers, the Southern Peanut Farmers Federation, the U.S. Peanut Federation, the American Peanut Council, and the American Peanut Shellers Association. As Chairman of the Agricultural Technical Advisory Committee, he has also helped shape U.S. agricultural trade policy by advising both the Department of Agriculture and the Office of the U.S. Trade Representative.

Don's leadership has strengthened Georgia's peanut industry, expanded opportunities for producers, and elevated the voice of American agriculture at home and abroad. His lasting contributions have been recognized through numerous honors, including being named one of Georgia Trend's 500 Most Influential Georgians for three consecutive years and his induction into the Georgia Peanut Commission Hall of Fame earlier this year.

The mark that Don has left on this industry will not be forgotten. On behalf of Georgia's 8th and 2nd Congressional Districts, and a grateful agricultural community, we thank him for his remarkable service and wish him and Cheryl every happiness in retirement. May his next chapter be filled with good health, cherished time with his children and four grandchildren, and the many blessings he has so richly earned.

HONORING THE LIFE AND LEGACY
OF ALFONSO "AL" RODRIGUEZ

HON. YASSAMIN ANSARI

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Ms. ANSARI. Mr. Speaker, I rise today to recognize and honor the life and legacy of Alfonso "Al" Rodriguez, a beloved mentor, community leader, and pillar of Arizona's boxing community. After more than six decades of dedicated service to young people and boxers across the Valley, Rodriguez passed away on July 6, 2026. While his passing marks the end of an extraordinary life, his legacy will endure through the countless lives he impacted and through the continued work of the Rodriguez Boxing Club.

Al and his wife, Carmen Rodriguez, moved from Texas to Arizona, where they raised five children: Al Rodriguez, Jr., Carolina Olmos, Ofelia Hooper, Fernando Rodriguez, and Seferino "Sefe" Rodriguez. As a third-generation boxer, Al founded the Rodriguez Boxing Club in the backyard of his Mesa home in 1961, where he began coaching his children while instilling in them the notion that everyone is a "diamond in the rough". To Al, every individual possessed the potential to become a champion, both inside and outside the ring.

That belief became the foundation of the Rodriguez Boxing Club, a gym in the heart of downtown Phoenix and a refuge for generations of young people. For decades, the gym has provided a safe, welcoming environment where youth can develop discipline, confidence, and resilience. Operating as a non-profit organization, the Rodriguez Boxing Club has remained committed to ensuring that it is accessible to all members of the community.

Today, Al's children continue to carry forward his mission with the same compassion, dedication, and commitment to service that defined their father's life. Through their leadership, the Rodriguez Boxing Club remains a testament to Al's enduring belief in the transformative power of mentorship, opportunity, and community.

It is my privilege to recognize the remarkable life of Alfonso "Al" Rodriguez and to honor his more than six decades of service to Arizona's 3rd Congressional District.

INTRODUCTION OF THE TUSKEGEE
AIRMEN MEMORIAL ACT OF 2026

HON. SHOMARI FIGURES

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Mr. FIGURES. Mr. Speaker, I rise today to introduce the Tuskegee Airmen Memorial Act of 2026, which would authorize Tuskegee Airmen, Incorporated to establish a memorial on federal land in the District of Columbia to commemorate the service, sacrifice, and enduring legacy of the Tuskegee Airmen.

The Tuskegee Airmen are widely recognized for their exceptional combat record, including their escort missions protecting American bombers over the skies of Europe, which was vital to the Allied victory in World War II. During combat, they flew more than 15,000 sorties, escorting bombers and engaging enemy fighters. Their courage, skill, and unwavering determination helped pave the way for the desegregation of the U.S. military. Their achievements effectively broke down racial barriers, expanded opportunities for future generations of Black military personnel, and had a profound effect on the U.S. Armed Forces.

These men defended rights and freedoms abroad that they did not have back at home. They were trained as pilots on Moton Field and on Tuskegee Army Airfield in Tuskegee, Alabama, going on to form units such as the 99th Fighter Squadron and the 332nd Fighter Group. The Tuskegee Airmen, alongside thousands of Black mechanics, navigators, bom-

bardiers, instructors, and support personnel, were essential to American victory in World War II.

The memorial will serve as an educational resource, designed to teach future generations about one of the greatest, most well-known, most well-decorated fighting forces in this Nation's history, and to highlight the important roles that Black military pilots and support personnel played during World War II.

The Tuskegee Airmen have received numerous accolades for their service, including the Congressional Gold Medal, 14 Bronze Stars, one Silver Star, 3 Distinguished Unit Citations, 96 Distinguished Flying Crosses, 744 Air Medals, and at least 60 Purple Hearts.

Their legacy has continued through Tuskegee Airmen, Inc., a national nonprofit organization founded in 1972 and incorporated in Washington, D.C., in 1975. The organization was established to preserve the history and achievements of the original Tuskegee Airmen and engage with youth to inspire future careers in aviation, aerospace, and STEM.

It is fitting that Congress enact legislation that would authorize a memorial of the Tuskegee Airmen in our Nation's capital, allowing millions of visitors who travel to Washington, D.C. each year to learn about and honor the extraordinary service and enduring legacy of the Airmen.

I invite all of my colleagues to join me in supporting this legislation.

HONORING THE LIFE OF LOUIS
"L.B." ECKELKAMP, JR.

HON. ANN WAGNER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Mrs. WAGNER. Mr. Speaker, I rise today to honor the life and legacy of one of my constituents and a dear friend, Louis "L.B." Eckelkamp, Jr. of Washington, Missouri. It is difficult to put into words what L.B. meant for so many people and the City of Washington. L.B. started his career at a young age, learning the value of hard work while working for his father at Diamonds Restaurant in via a Ridge as a teenager washing dishes and bus-ing tables. He was a tireless advocate for our community, devoting his life to making the world better for those around him. He served over five decades with the Bank of Washington, the longest-serving director in its history, and he also founded the oldest law firm in Washington, Eckelkamp Kuenzel LLP.

He had a great many professional accomplishments, but he was so much more than just the successes of his career.

He believed in volunteer service and giving back to the community and was one of the most involved and engaged people I have ever had the pleasure of knowing. He was deeply committed to the Boy Scouts, serving locally and nationally, and helped nurture so many individuals who will become leaders in their own right in the next generation. His service included roles at the YMCA, Washington Town and Country Fair, Mercy Hospital, St. Louis Archdiocese, Missouri Historical Society, and St. Francis Borgja Parrish, among so many others. L.B. worked every day of his life to inspire those around him. He was a pillar of Washington and will leave a long legacy from which we all can learn.

I am blessed to have known him personally and learned so much from him, and I know
