

next generation always gets to prosper more? That is not the model now. The next generation is going to be poorer, and it doesn't have to be.

We are on the cusp of amazing technologies—synthetic biology, cures for diseases, things we can do that can make this another American century. We just need to tell the truth about the math and policy instead of the theatrics that go on in this place.

Mr. Speaker, I appreciate the six or seven people who have been willing to listen to me.

Mr. Speaker, I yield back the balance of my time.
