RECOGNIZING UPMC HILLMAN
CANCER CENTERS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the UPMC Hillman Cancer Centers in north central Pennsylvania. The UPMC Hillman Cancer Centers in Coudersport, Wellsboro, and Williamsport earned national recognition for their high-quality patient care.

The Quality Oncology Practice Initiative, also known as the QOPI Certification, is a 3-year certificate program that recognizes hospitals for their quality care and patient safety. This prestigious certificate is awarded to less than 300 outpatient oncology practices across the Nation.

To meet the high standards of the certificate, the hospital's patient care process and chemotherapy standards are evaluated.

The certification program was launched in 2010 and reinforces hospitals' dedication to quality cancer care, including treatment planning and patient monitoring.

UPMC Hillman is the only nationally recognized cancer center in western Pennsylvania. The three north central Pennsylvania cancer centers see almost 40,000 patients a year and serve communities in Potter, Lycoming, and Tioga Counties.

Mr. Speaker, I thank the doctors, nurses, and staff who work tirelessly to ensure that every patient receives the best care possible.
