RECOGNIZING CENTRE COUNTY 4-H ROBOTICS TEAM CENTRE PUNCH

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize

the Centre County 4-H robotics team, which recently qualified for the Robotics World Championship.

The team known as Centre Punch placed second out of 41 teams at a regional event in New York City earlier this month. In addition to placing second, the team was given the Creativity Award. Their robot weighed 135 pounds and featured a climbing mechanism, allowing it to pull itself off of the ground.

The team will travel to Houston, Texas, at the end of the week to compete in the 2026 FIRST World Championship.

This marks the first time in over 5 years that the team will compete in the championship, joining 600 teams from 60 different countries. Teams compete in pit-based challenges and undergo reviews by judges to demonstrate their engineering and their teamwork.

Mr. Speaker, this achievement reflects the group's hard work and determination. I thank them for representing Centre County so well and wish them luck.

DEMANDING JUSTICE AND RULE OF LAW FOR IMMIGRATION

(Ms. DEXTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DEXTER. Mr. Speaker, all morning, my team has been sorting through more than 60 privacy release forms I received from people imprisoned at Dilley.

I spent most of my oversight visit Saturday hearing from people who, by any measure of fairness or common sense, should not be locked up. They were green card holders, asylum seekers, people with some level of legal protection, people without criminal records, and children who have been there for months in a direct violation of Federal law.

I went room to room, helping people in detention fill out privacy releases so their Members of Congress could advocate for them because the system, as it stands, is not delivering justice reliably without intervention. That should outrage all of us.

Families should not have to rely on a chance encounter with a Member of Congress to access basic due process. I am angry because this cruelty is intentional.

We must demand justice: an immigration system that follows the rule of law, a system that doesn't imprison children, a system that keeps families together, a system that guarantees access to due justice abiding by the law.

That is what I will keep fighting for.

HONORING JAMES "KEVIN" CREWS

(Mr. BEAN of Florida asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)
