By Mr. REED (for himself and Mr. WHITEHOUSE):

S. 5018. A bill to approve certain requests for a major disaster declaration, and for other purposes; to the Committee on Homeland Security and Governmental Affairs.

Mr. REED. Mr. President, today, I am introducing the *Disaster Relief Fairness Act*, along with Senator WHITEHOUSE. This bill would approve major disaster declarations requested under the Trump administration for incidents that meet or exceed FEMA’s damage thresholds. According to the Urban Institute, roughly 84 percent of disaster requests from States that voted for President Trump in 2024 have been approved under this administration, compared to just 42 percent from States that voted for Kamala Harris. Further, POLITICO reported that Republican-led States have waited 39 days on average for a decision compared to the 80-day average for Democratic-led states.
