#### Partial Revocation of Executive Order No. 5327, Public Land Order No. 4522, and Secretarial Order of June 11, 1943; Utah

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Public Land Order.

**SUMMARY:** This order revokes an Executive order, a Secretarial order, and a public land order insofar as they affect 828.13 acres withdrawn for protection of oil shale resources (798.13 acres) and a first form reclamation withdrawal (30 acres). The lands are no longer needed for these purposes and the revocation is needed to permit disposal of the lands through public sale under Section 203 of the Federal Land Policy and Management Act of 1976. This action will open the lands to surface entry and mining unless closed by overlapping withdrawals or temporary segregations of record. The lands have been and will remain open to mineral leasing.

**EFFECTIVE DATE:** May 1, 1995.
