Increase in Fees and Charges for Egg, Poultry, and Rabbit Grading

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Final rule.

SUMMARY: The Agricultural Marketing Service (AMS) is increasing the fees and charges for Federal voluntary egg, poultry, and rabbit grading. These fees and charges are increased to cover the increase in salaries of Federal employees, salary increases of State employees cooperatively utilized in administering the programs, and other increased Agency costs.

EFFECTIVE DATE: January 1, 2002.

FOR FURTHER INFORMATION CONTACT: David Bowden, Jr., Chief, Standardization Branch, (202) 720–3506.

SUPPLEMENTARY INFORMATION:**Background**

The Agricultural Marketing Act (AMA) of 1946 (7 U.S.C. 1621 *et seq.*) authorizes official voluntary grading and certification on a user-fee basis of eggs, poultry, and rabbits. The AMA provides that reasonable fees be collected from users of the program services to cover, as nearly as practicable, the costs of services rendered.

The AMS regularly reviews these programs to determine if fees are adequate and if costs are reasonable. This rule will amend the schedule for fees and charges for grading services rendered to the egg, poultry, and rabbit industries to reflect the costs currently associated with them.

A recent review of the current fee schedule, effective October 1, 2000, revealed that anticipated revenue would not adequately cover increasing program costs. Without a fee increase, FY 2002 revenues for grading services are projected at \$24.1 million, costs are projected at \$26.0 million, and trust fund balances would be \$14.8 million. With a fee increase, FY 2002 revenues are projected at \$25.3 million, costs are projected at \$26.0 million, and trust fund balances would be \$16.0 million.

Employee salaries and benefits account for approximately 81 percent of the total operating budget. A general and locality salary increase for Federal employees, ranging from 3.56 to 4.46 percent, depending on locality, became effective in January 2001 and has materially affected program costs. Another general and locality salary increase estimated at 3.6 percent is expected in January 2002. Also, from October 2000 through September 2001, salaries and fringe benefits of federally licensed State employees will have increased by about 6.0 percent.

The impact of these cost increases was determined for resident, nonresident, and fee services. To offset projected cost increases, the hourly resident and nonresident rate will be increased by approximately 5 percent and the fee rate will be increased by approximately 6 percent. The hourly rate for resident and nonresident service covers graders' salaries and benefits. The hourly rate for fee service covers graders' salaries and benefits, plus the cost of travel and supervision.

Administrative charges that cover the cost of supervision for resident poultry and shell egg grading will also be increased as shown in the table below. Administrative charges for resident rabbit grading and nonresident services will not be changed.

The following table compares current fees and charges with the revised fees and charges for egg, poultry, and rabbit grading as found in 7 CFR parts 56 and 70:
