Pursuant to 39 U.S.C. 3625, the Governors of the United States Postal Service acted on the PRC's recommendations on April 8, 2002. Decision of the Governors of the United States Postal Service on the Recommended Decision of the Postal Rate Commission on Postal Rate and Fee Changes, Docket No. R2001-1 (April 8, 2002). The Governors approved the classification, fee, and rate changes recommended by the Commission. The attachments to the Governors' Decision, setting forth the classification, fee, and rate changes ordered into effect by the Governors, are set forth below.

In accordance with the Decision of the Governors and Resolution No. 02-7 of the Board of Governors, the Postal Service hereby gives notice that the

classification, fee, and rate changes set forth below will become effective at 12:01 a.m. on June 30, 2002, with the exception of the changes to Fee Schedule 945 related to the electronic option for return receipt service. Changes to schedule 945 related to the electronic option for return receipt service will become effective as soon as possible, at a time and date to be determined subsequently by the Board of Governors. Implementing regulations also become effective on June 30, 2002, as noted in a separate notice in the **Federal Register**. Also, in the future, the Postal Service will undertake to request a change to DMCS section 443.1a to delete the words "of ten cents", since the appropriate postage (12.4 cents) is specified in Rate Schedules 421 note 6 and 423 note 2.

Articles, items, and notices in the form of reading matter inserted in accordance with a custom or understanding that textual matter is to be inserted for the advertiser or his products in the publication in which a display advertisement appears are deemed to be advertising. A bill or statement of account must present the particulars of an indebtedness with sufficient definiteness to inform the debtor of the amount he is required for acquittal of the debt. However, neither a bill nor a statement of account need state the precise amount if it contains sufficient information to enable the debtor to determine the exact amount of the claim asserted.
