Pursuant to the requirements of section 680(b) of the COATES Act, OCS will provide funds to an independent third party research organization to evaluate the effectiveness of the programs and services carried out by the grantees funded pursuant to this announcement, individually and as an overall strategy for improving the quality of life and economic well being of residents in small rural communities, particularly as they affect low-income residents of those communities and contribute to developing and sustaining healthy rural communities.

Pursuant to that requirement, approximately \$400,000 in FY 2002 funds will be made available for developing an evaluation design and the initial stage of its implementation.

Applicants requesting funding under this Announcement are required to include as part of their proposals a signed, written commitment to cooperate with this evaluation, and to provide to the organization carrying out the evaluation the necessary data and information.

Part II. Program Objectives and Requirements.

OCS invites private nonprofit corporations and multi-state, regional, private, nonprofit organizations to submit competing grant applications for new discretionary projects that provide training and technical assistance to small rural communities concerning their community facilities as described in Part I Section C. Project Goals, above.

A. Program Priority Areas

There are two Program Priority Areas under this announcement. Under Program Priority Area 1.0—OCS is requesting applications from private nonprofit corporations for home repair

and developing low-income rural rental housing. Under Program Priority Area 2.0—OCS is requesting applications multi-state, regional, private, nonprofit organizations for training and technical assistance to meet community facility needs.

B. Eligible Applicants

Eligible applicants include private nonprofit corporations that can provide assistance concerning home repair to rural low-income families and concerning planning and developing low-income rural rental housing units. Also, multi-state, regional, private, nonprofit organizations that can provide training and technical assistance to small, rural communities concerning their community facility needs are eligible to apply. Faith-based organizations that meet the above requirements are eligible to apply for these grants. Any non-profit organization applying must provide proof of its non-profit status in its application at the time of submission. The non-profit agency can accomplish this by providing a copy of its listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in Section 501(c)(3) of the IRS code or, a copy of the currently valid IRS tax exemption certificate, or, a copy of the articles of incorporation bearing the seal of the State in which the corporation or association is domiciled.

C. Project and Budget Periods

This announcement invites applications for project period up to three years. Awards, on a competitive basis, will be for a one-year budget period, although project periods may be for three years. Applications for continuation grants funded under these awards beyond the one-year budget period but within the three-year project period will be entertained in subsequent years on a noncompetitive basis, subject to availability of funds, satisfactory progress of the grantee and a determination that continued funding will be in the best interest of the Government.

D. Funds Availability and Grant Amounts

All awards are subject to the availability of appropriated funds. Approximately \$6,572,471 is expected to be available for grants for FY 2002. In FY 2002 OCS is requesting applications for grants not to exceed \$1,000,000, under Priority Areas 1.0 and 2.0. As noted above in PART I, Section E, Program Evaluation, approximately \$400,000 will be made available to

cover the cost of an evaluation of the program, as required by section 680(b) of the COATES Act.

For Fiscal Years 2003–2004, OCS anticipates, subject to the availability of funds, that non-competing continuation grants will be made under this program.

Part III. The Project Description, Program Proposal Elements and Review Criteria

A. Project Description

The project description provides the major means by which an application is evaluated and ranked to compete with other applications for available assistance. The project description should be concise, complete, and address the activity for which Federal funds are being requested. Supporting documents should present information clearly and succinctly. Applicants are required to provide information on their organizational structure, staff, related experience, and other relevant information. Awarding offices use this and other information to determine whether the applicant has the capability and resources necessary to carry out the proposed project. It is important, to include this information in the application. However, in the narrative, the applicant must distinguish resources directly related to the proposed project from those that will not be used specifically to support the project for which funds are requested.

B. Project Summary/Abstract

Provide a summary project description (a page or less) with reference to the funding request.

C. Objectives and Need for Assistance

Clearly identify the physical, economic, social, financial, instructional, and/or other problem(s) requiring a solution. The need for assistance must be demonstrated and the principal and subordinate objectives of the project must be clearly stated. Supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies should be included or referred to in the endnotes/footnotes. Demographic data and participant/beneficiary information, should be incorporated as needed. In developing the project description, the applicant may volunteer or be requested to provide information on the total range of projects currently being conducted and supported (or to be initiated), some of which may be outside the scope of the program announcement.

D. Results or Benefits Expected

Identify the results and benefits to be derived.

E. Approach

Outline a plan of action describing the scope and detail of how the proposed work will be accomplished. Account for all functions or activities identified in the application. Cite factors which might accelerate or decelerate the work and state your reason for taking the proposed approach rather than others. Describe any unusual features of the project such as design or technological innovations, reductions in cost or time, or extraordinary social and community involvement.

Provide quantitative monthly or quarterly projections of the accomplishments to be achieved for each function or activity. When accomplishments cannot be quantified by activity or function, list them in chronological order to show the schedule of accomplishments and their target dates.

List organizations, cooperating entities, consultants, or other key individuals who will work on the project along with a short description of the nature of their effort or contribution.

F. Organization Profiles

Provide information on the applicant organization(s) and cooperating partners, such as organizational charts, financial statements, audit reports or statements from CPAs/Licensed Public Accountants, Employer Identification Numbers, names of bond carriers, contact persons and telephone numbers, child care licenses and other documentation of professional accreditation as appropriate, information on compliance with Federal/State/local government standards, documentation of experience in the program area, and other pertinent information. Any non-profit organization applying must provide proof of its non-profit status in its application at the time of submission. The non-profit agency can accomplish this by providing a copy of its listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in Section 501(c)(3) of the IRS code, or, a copy of the currently valid IRS tax exemption certificate, or, a copy of the articles of incorporation bearing the seal of the State in which the corporation or association is domiciled.

G. Budget and Budget Justification

Provide a line item detail and detailed calculations for each budget object class identified on the Budget Information

form. Detailed calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculations to be duplicated. The detailed budget must also include a breakout by the funding sources identified in Block 15 of the SF-424.

Provide a narrative budget justification describing how categorical costs are derived. Discuss the necessity, reasonableness, and allocability of the proposed costs.

The following guidelines are for preparing the budget and budget justification. Both Federal and non-Federal resources shall be detailed and justified in the budget and the narrative justification. For purposes of preparing the budget and budget justification, "Federal resources" refers only to the ACF grant for which you are applying. Non-Federal resources are all other Federal (where the authorizing statute permits) and non-Federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, Federal budget; next column(s), non-Federal budget(s), and last column, total budget. The budget justification should be a narrative.

Personnel

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known. For each staff person, provide the title, time commitment to the project (in months), time commitment to the project (as a percentage or full-time equivalent), annual salary, grant salary, wage rates, etc. Do not include the costs of consultants or personnel costs of delegate agencies or of specific project(s) or businesses to be financed by the applicant.

Fringe Benefits

Description: Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, FICA, retirement insurance, taxes, etc.

Travel

Description: Costs of project-related travel by employees of the applicant organization (does not include costs of consultant travel).

Justification: For each trip, show the total number of traveler(s), travel destination, duration of trip, per diem, mileage allowances, if privately owned

vehicles will be used, and other transportation costs and subsistence allowances. Travel costs for key staff to attend ACF-sponsored workshops should be detailed in the budget.

Equipment

Description: "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. **Note:** Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation shall be included in or excluded from acquisition cost in accordance with the organization's regular written accounting practices.

Justification: For each type of equipment requested, provide a description of the equipment, the cost per unit, the number of units, the total cost, and a plan for use on the project, as well as use or disposal of the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy or section of its policy which includes the equipment definition.

Supplies

Description: Costs of all tangible personal property other than that included under the Equipment category.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information which supports the amount requested.

Contractual

Description: Costs of all contracts for services and goods except for those which belong under other categories such as equipment, supplies, construction, etc. Third-party evaluation contracts (if applicable) and contracts with secondary recipient organizations, including delegate agencies and specific project(s) or businesses to be financed by the applicant, should be included under this category.

Justification: All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition, and must comply with provisions of 45 CFR Part 74. Recipients and sub recipients, other than States

that are required to use Part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceed the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000). Recipients might be required to make available to ACF pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each delegate agency, by agency title, along with the required supporting information referred to in these instructions.

Other

Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to insurance, food, medical and dental costs (non contractual), professional services costs, space and equipment rentals, printing and publication, computer use, training costs, such as tuition and stipends, staff development costs, and administrative costs.

Justification: Provide computations, a narrative description and a justification for each cost under this category.

H. Indirect Costs

Total amount of indirect costs. This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant Federal agency.

Justification: An applicant that will charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant is in the process of initially developing or renegotiating a rate, it should immediately upon notification that an award will be made, develop a tentative indirect cost rate proposal based on its most recently completed fiscal year in accordance with the principles set forth in the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the appropriate agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. It should be noted that when an indirect cost rate is requested, those costs included in the indirect cost pool should not also be charged as direct costs to the grant. Also, if the applicant is requesting a rate which is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgment that

the applicant is accepting a lower rate than allowed.

I. Program Income

The estimated amount of income, if any, expected to be generated from this project.

Justification: Describe the nature, source and anticipated use of program income in the budget or refer to the pages in the application which contain this information.

J. Non-Federal Resources]

Amounts of non-Federal resources that will be used to support the project as identified in Block 15 of the SF-424. The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the review process. A detailed budget must be prepared for each funding source.

K. Review Criteria and Program Proposal Elements—listed according to UPD priority order

Review Criteria 1: Organizational Profiles

Element I—Organizational Experience in Program Area and Staff Responsibilities (Maximum: 30 points)

A. Organizational Experience in Program Area (sub-rating: 0–15 points)

Documentation provided indicates that previous projects were relevant and effective and provided permanent benefits to the low-income population.

Organizations that propose providing training and technical assistance have detailed competence in the specific program priority area and as a deliverer with expertise in the fields of training and technical assistance. If applicable, information provided by these applicants also addresses related achievements and competence of each cooperating or sponsoring organization.

B. Staff Skills, Resources and Responsibilities (sub-rating 0–15 points)

The application describes in brief resume form the experience and skills of the Project Director who is not only well qualified, but possesses professional capabilities relevant to successfully implementing the project. If the key staff person has not yet been identified, the application contains a comprehensive position description indicating the relevance of the responsibilities to be assigned to the Project Director to the successfully implementing the project. The applicant has adequate facilities and resources (i.e., space and equipment) to successfully carry out the work plan. The assigned responsibilities of the staff are appropriate to the tasks

identified for the project and sufficient time of senior staff will be budgeted to assure timely implementation and cost-effective management of the project.

Review Criteria 2: Objectives and Need for Assistance

Element II—Analysis of Need (Maximum: 15 points)

The application must precisely identify the target population(s) and/or communities to be served. The geographic area to be impacted should then be briefly described, citing the percentage of low-income residents and/or communities that will be impacted and providing any other data relevant to the project design. The applicant should describe the needs of the communities and how they plan to address these needs in each relevant area of activity—housing, water, transportation, and distributed energy.

Review Criteria 3: Approach

Element III—Approach 1—Project Implementation (Maximum: 20 points)

The Work Plan is both sound and feasible. The project responds to the needs identified in the Analysis of Need. It sets forth realistic quarterly time targets for task completion. Critical issues or potential problems that might impact negatively on the project are defined and the project objectives can be reasonably attained despite such potential problems.

Element IV—Approach 2—Public Private Partnerships (Maximum: 10 Points)

The application documents that the applicant will mobilize from public and/or private sources cash and/or in-kind contributions. Applicants documenting that the fair value of such contributions will at least equal the OCS funds requested will receive the maximum number of points for this Element. Applications proposing to mobilize contributions that are valued less than the total amount of Federal grant funds requested will receive prorated points in this element.

Element V—Budget Appropriateness and Reasonableness (Maximum: 5 Points)

Funds requested are commensurate with the level of effort necessary to accomplish the goals and objectives of the project. The application includes a narrative detailed budget break-down for each of the budget categories in the SF-424A. The applicant presents a reasonable administrative cost. The estimated cost to the government of the

project also is reasonable in relation to the anticipated results.

Review Criteria VI—Cooperation With Project Evaluation (Maximum: 5 Points)

The applicant should provide a well thought through outline of a plan for collecting, validating and reporting or providing data concerning its activities, services and constituent services to recipients. The applicant must indicate its willingness to cooperate with the organization developing the national evaluation design in identifying performance goals and measures. As noted in Part I above, to be considered for funding the applicant must provide a signed statement agreeing to cooperate with the organization evaluating the national program by providing the data and information necessary for carrying out the evaluation.

Review Criteria 3: Results or Benefits Expected

Element I—Significant and Beneficial Impact (Maximum: 15 Points)

The application contains a full and accurate description of the proposed use of the requested financial assistance. The proposed project will produce permanent and measurable results that will reduce the incidence of poverty in the areas targeted and significantly enhance the health of the communities served and the well-being of their residents. Results are quantifiable in terms of program area expectations, for example, number of water systems or waste water treatment facilities begun, in construction, or completed; measurable improvement in water quality and health of watershed; amount of resources successfully mobilized for facilities improvement; and number of transportation or energy facilities established or under development. The OCS grant funds, in combination with private and/or other public resources, are targeted into rural low-income and/or distressed rural communities and/or designated empowerment zones and enterprise communities and the new “Renewal Communities” (second round of empowerment zones grants awarded).

Otherwise, applicants should contact their SPOCs as soon as possible to alert them of the prospective applications and receive any necessary instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. It is imperative that the applicant submit all required materials, if any, to the SPOC and indicate the date of this submittal (or indicate "not applicable" if no submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations.

Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which

may trigger the “accommodate or explain” rule. When comments are submitted directly to ACF, they should be addressed to: Department of Health and Human Services, Administration for Children and Families, Office of Grants Management, Division of Discretionary Grants, 370 L’Enfant Promenade, SW., 4th floor East, Washington, DC 20447.

A list of the Single Points of Contact for each State and Territory is included as Attachment J to this Announcement.

E. Initial OCS Screening

Each application submitted under this Program Announcement will undergo a pre-review to determine that the application was postmarked by the closing date and submitted in accordance with the instructions in this Announcement.

All applications that meet the published deadline requirements as provided in this Program Announcement will be screened for completeness and conformity with the following requirements. Only complete applications that meet the requirements listed below will be reviewed and evaluated competitively. Other applications will be returned to the applicants with a notation that they were unacceptable and will not be reviewed.

The following requirements must be met by all Applicants except as noted:

(1) The application must contain a signed Standard Form 424 “Application for Federal Assistance” (SF-424), a budget (SF-424A), and signed “Assurances” (SF 424B) completed according to instructions published in Part V and Attachments B and D of this Program Announcement. The SF-424 and the SF-424B must be signed by an official of the organization applying for the grant who has authority to obligate the organization legally. Applicants must also be aware that the applicant’s legal name as required on the SF-424 (Item 5) must match that listed as corresponding to the Employer Identification Number (Item 6).

(2) A project narrative must also accompany the standard forms. OCS requires that the narrative portion of the application be limited to 30 letter-size pages, numbered consecutively, and typewritten on one side of the paper only with one-inch margins and type face no smaller than 12 characters per inch (c.p.i.) or equivalent. Applications with project narratives (excluding Project Summaries and appendices) of more than 30 letter-sized pages of 12 c.p.i. type or equivalent on a single side will not be reviewed for funding.

(3) Application must contain documentation of the applicant’s non-

profit status as required under PART II, Section B.

F. Consideration of Application

Applications which pass the initial OCS screening will be reviewed and rated by an independent review panel on the basis of the specific review criteria described and discussed in Part III, above. Applications will be reviewed and rated under the Program Elements and Review Criteria set forth in PART III Section I. The review criteria were designed to assess the quality of a proposed project, and to determine the likelihood of its success. The review criteria are closely related and are considered as a whole in judging the overall quality of an application. Points are awarded only to applications which are responsive to the review criteria and program elements within the context of this Program Announcement. The results of these reviews will assist the Director and OCS program staff in considering competing applications. Reviewers’ scores will weigh heavily in funding decisions, but will not be the only factors considered.

Applications generally will be considered in order of the average scores assigned by reviewers. However, highly ranked applications are not guaranteed funding because other factors are taken into consideration, including, but not limited to, the timely and proper completion by applicant of projects funded with OCS funds granted in the last five (5) years; comments of reviewers and government officials; staff evaluation and input; the amount and duration of the grant requested, the proposed project’s consistency and harmony with OCS goals and policy; geographic distribution of applications; previous program performance of applicants; compliance with grant terms under previous HHS grants, including the actual dedication to program of mobilized resources as set forth in project applications; audit reports; investigative reports; and applicant’s progress in resolving any final audit disallowances on previous OCS or other Federal agency grants.

Since non-Federal reviewers will be used for review of applications, applicants may omit from the application copies which will be made available to the non-Federal reviewers, the specific salary rates or amounts for individuals identified in the application budget. Rather, only summary information is required. OCS reserves the right to discuss applications with other Federal or non-Federal funding sources to verify the applicant’s performance record and the documents submitted.

Evaluation Criteria

Proposal Elements and Review Criteria for Applications under Priority Area 1.0

Each application which passes the initial screening will be assessed and scored by three independent reviewers. Each reviewer will give a numerical score for each application reviewed. These numerical scores will be supported by explanatory statements on a formal rating form describing major strengths and weaknesses under each applicable criterion published in the Announcement. Scoring will be based on a total of 100 points, and for each application will be the average of the scores of the three reviewers.

Part V. Instructions for Completing Application Forms

The standard forms attached to this Announcement shall be used to apply for funds under this Program Announcement.

It is suggested that you reproduce single-sided copies of the SF-424 and SF-424A, and type your application on the copies. Please prepare your application in accordance with instructions provided on the forms (Attachments B and C) as modified by the instructions set forth in PART III G., above, and the OCS specific instructions set forth below:

Provide line item detail and detailed calculations for each budget object class identified on the Budget Information form. Detailed calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. The detailed budget must also include a breakout by the funding sources identified in Block 15 of the SF-424.

Provide a narrative budget justification which describes how the categorical costs are derived. Discuss the necessity, reasonableness, and allocability of the proposed costs. (Note: The Budget detail and Narrative Budget Justification should follow the SF 424 and 424A, and are not counted as part of the Project Narrative.)

A. SF-424—Application for Federal Assistance (Attachment B)

corner of the form (third line from the top).

Item 1. For the purposes of this announcement, all projects are considered Applications; there are no Pre-Applications.

Item 7. If applicant is a State, enter "A" in the box. If applicant is an Indian Tribe enter "K" in the box. If applicant is a non-profit organization enter "N" in the box.

Item 9. Name of Federal Agency—Enter DHHS—ACF/OCS.

Item 10. The Catalog of Federal Domestic Assistance number for OCS programs covered under this announcement is 93.570. The title is "Rural Community Development Activities Program" (RF Program).

Item 11. In addition to a brief descriptive title of the project, indicate the priority area for which funds are being requested.

Item 13. Proposed Project—The project start date must begin on or before September 30, 2002; the ending date should be calculated on the basis of 36-month Project Period.

Item 15a. This amount should be no greater than \$1,000,000 under Priority Area 1.0 and 2.0.

Item 15b–e. These items should reflect both cash and third-party, in-kind contributions for the Project Period (36 months).

B. SF-424A—Budget Information—Non-Construction Programs (Attachment C)

In completing these sections, the Federal Funds budget entries will relate to the requested OCS funds only, and Non-Federal will include mobilized funds from all other sources—applicant, State, local, and other. Federal funds (only if statutory authority permits) other than requested OCS funding should be included in *Non-Federal* entries. Sections A, B, and C of SF-424A should reflect budget estimates for each year of the Project Period.

Section A—Budget Summary

You need only fill in lines 1 and 5 (with the same amounts) Col. (a): Enter "RF Program" as Item number 1. (Items 2, 3, 4, and 5 should be left blank.) Col. (b): Catalog of Federal Domestic Assistance number is 93.570. Col. (c) and (d): not relevant to this program. Column (e)–(g): enter the appropriate amounts in items 1. and 5. (Totals) Column e should not be more than \$1,000,000 under Priority Area 1.0 and 2.0.

Section B—Budget Categories

(Note that the following information supersedes the instructions provided with the Form in Attachment C)

Columns (1)–(5): For each of the relevant Object Class Categories:

Column 1: Enter the OCS grant funds for the full 1-year budget period.

Columns 2, 3 and 4 are not relevant to this program.

Column 5: Enter the Total

Section C—Non Federal Resources

This section is to record the amounts of "non-Federal" resources that will be used to support the project, including any "additional resources" which will bring additional support to the project, which may be cash or in-kind, non-Federal or Federal. In this context, "Non-Federal" resources mean any and all resources other than the OCS funds for which the applicant is applying. Therefore, mobilized funds from other Federal (only if statutory authority permits) programs, should be entered on these lines. Provide a brief listing of these "non-Federal" resources on a separate sheet and describe whether it is a grantee cost or a third-party cash or in-kind contribution. The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the review process under the Public-Private Partnerships program element.

Sections D, E, and F may be left blank by Applicants under Priority Area 1.0 and 2.0. As noted in Part VI, a supporting Budget Justification must be submitted providing details of expenditures under each budget category, with justification of dollar amounts which relate the proposed expenditures to the work program and goals of the project.

C. SF-424B Assurances: Non-Construction Programs

Applicants requesting financial assistance for a non-construction project must file the Standard Form 424B, "Assurances: Non-Construction Programs." (Attachment D) Applicants must sign and return the Standard Form 424B with their applications.

Applicants must provide a certification concerning Lobbying. Prior to receiving an award in excess of \$100,000, applicants shall furnish an executed copy of the lobbying certification. (See Attachments G and H) Applicants must sign and return the certification with their applications. Applicants should note that the Lobbying Disclosure Act of 1995 has simplified the lobbying information required to be disclosed under 31 U.S.C. 1352.

Applicants must make the appropriate certification on their compliance with the Drug-Free Workplace Act of 1988 and the Pro-Children Act of 1994

(Certification Regarding Smoke Free Environment). (See Attachments E and I) By signing and submitting the applications, applicants are attesting to their intent to comply with these requirements and need not mail back the certification with the applications.

Applicants must make the appropriate certification that they are not presently debarred, suspended or otherwise ineligible for award. (See Attachment F) By signing and submitting the applications, applicants are providing the certification and need not mail back the certification with the applications.

Copies of the certifications and assurances are located at the end of this announcement.

Part VI. Contents of Application and Receipt Process

Application pages should be numbered sequentially throughout the application package, beginning with a Summary/Abstract of the proposed project as page number one; and each application must include all of the following, in the order listed below:

A. Content and Order of RF Program Application

1. A Project Summary/Abstract—brief, not to exceed one page, on the Applicant's letterhead (that will not be counted as a part of the Project Narrative/Description) and that includes the following information:

2. Table of Contents;

3. A completed Standard Form 424 (Attachment B) which has been signed by an official of the organization applying for the grant who has authority to obligate the organization legally; [Note: The original SF-424 must bear the original signature of the authorizing representative of the applicant organization];

4. A completed Budget Information-Non-Construction Programs (SF-424A) (Attachment C);

5. A Budget Justification, including narrative budget justification for each object class category included under Section B, as described in PART III, Program Element III;

8. *Appendices*, which should include the following: (a) Filled out, signed and dated *Assurances—Non-Construction*

Programs (SF-424B), (Attachment C); (b) *Instructions for Completion of SF-LLL, Disclosure of Lobbying Activities*: filled out, signed and dated form found at Attachment G;

(c) *Disclosure of Lobbying Activities, SF-LLL*: Filled out, signed and dated form found at Attachment H, if appropriate (omit Items 11-15 on the SF LLL and ignore references to continuation sheet SF-LLL-A)

(d) Resumes and/or position descriptions (see Part III Program Element I);

(e) Any letters and/or supporting documents from collaborating or partnering agencies in target communities, providing additional information on staffing and experience in support of narrative under PART III Element I. [Such documents are not part of the Narrative and should be included in the Appendices. These documents are therefore not counted against the page limitations of the Narrative.]; and (f) Single points of contact comments, if applicable.

Applications must be uniform in composition since OCS may find it necessary to duplicate them for review purposes. Therefore, applications must be submitted on white 8½ x 11 inch paper only (See PART IV D. (2), above, concerning margins, type size, etc). They must not include colored, oversized or folded materials. Do not include organizational brochures or other promotional materials, slides, films, clips, etc. in the proposal. They will be discarded if included. The applications should be two-hole punched at the top center and fastened separately with a compressor slide paper fastener, or a binder clip. The submission of bound applications, or applications enclosed in binders is specifically discouraged.

B. Acknowledgment of Receipt

Acknowledgment of Receipt—All applicants will receive an acknowledgment with an assigned identification number. Applicants are requested to supply a self-addressed mailing label with their Application, or a FAX number or e-mail address which can be used for acknowledgment. The assigned identification number, along with any other identifying codes, must be referenced in all subsequent communications concerning the Application. If an acknowledgment is

not received within three weeks after the deadline date, please notify ACF by telephone at (202) 401-5307 or 5295.

Part VII. Post Award Information and Reporting Requirements

A. Notification of Grant Award. Following approval of the applications selected for funding, notice of project approval and authority to draw down project funds will be made in writing. The official award document is the Financial Assistance Award which provides the amount of Federal funds approved for use in the project, the project and budget period for which support is provided, the terms and conditions of the award, and the total project period for which support is contemplated.

For Fiscal Years 2003-2004 the grantee will be notified of the requirements for submission of the continuation application by February of the pertinent fiscal year.

B. Attendance at Technical Assistance and Evaluation Workshops/Conferences. OCS hopes to sponsor at least one national evaluation workshop in Washington, DC or in other locations, if necessary during the course of the project period. Project Directors will be expected to attend such workshops and should include the expenses of attending as a part of your original budget request.

C. Reporting Requirements. Grantees will be required to submit a semi-annual program progress and financial report (SF 269) throughout the project period, as well as a final program and financial report 90 days after the end of the project period. Program progress and financial reports are due 30 days after the reporting period.

D. Audit Requirements. Grantees are subject to the audit requirements in 45 CFR Part 74 (non-profit organizations) or Part 92 (governmental entities) which require audits under OMB Circular A-133.

E. Prohibitions and Requirements with regard to Lobbying. Section 319 of Public Law 101-121, signed into law on October 23, 1989, imposes prohibitions and requirements for disclosure and certification related to lobbying on recipients of Federal contracts, grants, cooperative agreements, and loans. It provides limited exemptions for Indian tribes and tribal organizations. Current and prospective recipients (and their

subtier contractors and/or grantees) are prohibited from using appropriated funds for lobbying Congress or any Federal agency in connection with the award of a contract, grant, cooperative agreement or loan. In addition, for each award action in excess of \$100,000 (or \$150,000 for loans) the law requires recipients and their subtier contractors and/or subgrantees (1) to certify that they have neither used nor will use any appropriated funds for payment to lobbyists, (2) to submit a declaration setting forth whether payments to lobbyists have been or will be made out of non-appropriated funds and, if so, the name, address, payment details, and purpose of any agreements with such lobbyists whom recipients or their subtier contractors or subgrantees will pay with the non-appropriated funds and (3) to file quarterly up-dates about the use of lobbyists if an event occurs that materially affects the accuracy of the information submitted by way of declaration and certification.

The law establishes civil penalties for noncompliance and is effective with respect to contracts, grants, cooperative agreements and loans entered into or made on or after December 23, 1989. See Attachment G and H for certification and disclosure forms to be submitted with the applications for this program.

F. Applicable Federal Regulations. Attachment K indicates the regulations which apply to all applicants/grantees under the Rural Community Assistance Program.

Dated: May 23, 2002.

Public reporting burden for this collection of information is estimated to average 180 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the

data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office Of Management and Budget, Paperwork

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections, A, B, C and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a–k of Section B.

Section A. Budget Summary Lines 1–4.

Columns (a) and (b)

For applications pertaining to a single Federal grant program (Federal Domestic Assistance Catalog number) and not requiring a functional or activity breakdown, enter on Line 1 under Column (a) the catalog program title and the catalog number in Column (b).

Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Divisions of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517–D, 200 Independence Avenue, SW, Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department

while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Certification Regarding Environmental Tobacco Smoke

Public Law 103227, Part C Environmental Tobacco Smoke, also known as the Pro Children Act of 1994, requires that smoking not be permitted in any portion of any indoor routinely owned or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or

local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity. By signing and submitting this application the applicant/grantee

certifies that it will comply with the requirements of the Act.

The applicant/grantee further agrees that it will require the language of this certification be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify accordingly.

Intergovernmental Review (SPOC List)

It is estimated that in 2001 the Federal Government will outlay \$305.6 billion in grants to State and local governments. Executive Order 12372. "Intergovernmental Review of Federal Programs," was issued

with the desire to foster the intergovernmental partnership and strengthen federalism by relying on State and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. The Order allows each State to designate an entity to perform this function. Below is the official list of those entities. For those States that have a home page for their designated entity, a direct link has been provided below.

States that are not listed on this page chosen not to participate in the intergovernmental review process, and therefore do not have a SPOC. If you are located within one of these States, you may still send application materials directly to a Federal awarding agency.

Contact information for Federal agencies that award grants can be found in Appendix IV of the Catalog of Federal Domestic Assistance.
