DEPARTMENT OF EDUCATION**Notice of Proposed Information Collection Requests****AGENCY:** Department of Education.**SUMMARY:** The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.**DATES:** Interested persons are invited to submit comments on or before September 6, 2002.**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, *e.g.*, new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: July 1, 2002.

John Tressler,*Leader, Regulatory Information Management, Office of the Chief Information Officer.***Office of Educational Research and Improvement***Type of Review:* New.*Title:* Preschool Curricula Evaluation Research (PCER) Program.*Frequency:* Semi-Annually.*Affected Public:* Individuals or household.*Reporting and Recordkeeping Hour Burden:**Responses:* 7,217.*Burden Hours:* 5,281.*Abstract:* The primary objective of the PCER Program is to evaluate the effectiveness of selected preschool curricula on child development outcomes such as language skill, pre-reading and pre-math abilities, cognition, general knowledge, and social competence. Although there is a need for preschool programs to enhance their instructional content, there is weak evidence regarding the effectiveness of classroom curricula. These data will provide critical data to allow government agencies to recommend and preschool providers to choose among the array of available curricula. The respondents include children, teachers and parents.Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 2078.
