Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Homeland Security.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public, state, local, or tribal governments and other Federal agencies to take this opportunity to comment on the proposed collection of information. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments on the cancellation of Federal assistance loans to any local governments.

SUPPLEMENTARY INFORMATION: The Community Disaster Loan (CDL) Program is authorized by section 417 of the Disaster Relief Act of 1974 (Pub. L. 93-288), as amended by the Robert T. Stafford Disaster Relief and Emergency Act of 1988 (Pub. L. 100-707), and implemented by FEMA regulation 44 CFR, subpart K, Community Disaster Loans, section 206.366. The CDL Program offers loans to local governments that have suffered a substantial loss of tax or other revenues as a result of a major disaster or emergency and demonstrates a need for Federal financial assistance in order to perform their governmental functions. The loan must be justified on the basis of need and be based on the actual and projected expenses, as a result of the disaster, for the fiscal year in which the disaster occurred and the three succeeding fiscal years.

Collection of Information.

Title: Application for Loan Cancellation.

Type of Information Collection: Reinstatement, without change, of a previously approved collection for which approval has expired.

OMB Number: 3067-0026.

Form Number: FEMA Form 90-5.

Abstract: Local governments may submit an Application for Loan Cancellation through the Governor's Authorized Representative to the FEMA Regional Director prior to the expiration date of the loan. FEMA has the authority to cancel repayment of all or part of a Community Disaster Loan to the extent that a determination is made that revenues of the local government during the three fiscal years following the disaster are insufficient to meet the operating budget of that local government because of disaster-related revenue losses and additional unreimbursed disaster-related municipal operating character. Operating budget means actual revenues and expenditures of the local government as published in the official financial statements of the local government.

Affected Public: State, Local, or Tribal Governments.

Estimated Total Annual Burden Hours: 30.

Number of Respondents: 5.

Frequency of Response: On occasion.

Hour Burden Per Response: 6 hours.
