BILLING CODE 3410-XY-P

DEPARTMENT OF COMMERCE

Bureau of Industry and Security

Import Certificates, End-User Certificates, and Delivery Verification Procedures

ACTION: Proposed collection; comment request.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(c)(2)(A)).

DATES: Written comments must be submitted on or before July 18, 2003.

ADDRESSES: Direct all written comments to Diana Hynek, DOC Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Ms. Marna Dove, BIS ICB Liaison, (202) 482-5211, Department of Commerce, Room 6622, 14th & Constitution Avenue, NW., Washington, DC, 20230.

SUPPLEMENTARY INFORMATION

I. Abstract

Activities include: (1) A reporting requirement that allows exporters to request an exception to the import certificate (or its equivalent) procedure. (2) Reporting requirement associated with requests for exceptions to the delivery verification procedure. (3) A certification by overseas importers to the U.S. government that he/she will import specific commodities from the U.S. and will not reexport such commodities except in accordance with U.S. export regulations.

II. Method of Collection

Written submission, requests for information, copies of documents or requirements to send notifications submitted to BIS.

III. Data

OMB Number: None.

Form Number: None.

Type of Review: New collection that consolidates two currently approved collection authorities.

Affected Public: Individuals, businesses or other for-profit and not-for-profit institutions.

Estimated Number of Respondents: 5,796.

Estimated Time Per Response: 15 to 30 minutes per response.

Estimated Total Annual Burden Hours: 1,155 hours.

Estimated Total Annual Cost: No start-up capital expenditures.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they will also become a matter of public record.

Dated: May 13, 2003.

Madeleine Clayton,

Management Analyst, Office of the Chief Information Officer.

Regulations and Procedures Technical Advisory Committee; Notice of Open Meeting

The Regulations and Procedures Technical Advisory Committee will meet on June 3, 2003, 9 a.m., Room 3884, in the Herbert C. Hoover Building, 14th Street between Constitution and Pennsylvania Avenues, NW., Washington, DC. The Committee advises the Office of the Assistant Secretary for Export Administration on implementation of the Export Administration Regulations (EAR) and

provides for continuing review to update the EAR as needed.

Agenda

1. Opening remarks by the Chairman.
2. Presentation of papers or comments by the public.

3. Update on pending regulations.
4. Update on Bureau of Industry and Security initiatives.

The meeting will be open to the public and a limited number of seats will be available. Reservations are not accepted. To the extent time permits, members of the public may present oral statements to the Committee. Written statements may be submitted at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the Committee suggests that presenters forward the public presentation materials, two weeks prior to the meeting date, to the following address: Ms. Lee Ann Carpenter, OSIES/EA/BIS MS: 3876, U.S. Department of Commerce, 14th St. & Constitution Ave., NW., Washington, DC 20230.

For more information contact Lee Ann Carpenter on (202) 482-2583.

Dated: May 14, 2003.

Lee Ann Carpenter,

Committee Liaison Officer.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-570-848]

Notice of Extension of Time Limit of Final Results of New Shipper Review: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit of the final results of the new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China until no later than July 13, 2003. The period of review is September 1, 2001, through February 28, 2002. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: May 19, 2003.

FOR FURTHER INFORMATION CONTACT: Douglas Kirby or Thomas Gilgunn, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-3782 or (202) 482-4236, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act requires the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the deadline for the final results to up to 150 days after the date on which the preliminary results were issued.

Background

On March 29, 2002, the Department received a timely request from Weishan Zhenyu Foodstuff Co., Ltd. (Weishan Zhenyu), in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the regulations, for a new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China ("PRC"), which has a September anniversary date, and a March semiannual anniversary date. On April 23, 2002, the Department initiated this new shipper review covering the period September 1, 2001, through February 28, 2002. *See Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Antidumping Review* (67 FR 21218). On September 26, 2002, the Department extended the preliminary results of this review by 33 days until November 22, 2002. *See Freshwater Crawfish Tail Meat From the People's Republic of China: Notice of Extension of Time Limit of Preliminary Results of New Shipper Review* (67 FR 60640). On November 1, 2002, the Department extended the preliminary results of this review for an additional 83 days until February 13, 2003. *See Notice of Extension of Time Limit of Preliminary Results of New Shipper Review: Freshwater Crawfish Tail Meat From the People's Republic of China* (67 FR 66613). On February 13, 2003, the Department issued the preliminary results of this review. *See Notice of Preliminary Results of Antidumping Duty New Shipper Review: Freshwater Crawfish Tail Meat from the People's Republic of China* 68 FR 7976 (February 19, 2003). In the preliminary results of this review, we indicated that we had requested, but not yet received, information from the U.S. importer of Weishan Zhenyu's new shipper shipment. We also indicated in the

preliminary results that we intended to analyze any information provided by the importer for the final results of the new shipper review. We received a response to this request on February 14, 2003, after the signature date of the preliminary results.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated because of the issues that must be addressed, and the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. As stated above, the Department received the questionnaire response from the importer after the preliminary results of this new shipper review were signed. Based on our review of the importer questionnaire response, we find that we need additional information to analyze the *bona fides* of the sale under review. Consequently, the Department has issued a supplemental questionnaire to the importer to gather additional information. Additionally, the Department may find it necessary to request further information from the respondent in this new shipper review. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of final results for an additional 60 days. The final results will now be due no later than July 13, 2003.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: May 13, 2003.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-412-803]

Notice of Initiation of Antidumping Duty Changed Circumstances Review: Industrial Nitrocellulose from the United Kingdom

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In accordance with 19 CFR 351.216 (2002), Troon Investments Limited (Troon) requested that the Department of Commerce (the Department) conduct a changed circumstances review of the antidumping duty order on industrial nitrocellulose (INC) from the United Kingdom. In response to this request, the Department is initiating a changed circumstances review of the above-referenced order.

EFFECTIVE DATE: May 19, 2003.

FOR FURTHER INFORMATION CONTACT:

Howard Smith or Michele Mire, Office of AD/CVD Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-5193 or (202) 482-4711, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 28, 2003, Troon requested that the Department conduct an expedited changed circumstances review of the antidumping duty order on INC from the United Kingdom pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(3)(ii). Troon claims to be the successor-in-interest to Imperial Chemical Industries PLC (ICI) based on its December 31, 2002, purchase of the nitrocellulose business division of Nobel's Explosives Company, Ltd. (NEC), a subsidiary of ICI. The signatories of the agreement for the sale of this division are Troon's parent company, Inabata & Co., Ltd. (Inabata) of Japan, and NEC's parent company, ICI. *See Troon's March 28, 2003, request at Exhibit 1.*

On April 11, 2003, Green Tree Chemical Technologies, Inc. (Green Tree), the sole U.S. producer of INC and the petitioner to this proceeding, notified the Department that it opposes Troon's request to be considered the successor-in-interest to ICI. In particular, Green Tree argues that differences between the management, cost of capital, distribution channels, and corporate interests and strategy of ICI/NEC and Inabata/Troon preclude Troon from being considered the successor-in-interest to ICI.

Scope of Review

Imports covered by this review are shipments of INC from the United Kingdom. INC is a dry, white amorphous synthetic chemical with a nitrogen content between 10.8 and 12.2 percent, and is produced from the
