

Discussion

8. NRG-PMI proposes to terminate its contract on May 19, 2003, a deadline which leaves the Commission with insufficient time to evaluate its proposed action. Accordingly, the Commission directs NRG-PMI, until further notice, to continue to provide service to CL&P pursuant to the rates, terms and conditions of the SOS Agreement. NRG-PMI shall file its answer to the complaint, and interested persons may file interventions and protests, within ten (10) days from the date of this order. The Commission intends to act as expeditiously as possible in this proceeding.

9. Any person desiring to be heard or to protest this filing should file with the Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. The answer to the complaint and all comments, interventions or protests must be filed on or before ten (10) days from the date of this order. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll-free at (866) 208-3676, or for TTY, contact (202) 502-8659. The answer to the complaint, comments, protests and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR § 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.
