**BILLING CODE 4312–51–P**

**DEPARTMENT OF THE INTERIOR****National Park Service****Notice of Inventory Completion:**

**Phoebe A. Hearst Museum of Anthropology, University of California, Berkeley, Berkeley, CA**

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains and associated funerary objects in the possession of the Phoebe A. Hearst Museum of Anthropology, University of California, Berkeley, Berkeley, CA. The human remains and associated funerary objects were removed from Clark County, NV.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations within this notice.

An assessment of the human remains, and catalog records and associated

documents relevant to the human remains, was made by Phoebe A. Hearst Museum of Anthropology professional staff in consultation with representatives of the Kaibab Band of Paiute Indians of the Kaibab Indian Reservation, Arizona; Las Vegas Tribe of Paiute Indians of the Las Vegas Indian Colony, Nevada; Moapa Band of Paiute Indians of the Moapa River Indian Reservation, Nevada; Paiute Indian Tribe of Utah; San Juan Southern Paiute Tribe of Arizona; and Shoshone-Bannock Tribes of the Fort Hall Reservation of Idaho.

In 1928, human remains representing at least two individuals were removed from a cave located "eight miles from Glendale in the direction of Moapa" in Clark County, NV, by L.F. Herrick, who donated the human remains to the Phoebe A. Hearst Museum of Anthropology in the same year. No known individuals were identified. The one associated funerary object is a woven magenta wool cloth fragment.

The circumstances of burial of the human remains in a cave identify the human remains as Native American. The presence of an associated funerary object of Euroamerican origin, the wool cloth fragment, dates the burials to post-European contact. Historical records and consultation evidence indicate that this area was inhabited by Paiute culture groups at the time of European contact. The current descendants of these groups are the Kaibab Band of Paiute Indians of the Kaibab Indian Reservation, Arizona; Las Vegas Tribe of Paiute Indians of the Las Vegas Indian Colony, Nevada; Moapa Band of Paiute Indians of the Moapa River Indian Reservation, Nevada; Paiute Indian Tribe of Utah; San Juan Southern Paiute Tribe of Arizona; and Shoshone-Bannock Tribes of the Fort Hall Reservation of Idaho.

Officials of the Phoebe A. Hearst Museum of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of at least two individuals of Native American ancestry. Officials of the Phoebe A. Hearst Museum of Anthropology also have determined that, pursuant to 25 U.S.C. 3001 (3)(A), the one object described above is reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Phoebe A. Hearst Museum of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native
