**History**

Federal Register Document 03–19165, published on Tuesday, July 29, 2003, (68 FR 44454) modified Class E airspace at Aurora, MO. The modification was to replace Aurora Memorial Municipal Airport” in the legal descriptions of Aurora, MO Class E airspace area with “Jerry Summers Sr. Aurora Municipal Airport” and to bring the legal description into compliance with FAA Order 7400.2E, Procedures for Handling Airspace Matters. The Aurora, MO Class E airspace area was erroneously described as extending north of the airport when it actually extends south of the airport.

■ Accordingly, pursuant to the authority delegated to me, the Aurora, MO Class E airspace, as published in the Federal Register on Tuesday, July 29, 2003, (68 FR 44454), [FR Doc. 03–19165] is corrected as follows:

**§ 71.1 [Corrected]**

#### Documentation of Nonimmigrants Under the Immigration and Nationality Act, as Amended: Automatic Visa Revalidation

**AGENCY:** Department of State.

**ACTION:** Final rule.

**SUMMARY:** The Department is adopting as final an interim rule published in the **Federal Register** on March 7, 2002, amending the regulation pertaining to Automatic Visa Revalidation, which was effective on April 1, 2002.

**EFFECTIVE DATE:** August 18, 2003.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth J. Harper, Legislation and Regulations Division, Visa Services, Department of State, Washington, D.C. 20520-0106, (202) 663-1221, e-mail ([harperb@state.gov](mailto:harperb@state.gov)) or fax at (202) 663-3898.

**SUPPLEMENTARY INFORMATION:** The Department published an interim rule, Public Notice 3938 at 67 FR 45, March 7, 2002, with a request for comments, amending part 41 of Title 22 of the Code of Federal Regulations.

#### Why Was This Done?

The rule was proposed primarily because of the need for greater screening of visa applicants in light of the events of September 11, 2001. The rule was discussed in detail in Public Notice 3938, as were the Department's reasons for the other changes to the regulations. This final rule adopts the interim rule without change.

#### What Did The Interim Rule Do?

The interim rule limited the privilege of automatic revalidation of visas in two respects: first, the privilege is no longer available to persons who choose to apply for a new visa while traveling temporarily to an area covered by the automatic revalidation privilege; and second, it is no longer available to nationals of countries that are state sponsors of terrorism, regardless of whether such nationals apply for a new visa while outside the United States or not. In essence, the addition of "applying for a visa while abroad" as a bar against automatic revalidation was undertaken to protect against the possibility that the visa applicant will be found ineligible but will have returned to the United States using the automatic revalidation privilege while the visa application was pending. The bar against nationals of states that have
