AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning the President's Volunteer Service Awards (PVSA), parts A, B, C, D and E. Copies of the information collection request can be obtained by contacting the office listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section by January 5, 2004.

ADDRESSES: Send comments to: Corporation for National and Community Service, Office of Public Affairs, Attn: Rhonda Taylor, (project officer), 1201 New York Avenue, NW., Washington, DC 20525.

FOR FURTHER INFORMATION CONTACT: Rhonda Taylor, (202) 606-5000, ext. 282, or by e-mail at rtaylor@cns.gov.

I. Background

The President's Council on Service and Civic Participation was created by Executive Order 13285 on January 29, 2003. The Council is administered by the Corporation for National and Community Service. Under the Executive Order, the Council is directed to (among other things) design and recommend programs to recognize individuals, schools, and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary schools, secondary schools, and institutions of higher learning. The Council will bestow the President's Volunteer Service Award to meet this requirement. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they have earned the award.

The information collected will be used by the program primarily to select winners of the President's Volunteer Service Awards and the Call to Service Awards (4000 hours or more). Individuals or organizations can be nominated by an organization or third party. The nominations will be reviewed for compliance by the administering agency, and awards will be made on that basis. Information also will be used to assure the integrity of the program (so that, for example, an individual or organization does not receive an award twice for the same project), for reporting on the accomplishments of the program, for the public awareness campaign (such as press releases and website information on winning projects), and to further the purposes of the Executive Order (such as fostering partnerships and coordination of projects and to promote civic engagement).

II. Current Action

On August 20, 2003, OMB approved the emergency request for a period of six months and assigned OMB Control Number 3045-0086 with an expiration date of February 29, 2004. This study will be conducted under contract with Westat, Inc. (#CNCSHQ03003, Task Order #WES03T001). This information will be used by the Corporation to prepare its Annual Performance Reports, and to respond to ad hoc requests from Congress and other interested parties. The prior versions of these surveys were used most recently during the 1999-2000 program year.
