BILLING CODE 4410-19-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Parts 1 and 38

RIN 2900-AM10

Relocation of National Cemetery Administration Regulations

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: Previously the regulations administered by the National Cemetery Administration (NCA) of the Department of Veterans Affairs (VA) were set forth in Part 1 of Title 38 of the Code of Federal Regulations. Recently, NCA was assigned Part 38 of Title 38 for its regulations. Accordingly, we are moving the regulations administered by NCA and located in Part 1 to new Part 38. We have made non-substantive changes to headings of regulations, but we have not made any changes to the text other than conforming changes to section numbers.

DATES: *Effective Date:* January 31, 2005.

FOR FURTHER INFORMATION CONTACT:

Karen Barber, Program Analyst, Legislative and Regulatory Division (41C3), National Cemetery Administration (NCA), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420; telephone: (202) 273-5183 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION:

Regulations administered by NCA are currently located in Part 1 of Title 38 of the Code of Federal Regulations along with general provisions that are applicable to VA offices and programs other than NCA. The current placement of NCA regulations in Part 1 with regulations that are not particular to NCA programs may be confusing to users who want to quickly and easily reference information about NCA benefits. Additionally, as NCA expands its body of regulations, users will find it increasingly more difficult to reference information about NCA benefits unless NCA regulations are relocated and consolidated in a separate part of Title 38.

NCA was recently assigned new Part 38 of Title 38 for its regulations. Relocation and consolidation of NCA regulations in a separate Part is intended to help readers reference information about NCA benefits more easily. Although certain headings are being changed and conforming changes to section numbers are being made, the amendments made by this notice are non-substantive and will not affect benefits entitlement or otherwise result in new costs. This final rule merely moves NCA regulations to a new location in the Code of Federal Regulations without any substantive changes.

Administrative Procedure Act

We are publishing this document as a final rule without prior notice and comment and without a delayed

effective date. This document contains only non-substantive changes. Because this document merely restates existing regulations without substantive change, it is exempt from those procedures under 5 U.S.C. 553(b)(3)(A) and (d)(2). Additionally, VA has determined that there is good cause under 5 U.S.C. 553(b)(3)(B) and (d)(3) for dispensing with those procedures, because a comment period and a delayed effective date are unnecessary in the absence of any substantive change to existing regulations.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any given year. This rule would have no such effect on State, local, or tribal governments, or the private sector.

Paperwork Reduction Act

This document does not contain new provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501-3521).

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. Only individual VA beneficiaries could be directly affected. Therefore, pursuant to 5 U.S.C. 605(b), this final rule is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance program numbers for this document are 64.201 and 64.202.

(Authority: 38 U.S.C. 2408, 2411)

§ 38.601 Advisory Committee on Cemeteries and Memorials.

Responsibilities in connection with Committee authorized by 38 U.S.C. chapter 24 are as follows:

(a) The Under Secretary for Memorial Affairs will schedule the frequency of meetings, make presentations before the Committee, participate when requested by the Committee, evaluate Committee reports and recommendations and make recommendations to the Secretary based on Committee actions.

(b) The Committee will evaluate and study cemeterial, memorial and burial benefits proposals or problems submitted by the Secretary or Under Secretary for Memorial Affairs, and make recommendations as to course of action or solution. Reports and recommendations will be submitted to the Secretary for transmission to Congress.

§ 38.602 Names for national cemeteries and features.

(a) *Responsibility.* The Secretary is responsible for naming national cemeteries. The Under Secretary for Memorial Affairs, is responsible for naming activities and features therein, such as drives, walks, or special structures.

(b) *Basis for names.* The names of national cemetery activities may be based on physical and area characteristics, the nearest important city (town), or a historical characteristic related to the area. Newly constructed interior thoroughfares for vehicular traffic in national cemetery activities will be known as *drives*. To facilitate location of graves by visitors, drives will be named after cities, counties or States or after historically notable persons, places or events.

§ 38.603 Gifts and donations.

(a) Gifts and donations will be accepted only after it has been determined that the donor has a clear understanding that title thereto passes

to, and is vested in, the United States, and that the donor relinquishes all control over the future use or disposition of the gift or donation, with the following exceptions:

(1) Carillons will be accepted with the condition that the donor will provide the maintenance and the operator or the mechanical means of operation. The time of operation and the maintenance will be coordinated with the superintendent of the national cemetery.

(2) Articles donated for a specific purpose and which are usable only for that purpose may be returned to the donor if the purpose for which the articles were donated cannot be accomplished.

(3) If the donor directs that the gift is donated for a particular use, those directions will be carried out insofar as they are proper and practicable and not in violation of Department of Veterans Affairs policy.

(4) When considered appropriate and not in conflict with the purpose of the national cemetery, the donor may be recognized by a suitable inscription on those gifts. In no case will the inscription give the impression that the gift is owned by, or that its future use is controlled by, the donor. Any tablet or plaque, containing an inscription will be of such size and design as will harmonize with the general nature and design of the gift.

(b) Officials and employees of the Department of Veterans Affairs will not solicit contributions from the public nor will they authorize the use of their names, the name of the Secretary, or the name of the Department of Veterans Affairs by an individual or organization in any campaign or drive for money or articles for the purpose of making a donation to the Department of Veterans Affairs. This restriction does not preclude discussion with the individual offering the gift relative to the appropriateness of the gift offered.

§ 38.617 Prohibition of interment or memorialization of persons who have been convicted of Federal or State capital crimes.

(a) *Prohibition.* The interment in a national cemetery under the control of the National Cemetery Administration of the remains, or the memorialization, of any of the following persons is prohibited:

(1) Any person identified to the Secretary of Veterans Affairs by the United States Attorney General, prior to approval of interment or memorialization, as an individual who has been convicted of a Federal capital crime and sentenced to death or life imprisonment as a result of such crime.

(2) Any person identified to the Secretary of Veterans Affairs by an appropriate State official, prior to approval of interment or memorialization, as an individual who has been convicted of a State capital crime and sentenced to death or life imprisonment without parole as a result of such crime.

(3) Any person found under procedures specified in § 38.618 to have committed a Federal or State capital crime but have avoided conviction of such crime by reason of unavailability for trial due to death or flight to avoid prosecution.

(b) *Notice.* The prohibition referred to in paragraph (a)(3) of this section is not contingent on receipt by the Secretary of Veterans Affairs or any other VA official of notice from any Federal or State official.

(c) *Receipt of notification.* The Under Secretary for Memorial Affairs is delegated authority to receive from the United States Attorney General and appropriate State officials on behalf of the Secretary of Veterans Affairs the notification of conviction of capital crimes referred to in paragraphs (a)(1) and (2) of this section.

(d) *Decision where notification previously received.* Upon receipt of a request for interment or memorialization, where the Secretary of Veterans Affairs has received the notification referred to in paragraph (a)(1) or (2) of this section with regard to the deceased, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38 U.S.C. 2411.

(e) *Inquiry.* (1) Upon receipt of a request for interment or memorialization, where the Secretary of Veterans Affairs has not received the notification referred to in paragraph (a)(1) or (a)(2) of this section with regard to the deceased, but the cemetery director has reason to believe that the deceased may have been convicted of a Federal or State capital crime, the cemetery director will initiate an inquiry to either:

(i) The United States Attorney General, in the case of a Federal capital crime, requesting notification of whether the deceased has been convicted of a Federal capital crime for which the deceased was sentenced to death or life imprisonment; or

(ii) An appropriate State official, in the case of a State capital crime, requesting notification of whether the deceased has been convicted of a State capital crime for which the deceased was sentenced to death or life imprisonment without parole.

(2) The cemetery director will defer decision on whether to approve interment or memorialization until after a response is received from the Attorney General or appropriate State official.

(f) *Decision after inquiry.* Where an inquiry has been initiated under paragraph (e) of this section, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38 U.S.C. 2411 upon receipt of the notification requested under that paragraph, unless the cemetery director initiates an inquiry pursuant to § 38.618(a).

(g) *Notice of decision.* Written notice of a decision under paragraph (d) or (f) of this section will be provided by the cemetery director to the personal representative of the deceased, along with written notice of appellate rights in accordance with § 19.25 of this title. This notice of appellate rights will include notice of the opportunity to file a notice of disagreement with the decision of the cemetery director. Action following receipt of a notice of disagreement with a denial of eligibility for interment or memorialization under this section will be in accordance with §§ 19.26 through 19.38 of this title.

(Authority: 38 U.S.C. 512, 2411, 7105)

§ 38.618 Findings concerning commission of a capital crime where a person has not been convicted due to death or flight to avoid prosecution.

(a) *Inquiry.* With respect to a request for interment or memorialization, if a cemetery director has reason to believe that a deceased individual who is otherwise eligible for interment or memorialization may have committed a Federal or State capital crime, but avoided conviction of such crime by reason of unavailability for trial due to death or flight to avoid prosecution, the cemetery director, with the assistance of the VA regional counsel, as necessary, will initiate an inquiry seeking information from Federal, State, or local law enforcement officials, or other sources of potentially relevant information. After completion of this inquiry and any further measures required under paragraphs (c), (d), (e), and (f) of this section, the cemetery director will make a decision on the request for interment or memorialization in accordance with paragraph (b), (e), or (g) of this section.

(b) *Decision approving request without a proceeding or termination of a claim by personal representative without a proceeding.* (1) If, after conducting the inquiry described in paragraph (a) of this section, the cemetery director determines that there is no clear and convincing evidence that

the deceased committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, and the deceased remains otherwise eligible, the cemetery director will make a decision approving the interment or memorialization.

(2) If the personal representative elects for burial at a location other than a VA national cemetery, or makes alternate arrangements for burial at a location other than a VA national cemetery, the request for interment or memorialization will be considered withdrawn and action on the request will be terminated.

(c) *Initiation of a proceeding.* (1) If, after conducting the inquiry described in paragraph (a) of this section, the cemetery director determines that there appears to be clear and convincing evidence that the deceased has committed a Federal or State capital crime of which he or she was not convicted by reason of unavailability for trial due to death or flight to avoid prosecution, the cemetery director will provide the personal representative of the deceased with a written summary of the evidence of record and a written notice of procedural options.

(2) The notice of procedural options will inform the personal representative that he or she may, within 15 days of receipt of the notice:

(i) Request a hearing on the matter;

(ii) Submit a written statement, with or without supporting documentation, for inclusion in the record;

(iii) Waive a hearing and submission of a written statement and have the matter forwarded immediately to the Under Secretary for Memorial Affairs for a finding; or

(iv) Notify the cemetery director that the personal representative is withdrawing the request for interment or memorialization, thereby, closing the claim.

(3) The notice of procedural options will also inform the personal representative that, if he or she does not exercise one or more of the stated options within the prescribed period, the matter will be forwarded to the Under Secretary for Memorial Affairs for a finding based on the existing record.

(d) *Hearing.* If a hearing is requested, the Director, Memorial Services Network will conduct the hearing. The purpose of the hearing is to permit the personal representative of the deceased to present evidence concerning whether the deceased committed a crime which would render the deceased ineligible for interment or memorialization in a national cemetery. Testimony at the hearing will be presented under oath, and the personal representative will

have the right to representation by counsel and the right to call witnesses. The VA official conducting the hearing will have the authority to administer oaths. The hearing will be conducted in an informal manner and court rules of evidence will not apply. The hearing will be recorded on audiotape and, unless the personal representative waives transcription, a transcript of the hearing will be produced and included in the record.

(e) *Decision of approval or referral for a finding after a proceeding.* Following a hearing or the timely submission of a written statement, or in the event a hearing is waived or no hearing is requested and no written statement is submitted within the time specified:

(1) If the cemetery director determines that it has not been established by clear and convincing evidence that the deceased committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, and the deceased remains otherwise eligible, the cemetery director will make a decision approving interment or memorialization; or

(2) If the cemetery director believes that there is clear and convincing evidence that the deceased committed a Federal or State capital crime of which he or she was not convicted due to death or flight to avoid prosecution, the cemetery director will forward a request for a finding on that issue, together with the cemetery director's recommendation and a copy of the record to the Under Secretary for Memorial Affairs.

(f) *Finding by the Under Secretary for Memorial Affairs.* Upon receipt of a request from the cemetery director under paragraph (e) of this section, the Under Secretary for Memorial Affairs will make a finding concerning whether the deceased committed a Federal or State capital crime of which he or she was not convicted by reason of unavailability for trial due to death or flight to avoid prosecution. The finding will be based on consideration of the cemetery director's recommendation and the record supplied by the cemetery director.

(1) A finding that the deceased committed a crime referred to in paragraph (f) of this section must be based on clear and convincing evidence.

(2) The cemetery director will be provided with written notification of the finding of the Under Secretary for Memorial Affairs.

(g) *Decision after finding.* Upon receipt of notification of the finding of the Under Secretary for Memorial Affairs, the cemetery director will make a decision on the request for interment or memorialization pursuant to 38

U.S.C. 2411. In making that decision, the cemetery director will be bound by the finding of the Under Secretary for Memorial Affairs.

(h) *Notice of decision.* The cemetery director will provide written notice of the finding of the Under Secretary for Memorial Affairs and of a decision under paragraph (b), (e)(1), or (g) of this section. With notice of any decision denying a request for interment or memorialization, the cemetery director will provide written notice of appellate rights to the personal representative of the deceased, in accordance with § 19.25 of this title. This will include notice of the opportunity to file a notice of disagreement with the decision of the cemetery director and the finding of the Under Secretary for Memorial Affairs. Action following receipt of a notice of disagreement with a denial of eligibility for interment or memorialization under this section will be in accordance with §§ 19.26 through 19.38 of this title.

§ 38.621 Disinterments.

(a) Interments of eligible decedents in national cemeteries are considered permanent and final. Disinterment will be permitted only for cogent reasons and with the prior written authorization of the National Cemetery Area Office Director or Cemetery Director responsible for the cemetery involved. Disinterment from a national cemetery will be approved only when all living immediate family members of the decedent, and the person who initiated the interment (whether or not he or she is a member of the immediate family), give their written consent, or when a court order or State instrumentality of competent jurisdiction directs the disinterment. For purposes of this section, “immediate family members” are defined as surviving spouse, whether or not he or she is remarried; all adult children of the decedent; the appointed guardian(s) of minor children; and the appointed guardian(s) of the surviving spouse or of the adult child(ren) of the decedent. (d) Any disinterment that may be authorized under this section must be

accomplished without expense to the Government.

(The reporting and recordkeeping requirements contained in paragraph (b) have been approved by the Office of Management and Budget under OMB control number 2900–0365)

§ 38.629 Outer Burial Receptacle Allowance.

(a) *Definitions—Outer burial receptacle.* For purposes of this section, an outer burial receptacle means a graveliner, burial vault, or other similar type of container for a casket.

(b) *Purpose.* This section provides for payment of a monetary allowance for an outer burial receptacle for any interment in a VA national cemetery where a privately-purchased outer burial receptacle has been used in lieu of a Government-furnished graveliner.

(c) *Second interments.* In burials where a casket already exists in a grave with or without a graveliner, placement of a second casket in an outer burial receptacle will not be permitted in the same grave unless the national cemetery director determines that the already interred casket will not be damaged.

(d) *Payment of monetary allowance.* VA will pay a monetary allowance for each burial in a VA national cemetery where a privately-purchased outer burial receptacle was used on and after October 9, 1996. For burials on and after January 1, 2000, the person identified in records contained in the National Cemetery Administration Burial Operations Support System as the person who privately purchased the outer burial receptacle will be paid the monetary allowance. For burials during the period October 9, 1996 through December 31, 1999, the allowance will be paid to the person identified as the next of kin in records contained in the National Cemetery Administration Burial Operations Support System based on the presumption that such person privately purchased the outer burial receptacle (however, if a person who is not listed as the next of kin provides evidence that he or she privately purchased the outer burial receptacle, the allowance will be paid instead to that person). No application is required to receive payment of a monetary allowance.

(e) *Amount of the allowance.* (1) For calendar year 2000 and each calendar year thereafter, the allowance will be the average cost, as determined by VA, of Government-furnished graveliners, less the administrative costs incurred by VA in processing and paying the allowance.

(i) The average cost of Government-furnished graveliners will be based

upon the actual average cost to the Government of such graveliners during the most recent fiscal year ending prior to the start of the calendar year for which the amount of the allowance will be used. This average cost will be determined by taking VA’s total cost during that fiscal year for single-depth graveliners which were procured for placement at the time of interment and dividing it by the total number of such graveliners procured by VA during that fiscal year. The calculation shall exclude both graveliners procured and pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners.

(ii) The administrative costs incurred by VA will consist of those costs that relate to processing and paying an allowance, as determined by VA, for the calendar year ending prior to the start of the calendar year for which the amount of the allowance will be used.

(2) For calendar year 2000 and each calendar year thereafter, the amount of the allowance for each calendar year will be published in the “Notices” section of the **Federal Register**. The **Federal Register** notice will also provide, as information, the determined average cost of Government-furnished graveliners and the determined amount of the administrative costs to be deducted.

(3) The published allowance amount for interments which occur during calendar year 2000 will also be used for payment of any allowances for interments which occurred during the period from October 9, 1996 through December 31, 1999.

(Authority: 38 U.S.C. 2306(d))

§ 38.630 Headstones and markers.

(a) Types of Government headstones and markers and inscriptions will be in accordance with policies approved by the Secretary.

(b) Inscriptions on Government headstones, markers, and private monuments will be in accordance with policies and specifications of the Under Secretary for Memorial Affairs.

(c) A memorial headstone or marker furnished for a deceased veteran by the Government may be erected in a private cemetery or in a national cemetery section established for this purpose. The headstones or markers for national cemeteries will be of the standard design authorized for the cemetery in which they are to be erected. In addition to the authorized inscription, the words “In Memory Of” are mandatory.

(Authority: 38 U.S.C. 501)

§ 38.631 Graves marked with a private headstone or marker.

(a) VA will furnish an appropriate Government marker for the grave of a decedent described in paragraph (b) of this section, but only if the individual requesting the marker certifies on VA Form 40-1330 that it will be placed on the grave for which it is requested or, if placement on the grave is impossible or impracticable, as close to the grave as possible within the grounds of the private cemetery where the grave is located.

(b) The decedent referred to in paragraph (a) of this section is one who:
