AGENCY: U.S. Election Assistance Commission (EAC).

ACTION: Notice.

SUMMARY: Pursuant to sections 253(b)(2) and 255(b) of the Help America Vote Act (HAVA), Public Law 107-252, the U.S. Election Assistance Commission (EAC) hereby causes to be published in the **Federal Register** the State administrative complaint procedures submitted by thirty-one States that had not included these procedures in their State plans previously published by EAC in the **Federal Register**.

DATES: This notice is effective upon publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Bryan Whitener, Telephone 202-566-3100 or 1-866-747-1471 (toll-free).

Submit Comments: Any comments regarding the procedures published herewith should be made in writing to the chief election official of the individual States at the address listed below.

SUPPLEMENTARY INFORMATION: HAVA section 253(b)(2) requires States, as a condition of receiving requirements payments in accordance with HAVA sections 251 and 252, to have filed with EAC a plan for the implementation of the uniform, nondiscriminatory administrative complaint procedures required under HAVA section 402 (or to have included such a plan in the State plan filed under HAVA section 254), and to have such procedures in place. If the State did not include such an implementation plan in its State plan, HAVA section 253(b)(2) requires that the requirements of HAVA sections 255(b) and 256 apply to the complaint procedures implementation plan. HAVA section 256 requires the State to make a preliminary version of the plan available for public inspection and comment for thirty days, to publish notice that the plan is so available, and to take public comments into account in preparing the complaint procedures implementation plan filed with EAC. HAVA section 255(b) requires EAC to publish the plan in the **Federal Register**, after the required State public comment period.

On March 24, 2004, the EAC published in the **Federal Register** the original HAVA State plans filed by the fifty States, the District of Columbia and the Territories of American Samoa, Guam, Puerto Rico, and the U.S. Virgin

Islands. 69 FR 14002. Twenty-one States included their administrative complaint procedures in their original HAVA State plans. On September 30, 2004, EAC published in the **Federal Register** amendments to the State plans submitted by Nevada and South Carolina that also included the States' administrative complaint procedures. 69 FR 58630. On March 11, 2005, EAC published in the **Federal Register** amendments to Oklahoma's State plan that also included the State's administrative complaint procedures. 70 FR 12356. Another thirty-one States have submitted plans to implement the administrative complaint procedures separately from any State plans filed with EAC. These implementation plans are published herein, in accordance with HAVA sections 253(b)(2) and 255(b).

EAC notes that the plans to implement State administrative complaint procedures that are published herein include only those that have already met the notice and comment requirements of HAVA section 256, as required by HAVA section 253(b)(2). EAC wishes to acknowledge the effort that went into the developing these implementation plans and encourages further public comment, in writing, to the State election official of the individual States listed below.

If a division employee has been designated or hearing officer has been appointed under 6 AAC 25.440(a) (2) or (a)(3), that person shall review the record and prepare a proposed determination as to whether a violation of 42 U.S.C. 15481 - 15483 has been established, based upon a preponderance of the evidence standard. As part of the remedy, the director may include an order requiring any respondent to take specified action, or prohibiting any respondent from taking specified action, with respect to a past or future election. However, the director will not award money damages, attorney fees, or costs as part of a remedy.
- (d) If the complaint is not timely, or if the director determines that a violation has not occurred or that the evidence is insufficient to establish a violation, the director will dismiss the complaint.
- (e) The director will explain in a written decision the reasons for a determination and for any remedy selected.
- (f) Except as specified in 6 AAC 25.470, a final determination under (a) or (b) of this section will be issued within 90 days after the complaint was filed, unless the complainant consents in writing to an

extension. However, if a hearing officer is appointed under 6 AAC 25.440(a) (3), the hearing officer shall present a proposed determination to the director within 120 days after the complaint was filed, and the director will issue a final determination within 150 days after the complaint was filed. - 6 AAC 25.470. Alternative dispute resolution through a hearing officer (a) If a hearing officer has not already been appointed under 6 AAC 25.440(a) (3), and if the director has not made a final determination within 90 days after the complaint was filed, or within any extension to which the complainant consents under 6 AAC 25.460(f), the director will appoint a hearing officer from outside the division to review or hear the complaint, and to prepare a proposed determination for the director's consideration. The hearing officer may not be, and may not have been, directly involved in the actions or events that are the subject of the complaint.
- (b) The hearing officer shall review the record compiled in connection with the complaint, including the tape or electronic recording of any hearing, any transcript of a hearing, and any briefs or memoranda. As necessary to prepare a proposed determination, the hearing officer may request that the parties present additional briefs or memoranda.
- (c) After review of the record and any additional briefs or memoranda requested under (b) of this section, the hearing officer shall prepare a proposed determination as to whether a violation of 42 U.S.C. 15481 - 15485 has been established, based upon a preponderance of the evidence standard. The hearing officer shall present the proposed determination to the director within 120 days after the complaint was filed. After review of the record, the director will adopt the proposed determination as the final determination, adopt the proposed determination with modifications as the final determination, or reject the proposed determination within 130 days after the complaint was filed. determination will be mailed to the complainant, each respondent, and any other interested person who has asked in writing to be advised of the final determination. It will also be posted on the division's Internet web site and made available on request to any interested person.

HELP AMERICA VOTE ACT OF 2002, TITLE IV, SECTION 402

SECTION 1. SCOPE.

The secretary of state has a statewide complaint system to address complaints involving a violation of any provision of Title III of the Help America Vote Act of 2002 (HAVA) [42 U.S.C. §§15481-15485]. The statewide system will provide secure online access and phone call center access for complaint processing to the secretary of state or a designee. The system also provides secure online review of the complaint by the submitter. Upon receiving the formal complaint in the secretary of state's office either by mail or hand delivery, the secretary of state's office shall begin the resolution process.

Under this process any person may file a complaint who believes that there has been a violation, a violation is occurring, or a violation will be occurring related to any provision of Title III of HAVA. These procedures shall be uniform and non-discriminatory. If under these procedures the secretary of state determines that there is a HAVA Title III Violation, an appropriate remedy shall be provided to the extent permitted by law. If the secretary of state determines that the complaint does not allege a HAVA Title III Violation, the secretary of state may dismiss the complaint or refer it to the proper agency for resolution.

SECTION 2. DEFINITIONS.

- 1) "Complainant" means any person who files a complaint with the secretary of state under the State of Arizona Grievance Process.
2) "HAVA Title III Violation" means an act contrary to a party's statutory rights regarding voting system standards, provisional voting procedures, voter registration procedures, and operational standards of the statewide voter registration system as found in A.R.S. § 16-168(K) and Title III of HAVA. It does not mean non-Title III election law matters, including a candidate's ballot access or campaign finance matters.
3) "Person" means any individual residing in the State of Arizona at the time the complaint is filed.
4) "Respondent" means any person or entity, who is named in a complaint under these provisions, and is alleged to have violated, is violating, or is about to violate any provision of Title III of HAVA.
5) "Title III" means Title III of the Help America Vote Act of 2002, Public Law 107-252, 116 Stat. 1666 (2002), codified at 42 United States Code §§ 15481-15485.

SECTION 3. FORM OF COMPLAINT.

- 1) A complaint filed under this procedure shall be in writing, notarized, signed and sworn to. A standardized form for the complaint is available by any of the following methods: on the secretary of state's web site at www.azsos.gov, from the election official in the complainant's county of residence, or it can be mailed at the request of the complainant. The form provided by the secretary of state is available in both English and Spanish and is accessible to persons with disabilities.
- 2) The complainant may use any other written document to submit the complaint provided that it satisfies the requirements of subsection 1 and includes a description of the alleged violation which has occurred, is occurring, or is about to occur and indicates whether a hearing is requested.

SECTION 4. INSTRUCTIONS FOR FILING.

- 1) Where to File. The complaint may be filed in person or by mail at the Arizona Secretary of State's Office, 1700 West Washington, 7th Floor, Phoenix, Arizona 85007, or 400 West Congress, 2nd Floor, Room 252, Tucson, Arizona 85701. Forms cannot be accepted by e-mail or facsimile.
- 2) When to File. Any person may file a complaint who believes that there has been a violation, a violation is occurring, or a violation will be occurring related to any provision of Title III of HAVA. A complaint may be filed up to but no more than 60 days following the occurrence of the alleged violation of Title III.

SECTION 5. PROCESSING OF COMPLAINT.

- 1) Consolidation. In the event the complaint raises common questions of law and fact to other pending complaints, the secretary of state may consolidate the complaints and notify the complainants of the changed status.
- 2) Notice to Respondents. Within 5 business days of receiving a complaint in the secretary of state's office, the secretary of state shall notify all respondents of the allegations made in the complaint. This subsection shall not apply if the secretary of state has reason to believe that notifying a respondent or respondents of the complaint filed might compromise a criminal investigation or prosecution or other enforcement action by any local, state or federal agency.

SECTION 6. HEARING.

- 1) Within 5 business days of receiving a complaint in the secretary of state's office that requests a hearing, the secretary of state shall notify the Office of Administrative Hearings in accordance with Arizona Administrative Code (A.A.C.) R2-19-103 to schedule a hearing.

- 2) The hearing shall be conducted no sooner than 10 days and no later than 60 days after the secretary of state receives the complaint in the secretary of state's office.

SECTION 7. FINAL DETERMINATION.

The secretary of state or the secretary of state's designee may accept, reject or modify the decision of the administrative law judge pursuant to A.R.S. § 41-1092.08(D) and such action shall constitute the final determination with respect to the complaint. The secretary of state shall give notice to all parties involved of this determination. The final determination shall be made within 90 days of the filing of the complaint with the secretary of state unless the complainant consents to a longer period.

SECTION 8. ALTERNATIVE DISPUTE RESOLUTION.

- 2) On or before the 5th business day after a final determination was due, the secretary of state shall designate in writing an administrative law judge who shall be a neutral party not associated with the complainant or any respondent.
- 3) The administrative law judge may review the record compiled in connection with the complaint, but need not receive additional testimony or evidence. The administrative law judge may request that the parties present additional briefs, memoranda or oral testimony.
- 4) Subject to the provisions of Section 9, the administrative law judge shall determine the appropriate remedy for the complaint to the extent provided by law.

Colorado

The Colorado Secretary of State developed and implemented a uniform, non-discriminatory administrative complaint system process required under the Help America Vote Act 42 U.S.C. 15301, sec.402 (2002) ("HAVA") and as proposed in the State Plan published in the *Federal Register* in March 2004. This process was in place by January 1, 2004, and the State Plan as published in the *Federal Register* should be updated to reflect implementation of the originally proposed plan.

Colorado's administrative complaint process meets the following requirements:

- Procedures are uniform and nondiscriminatory;
- Any person who believes there is a violation of Title III may file a complaint;
- Complaints are to be in writing and notarized, signed and sworn by the person filing the complaint, and may be filed and resolved locally or with the Secretary of State;
- Complaints may be easily tracked by interested parties;
- The state may consolidate complaints;
- At complainant's request, there shall be a hearing on the record;
- The state shall provide an appropriate remedy if it finds a violation has occurred and publish the results;
- If no violation is found, the complaint shall be dismissed and the results published;
- Complaints shall have a final resolution within 90 days of the complaint being filed, unless the complainant consents to a longer period;
- If the complaint cannot be resolved within that period, an alternative dispute resolution procedure must be provided and resolved within 60 days;
- A determination may be appealed by the aggrieved party within 30 days, in state district court;
- Timelines for the filing and disposition/resolution of a complaint follow federal and state laws.

(See §1-1.5-105, 1 Colorado Revised Statutes (2003).)

Help America Vote Act, Title III: Administrative Complaint Procedures

Submission Process:

- The HAVA Title III complaint may be received by the Secretary of State's office or the designated election official's office.
 - Complaints must be filed within one year from the date of the alleged violation or the election, whichever is later.
- The complaint must be in writing and may be submitted on a form designated by the Secretary of State [or attached] or in a letter written by the complainant. The letter shall contain the following:
 - a) The complainant's name;
 - b) The complainant's full residence address, including county, and mailing address (if different from residence);
 - c) A description of the violation alleged with particularity and a reference to the section of Title III of HAVA alleged to have been violated;
 - d) A completed, notarized oath signed by the complainant where he or she states that the facts of the complaint are true and correct to the best of his or her knowledge and belief.

- Whenever possible, any completed complaints mailed to the Secretary of State or the designated election official shall be sent in a unique, distinguishable envelope as approved by the Secretary of State. This unique envelope shall be given to the complainant at the same time as the complaint form and instructions.
- Upon receipt of the HAVA complaint, the Secretary of State or designated election official shall note the date received and assign a unique tracking number on the complaint form. The Secretary of State's office shall establish a unique tracking number for its use, and the designated election official shall use the Secretary of State's county ID number for that county, the last two digits of the present year, and a sequence number according to the amount of complaints already received by the county, placing hyphens between groupings of numbers. (For example, the first one received would be the two digit county number-last two digits of the year-03 with 01, 02, 03, etc. numbering any sequential complaints).
- If the complaint is received by the Secretary of State's office, the unique tracking number shall be added to the form and the form shall be faxed to the designated election official in the county where the alleged violation occurred. The complainant shall receive a copy of the submitted complaint with all check-in notations and tracking numbers included.
- If the complaint is received by the designated election official, the county tracking number shall be added to the form and the form shall be faxed to the Secretary of State's office within one business day. The complainant shall receive a copy of the submitted complaint with all check-in notations and tracking numbers included. The original complaint form shall be hand delivered or mailed to the Secretary of State's office, and a copy shall be retained by the designated election official.
- Any original mailed complaints sent by the designated election official and received by the Secretary of State's office shall be sent in a unique, distinguishable mailing envelope as approved by the Secretary of State. This unique envelope will ensure that the complaint is easily recognizable and will be processed in a timely manner.
- If the complaint is received by the designated election official and the original sent to the Secretary of State's office, the Secretary of State's office shall notify the designated election official, either by fax or letter, of the office's unique tracking number when the form is received at the Secretary of State's office. His official notification may be used for documentation purposes.
- The designated election official shall not make any determination as to the validity of the alleged complaint during the submission process, but shall forward all information to the Secretary of State's office. The county may, however, begin researching the alleged violation on the local level once the complaint is received.
- Any information gathered by the designated election official shall be documented with specific details, including the date, and shall be used for reference purposes.

Review Process:

Under the Review Process, the Secretary of State has several options available:

- Local Resolution
- Resolution/Remedy without a hearing
- Dismissal
- Consolidation
- Extension
- Hearing
- Determination
- Alternative Dispute Resolution (ADR)
 - This procedure is required if the Secretary of State does not issue a final determination concerning the complaint within 90 days.
 - An agreement has been made between the Colorado Judicial Office of Dispute Resolution and the Secretary of State to address these ADR requirements.

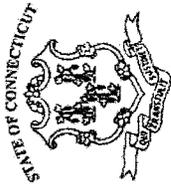

The Code of Colorado Regulations, 8CCR 1505-3, Rule 1, Declaratory Orders, have been modified and drafted into rules for the HAVA Administrative Complaint Procedure.

Appeal Process:

Within 30 days following the final determination by the Secretary of State, an aggrieved party may appeal the Secretary's determination to the District Court in and for the City and County of Denver.

House Bill No. 5500

Public Act No. 04-74

AN ACT CONCERNING COMPLIANCE WITH THE FEDERAL HELP AMERICA VOTE ACT.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 9-323 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

Any elector or candidate who claims that he is aggrieved by any ruling of any election official in connection with any election for presidential electors and for a senator in Congress and for representative in Congress or any of them, held in his town, or that there was a mistake in the count of the votes cast at such election for candidates for such electors, senator in Congress and representative in Congress, or any of them, at any voting district in his town, or any candidate for such an office who claims that he is aggrieved by a violation of any provision of sections 9-355, 9-357 to 9-361, inclusive, as amended, 9-364, 9-364a or 9-365 in the casting of absentee ballots at such election, may bring his complaint to any judge of the Supreme Court, in which he shall set out the claimed errors of such election official, the claimed errors in the count or the claimed violations of said sections. In any action brought pursuant to the provisions of this section, the complainant shall send a copy of the complaint by first-class mail, or deliver a copy of the complaint by hand, to the State Elections Enforcement Commission. If such complaint is made prior to such election, such judge shall proceed expeditiously to render judgment on the complaint and shall cause notice of the hearing to be given to the Secretary of the State and the State Elections Enforcement Commission. If such complaint is made subsequent to the election, it shall be brought within fourteen days of the election and such judge shall forthwith order a hearing to be had upon such complaint, upon a day not more than five nor less than three days from the making of such order, and shall cause notice of not less than three nor more than five days to be given to any candidate

or candidates whose election may be affected by the decision upon such hearing, to such election official, to the Secretary of the State, to the State Elections Enforcement Commission and to any other party or parties whom such judge deems proper parties thereto, of the time and place for the hearing upon such complaint. Such judge, with two other judges of the Supreme Court to be designated by the Chief Court Administrator, shall, on the day fixed for such hearing and without unnecessary delay, proceed to hear the parties. If sufficient reason is shown, such judges may order any voting machines to be unlocked or any ballot boxes to be opened and a recount of the votes cast, including absentee ballots, to be made. Such judges shall thereupon, in the case they, or any two of them, find any error in the rulings of the election official, any mistake in the count of such votes or any violation of said sections, certify the result of their finding or decision, or the finding or decision of a majority of them, to the Secretary of the State before the first Monday after the second Wednesday in December. Such judges may order a new election or a change in the existing election schedule, provided such order complies with Section 302 of the Help America Vote Act, P.L. 107-252, as amended from time to time. Such certificate of such judges, or a majority of them, shall be final upon all questions relating to the rulings of such election officials, to the correctness of such count and, for the purposes of this section only, such claimed violations, and shall operate to correct the returns of the moderators or presiding officers so as to conform to such finding or decision.

Sec. 2. Section 88 of public act 03-6 of the June 30 special session is repealed and the following is substituted in lieu thereof (*Effective from passage*):

Immediately after the close of the polls, the moderator shall seal the provisional ballot depository envelope and deliver such envelope to the registrars of voters of the town. The registrars of voters shall forthwith verify the information contained with each provisional ballot. If the registrars of voters determine that the applicant is eligible to vote, they shall note their decision on the outer envelope of the ballot and open and count the provisional ballot in accordance with the provisions of sections [55 to 61] 83 to 89, inclusive of [this act] public act 03-6 of the June 30 special session* and procedures prescribed by the Secretary of the State. If the registrars of voters are unable to determine that the applicant is eligible to vote or determine that the applicant is not eligible to vote, the applicant's provisional ballot sealed envelope shall be marked "rejected", along with the reason for such rejection, and signed by the registrars of voters. The registrars of voters shall verify and count all provisional ballots in their town not later than six days after the election or primary. The registrars of voters shall forthwith prepare and sign in duplicate a report showing the number of provisional ballots received from electors, the number rejected and the number counted, and showing the additional votes counted for each candidate for federal

office on the provisional ballots. The registrars of voters shall file one report with the town clerk and shall seal one in the depository envelope with the provisional ballots and file such depository envelope with the town clerk. The depository envelope shall be preserved by the town clerk for the period of time required to preserve counted absentee ballots for federal elections. The head moderator shall forthwith file a corrected return for federal offices with the town clerk and the Secretary showing (1) the final votes after any recanvass, pursuant to sections 9-311 to 9-311b, inclusive, the votes on provisional ballots and the totals, and (2) the number of provisional ballots received from electors, the number rejected and the number counted, as reported by the registrars of voters.

Sec. 3. Subsection (a) of section 9-261 of the general statutes, as amended by section 101 of public act 03-6 of the June 30 special session, is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) In each primary, election or referendum, when an elector has entered the polling place, the elector shall announce the elector's street address, if any, and the elector's name to the checkers in a tone sufficiently loud and clear as to enable all the election officials present to hear the same. Each elector who registered to vote by mail for the first time on or after January 1, 2003, and has a "mark" next to the elector's name on the official registry list, as required by section [91] 90 of [this act] public act 03-6 of the June 30 special session, shall present to the checkers, before the elector votes, either a current and valid photo identification that shows the elector's name and address or a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the elector. Each other elector shall (1) present to the checkers the elector's Social Security card or any other preprinted form of identification which shows the elector's name and either the elector's address, signature or photograph, or (2) on a form prescribed by the Secretary of the State, write the elector's residential address and date of birth, print the elector's name and sign a statement under penalty of false statement that the elector is the elector whose name appears on the official checklist. Such form shall clearly state the penalty of false statement. A separate such form shall be used for each elector. If the elector presents a preprinted form of identification under subdivision (1) of this subsection, the checkers shall check the name of such elector on the official checklist. If the elector completes the form under subdivision (2) of this subsection, the assistant registrar of voters shall examine the information on such form and either instruct the checkers to check the name of such elector on the official checklist or notify the elector that the form is incomplete or inaccurate.

- b) Upon the filing of a complaint, the office of the General Counsel shall assign a docket number to the complaint and proceeding, and all documents thereafter

shall be presented to the Board for a final determination of its status. In addition, the Complainant shall be notified in writing of the General Counsel's determination of the complaint's invalidity and be given an opportunity to appear before the Board to show cause as to why the complaint should not be dismissed. The decision of the Board as to the status of the complaint shall be in the form of a Final Order subject to appeal under the provisions of Section 9-22 of the Code. As an alternative to summary dismissal of the complaint, the Board may determine that the complaint alleges a violation of the Code and refer it for investigation to the appropriate division of the Board or to the appropriate Election Authority or law enforcement agency.

c) After a determination by the General Counsel that the complaint meets the criteria set out in Subsection a) above, and upon the written request of the Complainant, the Board shall appoint a Hearing Examiner to conduct a Closed Preliminary Hearing. This Hearing shall be held to determine whether the complaint is well grounded in fact and law. Such request must be a part of or accompany the complaint when filed. Following the Hearing, the Hearing Examiner shall make a written recommendation as to whether the complaint is well grounded in fact and law and a copy of the recommendation shall be given to the General Counsel for his recommendation and to both parties to the complaint. Upon receipt of the recommendation of the Hearing Examiner and the General Counsel, the Board shall make a final determination as to the merits of the complaint and shall make a decision as to what, if any action should be taken as a result of the complaint. d) Should the Complainant fail to request a Hearing, the Board shall appoint a Hearing Examiner to make a recommendation based solely on the complaint, any evidence submitted with the complaint and any response offered by the Respondent as to whether the complaint is well grounded in fact and law. The Hearing Examiner shall allow the Respondent an opportunity for a Hearing to present evidence supporting any offered defense (both documentary and/or testimonial) prior to the Hearing Examiner submitting the recommendation to the General Counsel. The Complainant shall be given notice and an opportunity to be present and participate in the Hearing; however, failure of the Complainant to appear at such Hearing shall not factor into the Hearing Examiner's recommendation as to whether the complaint is well grounded in fact and law. The Hearing Examiner, after consideration of all evidence presented by the parties, shall prepare a written recommendation to be given to both the General Counsel for his recommendation and to both parties to the complaint. Upon receipt of the recommendation of the Hearing Examiner and the General Counsel, the Board shall make a final determination as to the merits of the complaint and shall make a decision as to what, if any action should be taken as a result of the complaint. The final determination and decision shall be in the form of a Final Order subject to appeal under the provisions of Section 9-22 of the Code.

e) The proceedings of the Hearing shall be recorded either by a certified court reporter or by means of an electronic recording device. Any party may provide

for their own recording of the proceedings of the Hearing utilizing a court reporter or any other recording device. Any associated costs however, shall be born by the party providing for the recording.

f) The Board shall render a final determination of the matters alleged in the complaint within 90 days of the filing of the complaint. Such time period may be extended by a written waiver of the Complainant. If the Board cannot resolve the issues raised in the complaint by the end of the 90 day period and no such waiver is provided by the Complainant, then the Board shall order the matter to be resolved by an alternative dispute resolution mechanism described in Section 125.945.

Section 125.835 Documents Pertaining to Hearings

Section 125.865 Appointment and Qualifications of Hearing Examiner

shall be deemed dismissed and shall constitute the determination of the panel.

7. The determination of the hearing panel will be final unless changed by the state board of elections pursuant to subdivision four of section 3-100 of this article. Within ninety days of the filing of the formal complaint, a final determination shall be filed and published by the state board of elections within ninety days after the filing of the formal complaint, unless the complainant agrees to a longer period of time. When a violation has been found, the final determination shall include an appropriate remedy for any violation of Title III of the Help America Vote Act of 2002 (HAVA) found by the state board of elections. A final determination dismissing a formal complaint may be filed by any one member of the hearing panel.

8. Whenever a final determination of a formal complaint is not made within ninety days, or any other longer agreed upon time period, the state board of elections shall refer the formal complaint to an independent, alternative dispute resolution agency. Such hearings and determinations shall be conducted by the alternative dispute resolution agency pursuant to regulations promulgated by the state board of elections pursuant to subdivision four of section 3-100 of this article. Such agency shall have sixty days, from the expiration of the original ninety day time period, or any other longer agreed upon time period, to make a final determination. The state board of elections shall contract, pursuant to subdivision four of section 3-100 of this article with one or more such alternative dispute resolution entities for this specific purpose.

9. No provision of this section shall be construed to impair or supersede the right of an aggrieved party to seek a judicial remedy including a judicial remedy concerning any final determination made pursuant to subdivision eight of this section. The state board of elections shall provide notice to all complainants of the provisions of this subdivision.

§ 3. This act shall take effect immediately.

- (B) The Secretary of State shall determine whether, under a preponderance of the evidence, a violation of Title III has been established. If the Secretary determines that no violation has been established, the complaint shall be dismissed.
- (C) Upon deciding a meritorious complaint, the Secretary of State shall order an appropriate remedy.
- (D) Upon the Secretary of State's entry of the final decision and order into the record, the Secretary shall also deliver the decision and order to the complainant by appropriate means, including proof of delivery, to the address provided by the complainant and to the other parties, if any.
- (E) If the final decision and order result in the dismissal of the complaint, the result of the procedures shall be published on the website of the Secretary of State.

- (D) The Secretary of State or the Secretary's designee shall consider all information filed and shall conduct an informal investigation of the complaint as appropriate, including contacting the persons alleged to have violated HAVA or alleged to be about to violate HAVA.
- (E) Based on the agency record, the Secretary of State or the Secretary's designee may enter a decision and order, which may include an appropriate remedy. When the decision is that no violation of HAVA, Title III, has or is about to occur, the complaint shall be dismissed and the results of the procedures published on the website of the Office of the Secretary of State.
- (F) The Secretary of State or the Secretary's designee shall send the decision and order to the complainant by appropriate means including proof of delivery to the address provided by the complainant.
- (G) The Secretary of State or the Secretary's designee simultaneously shall send a copy of the decision and order to the election official, if any, who was alleged, directly or indirectly, to have violated or be about to violate Title III of HAVA.
- (H) Along with the decision and order, the Secretary of State or the Secretary's designee shall notify the complainant of his or her right to request a hearing on the record if not satisfied. The request shall be in writing and received within 10 calendar days after the complainant's receipt of the decision and order. Such requests may be submitted by facsimile or e-mail as well.

Section 12. Administrative Hearing.

(A) An informal administrative hearing shall be conducted following timely receipt of a written request for a hearing on the record in accordance with Section 11(B) of this procedure.

(B) The Secretary of State or the Secretary's designee shall promptly establish a date, time, and location for the hearing. The hearing shall occur within a reasonable period of time. The hearing shall be open to the public.

(C) The Secretary of State or the Secretary's designee shall provide not less than five days notice of the hearing to the complainant, each respondent, and any other person who has requested notice in writing. Notice shall be provided by mail and by posting on the Secretary of State's Web site, and by such other means as the Secretary deems appropriate.

(D) The Secretary of State may preside over the hearing or may designate a hearing officer to conduct the matter and to prepare a recommended decision and order.

(E) Any complainant, respondent, or other person may file a written brief or memorandum within five business days of the conclusion of the hearing, but no responsive brief or memorandum will be accepted without authorization of the Secretary of State or the hearing officer.

(F) The Ohio Administrative Procedure Act, the Ohio Rules of Civil Procedure, the Ohio Rules of Evidence, and the Ohio Rules of Appellate Procedure shall not apply to these proceedings.

Section 13. Objectives and Procedure of Administrative Hearing.

- (A) The Secretary of State or the hearing officer has considerable discretion in how the hearing is conducted, although the overriding consideration is to provide a speedy, fair and efficient method by which the parties may be heard and the matter decided in order to support and effectuate the letter and spirit of HAVA.
- (B) The Secretary of State or the hearing officer shall have a copy of the record of the complaint(s) to be heard.

Section 17. Appropriate Remedies.

- (A) The Secretary of State has discretion to determine the nature of an appropriate remedy when a complaint has led to the establishment of a violation of Title III of HAVA.
- (B) An appropriate remedy may detail actions to be taken or procedures to be followed by election officials, and it may include a corrective action plan.
- (C) The officials required to take the corrective action shall report to the Secretary of State or his designee the steps taken in accordance with the requirements and schedule provided in the decision and order.
- (D) Appropriate remedies are limited to those which are designed to assure compliance with Title III of HAVA. The remedy may not include any award of monetary damages, costs, or attorney fees, and may not include the invalidation of any primary or election or a determination of the validity of any ballot or vote. Remedies addressing the validity of any primary or election or of any ballot or vote may be obtained only as otherwise provided by law.
- (E) A complaint filed pursuant to this chapter does not constitute an election contest pursuant to sections 3513.08 through 3515.16, inclusive, of the Revised Code of Ohio.

Section 18. Time Allowed for Entire Process.

- (A) The State has 90 days within which to make a final determination with respect to a complaint. The period begins with the date of the filing of the complaint.
- (B) The time limit may be extended only with consent of the complainant and all opposing parties, if there are any.
- (C) When multiple complaints that have been consolidated, all deadlines in these rules shall be determined by the date the last complaint was filed.
- (D) When multiple complaints have been consolidated, an extension of time shall apply only to those complainants who have consented to the extension of time.
- (E) Consent for an extension of time shall be in writing and filed with the Secretary of State before the 90-day period expires.
- (F) The Secretary of State or the hearing officer is authorized to grant reasonable extensions of time at the request of the parties as qualified above.

Section 19. Results of Failure to Conclude the Hearing Process within the Time Allowed.

- (A) When a complaint has not been finally resolved within the 90-day period, the Secretary of State must refer the complaint to the local bar association, state bar association, or a third party certified Alternative Dispute Resolution (ADR) professional to be resolved within 60 days under alternative dispute resolution procedures. The decision as to which of these to employ will be decided on a case-by-case basis which will take into account the conveniences of all interested parties as well as the efficiency of the process.
- (B) When complaints have been consolidated and some complainants have not consented to an extension of the 90-day deadline, their complaints shall be subject to separation from the others and treatment under this section.
- (C) The person designated to provide the ADR, hereafter referred to as the ADR hearing officer, shall have a copy of the agency record of the proceedings.

(D) With one exception, the ADR hearing officer shall adhere to this Election Complaint Procedure in resolving the complaint. The exception is that the ADR hearing officer may conduct an administrative hearing in accordance with the hearing procedures set forth in sections 119.07 through 119.13 of the Revised Code of Ohio, with time lines adjusted to fit the time allowed. Conduct of the hearing in accordance with these procedures does not alter the authority of the Secretary of State as the final decision maker.

(E) The ADR hearing officer shall conclude the matter as expeditiously as possible and shall forward his or her recommended decision and order to the Secretary of State within the time allowed by the Secretary of State.

(F) The Secretary of State shall enter the final decision and order no later than 60 calendar days after the expiration of the 90-day period.

HAVA Complaint Procedures
OAR 165-001-0090

(1) The purpose of this rule is to adopt procedures for the receipt and disposition of complaints filed with the Secretary of State, Elections Division alleging violations of Title III of the Help America Vote Act of 2002 (HAVA). The rule is intended to fully comply with all federal requirements for the complaint procedure, as described in Section 402 of HAVA (P.L. 107-252).

(2) The procedures described in this rule are to be used solely for complaints filed alleging a violation of Title III of HAVA. Title III includes voting system standards, accessibility of voting systems to persons with disabilities, instructions on correcting voting errors, identification requirements for voting in federal elections if registration was by mail, computerized voter registration, contents of registration forms and provisional voting.

(3) State and county elections officials are encouraged to resolve HAVA complaints informally if possible. If informal resolution is not possible, and a person wishes to file a formal HAVA complaint under this procedure, the person shall use the HAVA complaint form (SEL 820). The complaint will be accepted and processed only if made in writing, signed under oath by the person filing the complaint, and notarized. The complaint form must be filed directly with the Secretary of State, Elections Division. If the complaint is submitted to a county elections office, the county elections official shall promptly forward the original complaint to the Elections Division. The complaint shall be considered filed on the day it is received at the office of the Elections Division.

(4) Upon receipt of a complaint, the Elections Division staff will review the complaint to determine if it alleges a violation of Title III of HAVA. If the complaint does not allege a violation of Title III, the complaint will be dismissed, with a letter provided to the complainant explaining the reason for the dismissal. If the complainant alleges a violation of Title III, the complaint will be acknowledged in writing, and the complainant will be offered the opportunity to request a hearing on the record. A hearing on the record may be provided by telephone or in person. The Elections Division staff will then request information from other persons who may have information related to the substance of the complaint. When the responses are received, copies will be sent to the complainant to provide an opportunity for the complainant to respond or rebut the information provided. Unless the complainant requested a hearing on the record, or the Elections Division chooses to provide such a hearing because of the nature of the allegations and responses, the Division will prepare a determination letter based on the information provided. The determination letter will address whether any violation of Title III has occurred and address how to resolve the problem to avoid its occurrence in the future.

(5) If a hearing on the record is scheduled, the Division will decide whether the hearing is to be conducted by telephone or in-person. The complainant and other persons who have relevant information to provide will be invited to participate. The hearing will be conducted before an Elections Division employee. The purpose of the hearing is to determine whether any procedure required by Title III was not correctly followed, and to develop a plan to make sure the violation, if any, does not happen again. The hearing is to be conducted as a fact-finding, problem solving forum. A record must be kept, including copies of any documents submitted and minutes, a tape or other record of the hearing.

(6) Whether the complaint is resolved through the procedures of subsections (4) or (5) of this rule, the final determination will be prepared by the Elections Division. If the outcome of the proceeding requires the provision of a remedy, the remedy must conform to state elections law and will not include financial payments to complainants or civil penalties against other involved individuals. Remedies may include written findings that a violation of Title III has occurred, strategies for insuring that that violation does not occur again, and, if it appears that the complaint involves a systemic problem, possible actions by the Elections Division to provide better instructions, training or procedures to all election officials to avoid future violations.

(7) Final determination letters will be signed by the Secretary of State or Deputy Secretary of State. All determination letters will be posted on the Division's website. A copy of the final determination will be

provided to the complainant and to any other persons who provided information or participated in a hearing.

(8) The Division will handle all complaints filed under this rule in a way that allows a final determination to be issued within 90 days of the receipt of the complaint. If delays appear to put the 90 day deadline at risk, the Division may ask the complainant to provide an extension to complete the investigation or to conduct the hearing. If the complainant does not agree to provide an extension, the final determination must either be issued within the 90 days, or the matter must be referred to the dispute resolution process described in subsection (9).

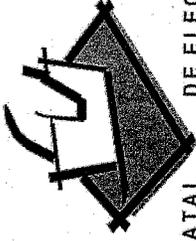

(9) The Division will provide an alternative dispute resolution process for complaints that are not resolved within 90 days of the filing of the complaint (unless an extension is granted by the complainant) or for complaints that the Division, in its sole discretion, determine warrant this level of review. The alternative dispute resolution process is intended to be a consensus or cooperative outcome procedure, not an arbitration or mediation process model with adversarial or parties. The Division will select a person from a panel of volunteers who agree to provide their services to convene a meeting of the interested parties to resolve a particular complaint or complaints. The panel member will then recommend an outcome to the Secretary, to be adopted within 60 days of the referral. The Secretary will adopt the recommendation, or a revised version of the recommendation, as appropriate. Final determinations reached following this alternative dispute resolution process shall be publicized and distributed in the manner described in subsection (7) of this rule.

(g) If the Secretary of State determines that no violation of a provision of Title III of HAVA has occurred, the Secretary of State shall inform the complainant in writing. The notice to the complainant shall inform the complainant of his or her right to a hearing.

(h) Upon the initial determination of the Secretary of State, whether or not a violation was found, the complainant may exercise his or her right to a hearing by making a written request for a hearing on the record, which shall be held at the Secretary of State's offices in Austin, unless otherwise determined by the Secretary of State. If the nature of the complaint concerns a matter over which the Secretary of State has direct authority, the hearing shall be conducted by the Secretary of State. The hearing shall proceed as follows:

- (1) The hearing shall be tape recorded, and the tape shall constitute the official record of the hearing.
- (2) Written notice of the hearing shall be given to all parties including the date, time, and place of the hearing, and notice shall be sent to the mailing addresses set out in the complaint. Notice must be sent at least seven (7) days prior to the date of the hearing.

- (4) The hearing may only be continued to a new date upon a determination of the Secretary of State that finds good cause, and in no event may it be continued more than once, or in no event may it be continued so as to make it difficult to issue a final determination within ninety (90) days of the filing of the complaint.
- (5) At the hearing, each party shall be given an opportunity to explain their positions, and present evidence to support their position. At the sole discretion of the Secretary of State, this presentation may include documents, witnesses, oral argument, and tangible items relevant to the determination of the complaint. The record of the hearing shall consist of the written complaint, the written response(s), the tape of the hearing, and any documents/exhibits introduced at the hearing.
- (6) If the Secretary of State permits witnesses to testify, they must be sworn in prior to their testimony being given.
- (7) If a complainant fails to appear at the hearing, the complaint shall be dismissed with prejudice.
- (i) If the Secretary of State fails to make a final determination within 90 days, which begins on the date the complaint is filed, unless the complainant consents to a longer period for making such determination, the complaint shall be resolved within 60 days under alternative dispute resolution procedures established for purposes of this section. The record and other materials from any proceedings conducted under the complaint procedures established under this section shall be made available for use under the alternative dispute resolution procedures.
- (j) The Secretary of State may consolidate complaints filed under this rule if the Secretary of State determines that the complaints concern the same violation.
- (k) Complaints, information filed with the Secretary of State in connection with complaints, and the Secretary of State's response to the complaint are public records.

Source Note: The provisions of this §81.171 adopted to be effective November 13, 2003, 28 TexReg 9801; amended to be effective July 1, 2004, 29 TexReg 6085

Pursuant to Section 31.010(b) of the Texas Election Code, the Secretary of State has sole jurisdiction to adjudicate alleged violations of Title III of the Help America Vote Act of 2002 (HAVA). Any person who believes that a violation of Title III of HAVA has occurred, is occurring, or is about to occur, may file a complaint. In order to initiate the complaint process, a sworn, written, signed and notarized complaint must be filed with the Secretary of State. The complaint must allege the violation with particularity, contain a reference to the section of HAVA alleged to have been violated, and identify the person or entity responsible for the alleged violation.

Administrative Complaint Procedure

Once a complaint is received, an employee of the Secretary of State will review it to determine if it (1) meets the requirements as to form and content and (2) identifies a violation of Title III of HAVA. We will also review the complaint to determine whether it alleges a Title III violation that falls within the direct authority of this office or within the authority of another jurisdiction, such as a county. If the complaint does not meet the requirements as to form and content, we will return it to you with an explanation as to its insufficiency. If the complaint meets the requirements, we will assign it a unique number and receipt date. We will mail you a notice that the complaint has been accepted. We will also mail the notice to all other concerned parties. We will make an initial determination of whether a Title III violation has occurred within 60 days after receiving the complaint. We will make a final determination of whether a violation occurred within 90 days after receiving the complaint. You have the right to request a hearing as part of this process. Hearings will be held at our offices in Austin, Texas. If we fail to make a final determination within 90 days after the original receipt of the complaint (or an extended period if we (1) determine that more time is required to resolve the issue and (2) you agree to the extension), you have the right to request resolution of the complaint under an alternative dispute resolution process as agreed upon by you, the Secretary of State, and the other parties to the dispute.

Pursuant to P.L. 107-252 "Help America Vote Act 2002 section (254 & 402) and Title 18 section 47 subsection 5, the Election System of the Virgin Islands, establishes the following procedures for the conducting of the Joint Boards of Elections responsibilities in the administration and enforcement of Title 18, Chapter 3 Virgin Islands Code.

SECTION 47-2 NON-DISCRIMINATION POLICY STATEMENT

The voting population of the Virgin Islands is a community of people with respect for diversity. The Election System of the Virgin Islands emphasizes the dignity and equality common to all persons and adheres to a strict nondiscrimination policy regarding the treatment of individuals. In accord with federal law and applicable Virgin Islands statutes, the Election System of the Virgin Islands does not discriminate on the basis of race, color, religion, sex, national origin, ancestry, age, disability, or veteran status in employment or in any program or activity offered by the agency. The Election System of the Virgin Islands maintains a administrative complaint procedure incorporating full due process and an appeal process to any person who believes there is a violation of any provision of Title III, this includes a violation which has occurred, is occurring, or is about to occur.

SECTION 47-3 FILING

(A) Filing of papers;

1. Any complaint filed under these procedures shall be in writing and notarized, and signed and sworn by the person filing the complaint. Supporting documentation may accompany the complaint.
2. The Territory may consolidate complaints filed under section 47-3(1)
3. At the request of the complainant, there shall be a hearing on the record, this request shall be made at the time of filing of papers.

VII. **Alternative Dispute Resolution:** If, for any reason, the Secretary does not make a final determination within ninety (90) days after the complaint was filed, or within any extension of time to which the complainant consents, the complaint shall be resolved under this section:

- A. The Secretary shall immediately designate a three-member arbitration panel which shall consider the complaint and any record previously created and reach a final determination by majority vote of the panel. If no record has been created, or the record is incomplete, the panel may receive evidence in accordance with the provisions contained in paragraph V, above.
- B. The panel shall issue a written, final determination within thirty (30) days of its designation.
- C. The final determination of the panel may be appealed to the superior court in the county in which an appellant resides.

SECTION 47-4 METHODS OF RESOLUTION AND PROCEDURES

(A) INFORMAL HEARING PROCEDURE;

1. The informal hearing is intended to affect a resolution of the matter by reconciling the parties' differences and/or rectifying the alleged action(s). If, after preliminary review of the matter, it is the judgment of the Supervisor of Elections that the Office of the Supervisor of Elections should not address the case, the informal procedure shall be terminated and the Supervisor of Elections shall advise the complainant of other available procedures that are available to them.
2. If the Supervisor of Elections finds that the Office of the Supervisor of Elections should address the complaint, the Supervisor of Elections will initiate the informal complaint procedure. The Supervisor of Elections may communicate directly with the respondent specifically outlining the alleged infractions and attempt to resolve the matter. If this resolves the complaint, no other person will be contacted. The Supervisor of Elections may also meet both parties, make inquiries to ascertain pertinent fact, and consult with others to facilitate the process. If, under this procedure, it is determined that there is a violation of any provision of Title III, an appropriate remedy shall be instituted. If, under this procedure, it is determined that there is no violation of any provision of Title III, the complaint shall be dismissed and the results of the procedures shall be published. If this option does not resolve the matter, all other options remain open to the complainant.

(B) FORMAL HEARING PROCEDURES;

1. The formal hearing procedure described below are established for those issues which remain unresolved after informal hearing has occurred, or in which the Supervisor of Election determines the alleged action is egregious to such a degree that a formal hearing is necessary.

(a) WRITTEN COMPLAINT

Any complaint filed under these procedures shall be in writing and notarized, and signed and sworn by the person filing the complaint. Supporting documentation may accompany the complaint. The complaint must contain a detailed description of the action being complained about, the name of the alleged offender(s). Further, the complaint must confirm the veracity of the allegations.

(b) NOTIFICATION

Within ten (10) business days of the receipt of a signed complaint, the Supervisor of Elections will notify the respondent of the complaint. In providing notice to the parties, the Supervisor of Elections will identify the pertinent policies and procedures involved and will explain the investigative process and the rights and responsibilities of all parties. Notice will be delivered by hand or certified mail. A copy of the written complaint or statement will also be provided to the respondent. The respondent will be provided an opportunity to make a formal statement in rebuttal. The respondent has ten (10) business days after receipt of the complaint in which to respond to the allegations in the complaint in writing and submit the reply to the Supervisor of Elections.

Within ten (10) business days of the receipt of the reply, the Supervisor of Elections shall discuss the reply with the complainant, and ask both the complainant and respondent if they will enter into mediation to resolve the complaint. If so, the Supervisor of Elections will initiate the mediation process within fifteen (15) business days of receiving the reply.

(c) INVESTIGATION

If the complaint is unresolved, or if either party refuses to the Supervisor of Elections, or a qualified designee, will act as investigator. If the respondent elects not to participate in the formal resolution process, the case may be investigated without the respondent's involvement.

If, during the investigation, the complainant indicates a desire to withdraw the complaint, the case will be closed and the complainant will not be permitted to re-file the complaint, absent extraordinary circumstances. However, in cases where the investigation discloses a clear violation of Election System of the V.I. policy and/or territorial or federal statutory mandates, the Supervisor of Elections office will take action to address those violations regardless of the complainant's wishes. The Supervisor of Elections, or qualified designee, is authorized to contact any and all personnel and other individuals (e.g. individual, voter, candidates, agents, subcontractors, volunteers, or guests) who may have information relevant to the complaint. The Supervisor of Elections, or qualified designee, will have access to all relevant records. The investigator will maintain a written record of interviews and investigation. The Office of Supervisor of Elections retains this document as a permanent confidential record.

At the discretion of the District Chairman, the District Board of Elections may review (by hearing, if so requested) the circumstances of the case and provide the Supervisor of Elections with recommendations. The District Board of Elections shall determine hearing procedures and the constitution of the hearing committee.

alternative dispute resolution procedure. The record and other material from any proceeding conducted under the complaint procedures shall be made available for use under the alternative dispute resolution procedure.

(f) APPEAL PROCESS

If either party (complainant or respondent) is not satisfied with the outcome of the final determination, that person may appeal to the Joint Board of Elections. Any such appeal shall be in writing, stating the basis for the appeal, and shall be filed in the Office of the Supervisor of Elections within ten (10) business days of the date of the finding of no probable cause, or the date of the District Boards determination of proposed sanctions, whichever is appropriate. If there is no appeal within the time limit set forth, the finding of no probable cause shall become final, or the proposed sanctions will be imposed, as the case may be. When an appeal is filed, the Supervisor of Elections and/or the District Board shall forward information regarding the complaint to the Joint Boards of Elections, and the complainant or respondent may submit any further information as desired or requested. The Joint Boards of Elections shall, within ten (10) business days, communicate in writing to the complainant and respondent a decision with a copy to the Supervisor of Elections. The Board may refuse to hear the appeal, thereby affirming the findings of the District Board or Supervisor of Elections or, it may hear the appeal. The complainant and respondent will be notified, in writing, whether or not the Board will hear the appeal. The hearing may be formal or informal, and the time and place of such hearing shall be communicated within a reasonable time to all parties involved. Formal rules of evidence shall not apply. The Board or other member of the Board designated, as chair of the appeal committee shall control the appeal Board, or its designated committee, shall have access to all facts and information it believes relevant to the case. Counsel at the hearing may represent parties involved in the appeal. Upon conclusion of such hearings, the Board or its designated Committee shall render a decision in writing, and a copy will be provided to both complainant and respondent. That decision shall be final.

(g) Further Appeals;

Within thirty (30) days from the date the Board's decision order become final, any party aggrieved thereby may petition the Territorial Court of the Virgin Islands for review of the same. The appeal shall be taken in accordance with the rules of procedure of the Court and shall name the opposing party at the administrative level as the appellee. The Board or a duly designated agent should also be named to facilitate delivery of the administrative record to the Court.

The hearing procedures will be formal, and the purpose will be to permit both the complainant and respondent an opportunity to present their case.

(d) REPORT OF FINDINGS

Based on the findings of the investigation, the Supervisor of Elections shall prepare a report of findings which shall include: a description of the alleged acts, a summary of the evidence collected, an evaluation of the pertinent evidence, and a finding of probable cause or no probable cause as to whether the conduct constitutes a violation of the Election System of the Virgin Islands policies and procedures. If, under this procedure, the territory determines that there is a violation of any provision of title III, the territory shall provide the appropriate remedy. If, under this procedure, the territory determines that there is no violation the territory shall dismiss the complaint and publish the results of the procedure. Potential violations of the system's policies and procedures, which are discovered during the investigation but which are outside the jurisdiction of the Office of Supervisor of Elections, will be referred to the appropriate office or department for resolution. The final report will be issued within sixty (60) business days after the commencement of formal procedures. Again, the time may be extended by mutual agreement or as is permitted in this policy. Supervisor of Elections will provide copies of the report to the complainant, respondent and appropriate District Boards. The complainant and respondent will be advised of the appeal process at that time.

(e) FINAL DETERMINATION

When charges of a problem/violation are substantiated and probable cause is determined. The appropriate District Board, in consultation with the Supervisor of Elections, will render a determination regarding the proposed disciplinary and/or corrective action. The Supervisor of Elections input will be limited to issues presented in the case and specific questions regarding compliance with federal and territorial mandates. Decisions regarding corrective action shall be exclusively the province of the appropriate District Board. The District Board will be responsible for the implementation of all such disciplinary/corrective action. At a minimum, the action taken should be designed to protect the complainant from future any procedural or statutory violations. Consistent with the Election System's employee confidentiality policies, the complainant may not be fully advised of actions imposed. The District Board, in consultation with the Attorney General, will determine whether further hearing opportunities are required prior to determination of proposed discipline. The territory shall make a final determination with respect to the complaint prior to the expiration of the 90-day period, which begins on the date the complaint is filed, unless the complainant consents to a longer period for making such a determination. If the territory fails to meet the deadline 90-day period, the complaint shall be resolved within 60 days under

VIRGINIA VOTERS' ELECTION DAY
COMPLAINT FORMHow to File a Complaint
Using the Voter Grievance Process

If you feel your voting rights have been violated or that you may have witnessed an election law being broken, contact the State Board of Elections at 1-800-552-9745, or via email at info@sbe.virginia.gov.

First, review the "Voters' Rights and Responsibilities" poster in the polling place or on our web site (www.sbe.virginia.gov). Make sure you meet the requirements that allow you to vote. If you do not understand the requirements, ask an election official to explain them to you.

If you feel you met all the requirements but were still not allowed to vote, ask an election official to contact the Voter Registrar's office about your case *before you leave the polling place*. The Voter Registrar will investigate your case and may be able to resolve the problem immediately.

If you are still not satisfied with the outcome, call the State Board of Elections at 1-800-552-9745 as soon as possible, *preferably before the polls close*. The sooner the State Board knows about your problem, the more likely you will get a satisfactory answer on Election Day.

If you still believe your voting rights may have been violated or may be violated in the near future, you may file a formal complaint with the State Board of Elections. Inside are instructions on how to file a complaint, time lines and the route your complaint will follow.

NOTE: You have 10 days from the date of the incident to file a complaint.

SECTION 47-4 ALTERNATIVE DISPUTE RESOLUTION PROCEDURE

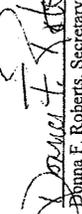

(A) MEDIATION;

1. Mediation shall be the alternative dispute resolution procedure it is mandated pursuant to P.L. 107-252 section 402(1)(D). Upon preliminary review of the allegations, the Joint Board of Elections will determine whether the case is appropriate for mediation. Examples of those that may not be appropriate for mediation include complaints that involve discrimination against a group or class, reflects a pattern and practice of discrimination, or criminal violation. (This is not an exhaustive listing). If the complainant's selection of mediation is appropriate, the Supervisor of Election will initiate the mediation process within fifteen (15) business days. The Supervisor of Election may serve as the mediator or assign the case to a mediator. The mediator must be neutral, objective, and agreeable to both parties. The mediator will promptly arrange a meeting of both parties, during which the parties will develop a memorandum of understanding as to the purpose and goals and scheduling of the mediation sessions. The mediator will preserve this documentation. At the conclusion of the successful mediation, the parties will develop and the mediator will preserve an agreement for resolution of the complaint and future interactions between both parties. The written agreement will be signed by both parties and submitted to the Supervisor of Elections. The agreement will take effect immediately according to its own terms.

All complaints filed pursuant to this chapter shall be treated as brief adjudicative proceedings, and the secretary adopts RCW 34.05.482 through 34.05.494 to govern such proceedings. NEW SECTION

WAC 434-263-040 Processing of complaint. (1) The secretary may process the complaint in any of the following ways:

- (b) The secretary may, with the agreement of the parties, resolve the matter informally, and issue a determination without formal proceedings; or
- (c) The secretary may schedule the matter for a brief adjudicative proceeding. The secretary shall do so if the complaint is not dismissed pursuant to (a) of this subsection and a party so requests.

(5) The secretary shall establish and maintain the record of the proceedings as required by RCW 34.05.494. If a hearing on the record is conducted, the record shall include a transcript or audio recording of the hearing.

WAC 434-263-060 Initial determination and remedies. (1) The presiding officer shall render a written initial decision within forty-five days after the complaint is filed, unless the complainant consents to a longer period. The determination shall include a statement as to whether, based upon a preponderance of the evidence, a violation of Title III has been established with regard to an election. If the presiding officer determines that a violation has occurred, the determination shall specify the appropriate remedy, if one exists. If the presiding officer determines that no violation has been established, the complaint shall be dismissed.

(2) The remedy awarded under this section shall be directed to the improvement of processes or procedures governed by Title III and must be consistent with state law. Remedies may include written findings that a violation of Title III has occurred and strategies for insuring that the violation does not occur again, as well as any other remedy available to the secretary under law. The remedy may not include any award of monetary damages, costs, penalties or attorney fees, and may not include the invalidation of any vote, ballot, primary or election. Remedies addressing the validity of any primary or election or of any ballot or vote may be obtained only as otherwise provided by law.

(3) The initial determination shall include a summary of the process for obtaining an administrative review and shall include notice that judicial review may be available.

WAC 434-263-070 Administrative review. (1) Any aggrieved party may request an administrative review of the initial determination. If the secretary does not receive a request, in writing, for an administrative review within twenty-one days of service of the initial determination then the initial determination automatically becomes a final determination. If the parties have not requested an administrative review, the secretary may review the presiding officer's adjudication on his or her own motion as provided by RCW 34.05.491.

(2) The reviewing officer may be the secretary, the assistant or deputy secretary, or the director of elections, except that the same person may not serve as both the presiding officer and reviewing officer. The reviewing officer shall give each party an opportunity to explain the party's view of the matter, but must render a final determination within ninety days after the original filing of the complaint unless the complainant consents to a longer period.
