

Chief, Branch of Comprehensive Conservation Planning, at 303–236–8132.

SUPPLEMENTARY INFORMATION: The Service has initiated the CCP for the Pathfinder NWR with headquarters in Walden, Colorado.

Each unit of the National Wildlife Refuge System, including this NWR, has specific purposes for which it was established. Those purposes are used to develop and prioritize management goals and objectives within the National Wildlife Refuge System mission, and to guide which public uses will occur on the Refuge. The planning process is a way for the Service and the public to evaluate management goals and objectives for the best possible conservation efforts of this important wildlife habitat, while providing for wildlife-dependent recreation opportunities that are compatible with the Refuge's establishing purposes and the mission of the National Wildlife Refuge System.

The Service will conduct a comprehensive conservation planning process that will provide opportunity for Tribal, State, and local governments; agencies; organizations; and the public to participate in issue scoping and public comment. The Service is requesting input for issues, concerns, ideas, and suggestions for the future management of the Pathfinder NWR in central Wyoming. Anyone interested in providing input is invited to respond to the following two questions.

(1) What problems or issues do you want to see addressed in the CCP?

(2) What improvements would you recommend for Pathfinder NWR?

The Service has provided the above questions for your optional use; you are not required to provide information to the Service. The Planning Team developed these questions to facilitate finding out more information about individual issues and ideas concerning this refuge. Comments received by the Planning Team will be used as part of the planning process; individual comments will not be referenced in our reports or directly responded to. An opportunity will be given to the public to provide input at an open house to scope issues and concerns (schedule can be obtained from the Planning Team Leaders at the above addresses). Comments may also be submitted anytime during the planning process by writing to the above addresses. All information provided voluntarily by mail, phone, or at public meetings becomes part of the official public record (*i.e.*, names, addresses, letters of comment, input recorded during

meetings). If requested under the Freedom of Information Act by a private citizen or organization, the Service may provide informational copies.

The environmental review of this project will be conducted in accordance with the requirements of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*), NEPA Regulations (40 CFR parts 1500–1508), other appropriate Federal laws and regulations, and Service policies and procedures for compliance with those regulations. All comments received from individuals on Service Environmental Assessments and Environmental Impact Statements become part of the official public record. Requests for such comments will be handled in accordance with the Freedom of Information Act, NEPA (40 CFR 1506.6(f)), and other Departmental and Service policies and procedures. When requested, the Service generally will provide comment letters with the names and addresses of the individuals who wrote the comments. However, the telephone number of the commenting individual will not be provided in response to such requests to the extent permissible by law.

The Business Committee of the Ottawa Tribe of Oklahoma (Business Committee) adopted its Liquor Ordinance by Resolution No. 2005–31 on December 15, 2005, which is the first Liquor Ordinance passed by the Tribe. The purpose of this Ordinance is to govern the sale, possession and distribution of alcohol within tribal lands of the Tribe.

This notice is published in accordance with the authority delegated by the Secretary of the Interior to the Principal Deputy Assistant Secretary—Indian Affairs. I certify that this Liquor Ordinance of the Ottawa Tribe of Oklahoma was duly adopted by the Business Committee on December 15, 2005.

Dated: June 8, 2006.

Michael D. Olsen,

Acting Principal Deputy Assistant Secretary—Indian Affairs.

The Ottawa Tribe of Oklahoma Liquor Ordinance reads as follows:

Liquor Control Ordinance of the Ottawa Tribe of Oklahoma

Section One: Purposes and Public Policy

1.1 The Ottawa Tribal Business Committee, in accordance with Article VI of the Constitution and By-Laws of the Ottawa Tribe of Oklahoma, is authorized to enact resolutions, regulations, and ordinances, and act on behalf of the Ottawa Tribe.

1.2 The Business Committee finds that tribal control and regulation of liquor is necessary to protect the health and welfare of tribal members, to address specific concerns relating to alcohol use on tribal lands, and to achieve maximum economic benefit to the tribe.

1.3 The introduction, possession, and sale of alcohol on tribal lands is a matter of special concern to the Business Committee.

1.4 The Business Committee finds that a complete ban of alcohol on tribal lands is unrealistic and would be ineffective in accomplishing the stated purposes of this Ordinance. However, due to the many problems and potential problems associated with the unregulated or inadequately regulated sale, distribution, and possession of alcohol, the Business Committee recognizes the need for strict regulation and control over liquor transactions on tribal lands.

1.5 Federal law prohibits the introduction, possession, and sale of liquor in Indian Country except when the same is in conformity with the laws of both the State and the Tribe (18 U.S.C. 1161). Therefore, compliance with this Ordinance shall be in addition to, rather than a substitute for, compliance with the laws of the State of Oklahoma.

1.6 This Ordinance governs the sale, purchase, and distribution of alcohol on Tribal lands within the exterior boundaries of the former reservation.

2.16 *Wine*. Any alcoholic beverage obtained by fermentation of the natural contents of fruits, vegetables, honey, milk, or other products containing sugar, whether or not other ingredients are added, to which any saccharine substances may have been added before, during, or after fermentation, and containing not more than seventeen percent of alcohol by weight, including sweet wines fortified with wine spirits, such as port, sherry, muscatel, and the like, not exceeding seventeen percent of alcohol by weight.

The introduction and possession of liquor consistent with this Section shall also be allowed. All other purchases and sales of liquor on tribal lands shall be prohibited. Sales of liquor and alcoholic beverages on tribal lands may only be made at businesses that hold an Ottawa Liquor License.

5.2 Sales for Cash. 5.3 Sale for Personal Consumption. All sales shall be for the personal use and consumption of the purchaser. Resale of any alcoholic beverages on tribal lands is prohibited. Any person who is not licensed pursuant to this Ordinance who purchases an alcoholic beverage on tribal lands and sells it, whether in the original container or not, shall be guilty of a violation of this Ordinance and shall be subjected to the payment of damages to the Ottawa Tribe of Oklahoma as set forth herein.

Section Six: Licensing and Application

6.1 Procedure. In order to control the proliferation of establishments on tribal lands that sell or serve liquor by the bottle or by the drink, all persons or entities that desire to sell liquor on tribal lands must apply to the Ottawa Liquor Control Board for a license to sell or serve liquor.

6.2 Application. Any enrolled member of the Ottawa Tribe of Oklahoma twenty-one (21) years of age or older, or an enrolled member of another Federally recognized tribe twenty-one (21) years of age or older, or other person twenty-one (21) years of age and older, may apply to the Liquor Control Board for a license to sell or serve liquor. Any person or entity applying for a license to sell or serve liquor on tribal lands must fill in the application provided for this purpose by the Ottawa Tribe of Oklahoma and pay such application fee as may be set by the Liquor Control Board. Said application must be filled out completely in order to be considered. A separate application and license will be required for each location where the applicant intends to serve liquor.

6.3 Licensing Requirements. The person applying for such license must make a showing once per year and must satisfy the Liquor Control Board that:

A. He/she is a person of good character, having never been convicted of violating any of the laws prohibiting the traffic in any spirituous, vinous, fermented, or malt liquors;

B. He/she has never been convicted of violating any of the gambling laws of this state or of any other state of the United States, or of this or any other Tribe;

C. He/she has not had, preceding the date of his/her application for a license, a felony conviction of any of the laws commonly called "Prohibition Laws;" and

D. He/she has not had any permit or license to sell any intoxicating liquors revoked in any county of this state, or any other state, or of any Tribe.

6.4 Processing of Application. The Liquor Control Board shall receive and

process applications and related matters. All actions by the Liquor Control Board shall be by majority vote. A quorum of the Liquor Control Board is that number of members set forth in Section 3.5 of this Ordinance. The Liquor Control Board may, by resolution, authorize a staff representative to issue licenses for the sale of liquor and beer products.

6.5 Issuance of Licenses. The Liquor Control Board may issue a license if it believes that such issuance is in the best interests of the Ottawa Tribe of Oklahoma. The purpose of this Ordinance is to permit liquor sales and consumption at facilities located on designated tribal lands. Issuance of a license for any other purposes will not be considered to be in the best interest of the Ottawa Tribe of Oklahoma.

6.6 Period of License. Each license shall be issued for a period not to exceed one year from the date of issuance.

6.7 Renewal of License. A licensee may renew its license if the licensee has complied in full with this Ordinance; provided, however, that the Liquor Control Board may refuse to renew a license if it finds that doing so would not be in the best interests of health and safety of the Ottawa Tribe of Oklahoma.

6.8 Revocation of License. The Liquor Control Board may suspend or revoke a license due to one or more violations of this Ordinance upon notice and hearing, at which the licensee is given an opportunity to respond to any charges against it and to demonstrate why the license should not be suspended or revoked.

6.9 Hearings. Within fifteen (15) days after a licensee is mailed written notice of a proposed license suspension or revocation of the license, or the imposition of fines or of other adverse action proposed by the Liquor Control Board under this Ordinance, the licensee may deliver to the Liquor Control Board a written request for a hearing on whether the proposed action should be taken. A hearing on the issues shall be held before a person or persons appointed by the Liquor Control Board and a written decision shall be issued. Such decisions will be considered final unless an appeal is filed with the Tribal Court within fifteen (15) calendar days of the date of mailing the decision to the licensee. The Tribal Court will then conduct a hearing and will issue an order, which is final with no further right of appeal. All proceedings conducted under all sections of this Ordinance shall be in accord with due process of law.

6.10 Non-Transferability of Licenses. Licenses issued by the Liquor Control

Board shall not be transferable and may only be utilized by the person or entity in whose name it is issued.

Section Seven: Taxes

7.1 As a condition precedent to the conduct of any operations pursuant to a license issued by the Liquor Control Board, the licensee must obtain from the Ottawa Tribe Tax Commission such license, permits, tax stamps, tags, receipts, or other documents or things evidencing receipt of any license or payment of any tax or fee administered by the Ottawa Tribe Tax Commission or otherwise showing compliance with the tax laws of the Tribe.

7.2 In addition to any other remedies provided in this Ordinance, the Liquor Control Board may suspend or revoke any licenses issued by it upon the failure of the licensee to comply with the obligations imposed upon the licensee by the General Revenue and Taxation Act of the Ottawa Tribe of Oklahoma, or any rule, regulation, or order of the Ottawa Tribe Tax Commission.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ES-030-1430-EU; WIES-051607]

Notice of Realty Action: Direct Sale of Public Land in Vilas County, WI

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) proposes to sell a .21 acre parcel of public land in Vilas County, Wisconsin at not less than the fair market value to Ernest Horinek to resolve an unauthorized use of public land.

DATES: Comments regarding the proposed sale must be received by the BLM at the address below not later than July 31, 2006.

ADDRESSES: Send all written comments concerning this proposed sale to the Field Manager, BLM-Eastern States, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202. Comments received in electronic form such as e-mail or facsimile will not be considered.

FOR FURTHER INFORMATION CONTACT:

Marcia Sieckman at 414-297-4402 or at the address above.

SUPPLEMENTARY INFORMATION: In

accordance with the provisions of 43 CFR part 2710, the following described public land is proposed to be sold pursuant to the authority provided in section 203 of the Federal Land Policy and Management Act of 1976 (FLPMA), as amended (43 U.S.C. 1713):

Fourth Principal Meridian

T. 43 N., R. 5 E.,

Sec. 4, lot 17 of Government lot 11.

The area described contains 0.21 acres in Vilas County

The appraised market value for this parcel is \$20,000. The proposed sale is consistent with the objectives, goals, and decisions of the Wisconsin Resource Management Plan Amendment (2001) and the land is not required for Federal purposes. The direct sale of this land to Mr. Horinek would resolve an unintentional, unauthorized occupancy of public land managed by the BLM. In accordance with 43 CFR 2710.0-6(c)(3)(iii) and 43 CFR 2711.3-3(a), direct sale procedures are appropriate to resolve an inadvertent unauthorized occupancy of the land and to protect existing equities in the land. The unauthorized occupancy involves encroachment of a cabin on the public land. Mr. Horinek owns the private land south of the subject BLM parcel. In 2002, Mr. Horinek notified this office that a private survey he had commissioned revealed a potential encroachment of his cabin on to the BLM parcel. The encroachment was verified by the Chief Cadastral Surveyor for Eastern States in July of 2002. The sale when completed would add the public land to the Horinek property, protect the improvements, and resolve an inadvertent encroachment. The parcel is the minimum size possible to ensure that all of the improvements are included. The proponent, Mr. Ernest Horinek, will be allowed 30 days from receipt of a written offer to submit a deposit of at least 20 percent of the appraised market value of the parcel, and 180 days thereafter to submit the balance.

On June 16, 2006 the above described land is segregated from appropriation under the public land laws. The segregative effect of this notice shall terminate upon issuance of a patent upon publication in the **Federal Register** of a termination of the segregation or on March 13, 2007, which ever comes first.

The following reservations, rights, and conditions will be included in the patent that may be issued for the above parcel of Federal land:

1. A reservation of all minerals to the United States.

2. All valid and existing rights of record.

Detailed information concerning the proposed land sale, including sale procedures, appraisal, planning and environmental documents, and mineral report is available for review at the BLM-ES, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202. Normal business hours are 7:30 a.m. to 4:30 p.m., Monday through Friday, except Federal holidays.

The general public and interested parties may submit written comments regarding the proposed sale to the Field Manager at the above address not later than July 31, 2006. Comments received during this process, including respondent's name, address, and other contact information, will be available for public review. Individual respondents may request confidentiality. If you wish to request that BLM consider withholding your name, address, and other contact information (phone number, e-mail address, or fax number, etc.) from public review or disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comment. The BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. The BLM will make available for public review, in their entirety, all comments submitted by businesses or organizations, including comments by an individual in their capacity as an official or representative of a business or organization.

Any adverse comments will be reviewed by the State Director, who may sustain, vacate, or modify this realty action. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.

The land will not be offered for sale prior to August 15, 2006.

(Authority: 43 CFR 2711.1-2(a)).

Dated: May 4, 2006.

State Director, Eastern States.
