**SUPPLEMENTARY INFORMATION:**

*Title:* Disclosure of Children's Free and Reduced Price Meals and Free Milk Eligibility Information in the Child Nutrition Programs.

*OMB Numbers:* 0584-0280, 0584-0055 and 0584-0026, respectively.

*Expiration Date:* 12/31/07, 08/31/08, and 10/31/06, respectively.

*Type of Request:* Revision of currently approved information collections.

*Abstract:* FNS is amending the regulations for the Child Nutrition Programs to establish the requirements for the disclosure of children's free and reduced price meals or free milk eligibility information. The Child Nutrition Programs include the National School Lunch Program (NSLP), Special Milk Program (SMP), School Breakfast Program (SBP), Summer Food Service Program (SFSP), and Child and Adult

Care Food Program (CACFP) at 7 CFR parts 210, 215, 220, 225 and 226, respectively. The regulation, Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools (7 CFR part 245), is also being amended to implement the disclosure provisions in the NSLP, SBP and SMP.

The final rule will reflect the disclosure provisions of the Healthy Meals for Healthy Americans Act of 1994 and comments received on the proposed rule—Disclosure of Children's Eligibility Information—published July 25, 2000, at 65 FR 45725. Additionally, the final rule includes the regulatory disclosure provisions implementing the Agricultural Risk Protection Act of 2000 and comments received on the interim rule, Disclosure of Children's Eligibility Information to State Medicaid and the State Children's Health Insurance Program, issued January 11, 2001, at 66 FR 2195. The final rule will also implement nondiscretionary provisions of the Child Nutrition and WIC Reauthorization Act of 2004 that allow certain third party contractors access to children's eligibility status and allow school officials to communicate with Medicaid and SCHIP officials to verify that children are eligible for free and reduced price school meals or free milk. The regulations will affect State agencies and local program operators that administer the Child Nutrition Programs and households which apply for and/or are approved for free and reduced price meals or free milk.

Regulations at 7 CFR part 245 establish the responsibilities of State agencies and school food authorities in providing free and reduced price meals and free milk in the National School Lunch Program (7 CFR part 210), the School Breakfast Program (7 CFR part 220), and the Special Milk Program for Children (7 CFR part 215). Therefore, the burden associated with State agencies and school food authorities disclosing free and reduced price eligibility information for 7 CFR parts 210, 215 and 220 is carried in the information collection for 7 CFR part 245.

#### SUPPLEMENTARY INFORMATION:

*Title:* Summer Food Service Program Claim for Reimbursement.

*OMB Numbers:* 0584–0041.

*Expiration Date:* October 31, 2006.

*Type of Request:* Revision of a currently approved information collection.

*Abstract:* The SFSP Claim for Reimbursement, Form FNS–143, is used to collect data on the number of meals served and cost data from sponsoring organizations whose participation in this program is administered directly by FNS Regional Office, commonly known as Regional Office Administered Program or ROAP. The FNS Regional Office directly administers participation of the SFSP for sponsoring organizations in Virginia. In order to determine the amount of reimbursement sponsoring organizations are entitled to receive for meals served, they must complete the form. The completed forms are either sent to the Child Nutrition Payments Center at the FNS Mid-Atlantic Regional Office where they are entered into a computerized payment system or sponsoring organizations may submit forms electronically via the Internet directly into the Child Nutrition Payments Center. The payment system computes earned reimbursement.

Earned reimbursement in the SFSP is based on performance and is determined by comparing an assigned rate for operations and for administration per meal served to actual operational and administrative costs. To fulfill the earned reimbursement requirements set forth in SFSP regulations issued by the Secretary of Agriculture (7 CFR 225.9), the meal and
