

effective thirty days after an Important Notice is issued to members informing them that FICC's systems are ready to accommodate such changes. The corresponding changes to FICC's rules would be made at that time.

(f) *Alternative Proportions of Eligible Collateral.* As is currently the case under FICC's rules, FICC will continue to reserve the right to require different proportions of the Clearing Fund collateral components as necessary to address any heightened legal or insolvency risks presented by a member.¹⁰

FICC believes the proposed rule change is consistent with the requirements of Section 17A of the Act¹¹ and the rules and regulations thereunder because it will enable FICC to standardize acceptable forms of collateral across both of its Divisions, which should lead to an increase of liquidity and a decrease of risk to FICC and its members. As such, FICC believes it will better enable FICC to safeguard the securities or funds in its possession or control or for which it is responsible.

B. Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify the Commission of any written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period: (i) As the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding; or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

proposed rule change, as amended, is available on the ISE's Web site (http://www.iseoptions.com/legal/proposed_rule_changes.asp), at the principal office of the ISE, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to establish fees for transactions in options on the following eight Premium Products: KBW Bank Index ("BKX"), ISE Revere Natural Gas Index ("FUM"), iShares Dow Jones U.S. Energy Sector Index Fund ("IYE"), iShares Dow Jones Transportation Average Index Fund ("IYT"),⁷ PowerShares WilderHill Clean Energy Portfolio ("PBW"),⁸ Merrill Lynch

⁷ iShares® is a registered trademark of Barclays Global Investors, N.A. ("BGI"), a wholly owned subsidiary of Barclays Bank PLC. "Dow Jones," "Dow Jones U.S. Energy Sector Index Fund," and "Dow Jones Transportation Average Index Fund" are trademarks and service marks of Dow Jones & Company, Inc. ("Dow Jones") and have been licensed for use for certain purposes by BGI. All other trademarks and service marks are the property of their respective owners. Neither IYE nor IYT are sponsored, endorsed, issued, sold or promoted by Dow Jones. BGI and Dow Jones have not licensed or authorized ISE to: (i) Engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on IYE and IYT; or (ii) use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on IYE and IYT under any applicable federal or state laws, rules or regulations. BGI and Dow Jones do not sponsor, endorse, or promote such activity by ISE and are not affiliated in any manner with ISE.

⁸ PowerShares™ and PBW™ are trademarks of PowerShares Capital Management LLC ("PowerShares" or the "Adviser"). The WilderHill Clean Energy Index is a service mark of WilderShares, LLC ("WilderShares"). All other trademarks and service marks are the property of their respective owners. WilderShares is not affiliated with the PBW or with the Adviser. PBW is not sponsored, endorsed, sold or promoted by WilderShares, and WilderShares makes no representation regarding the advisability of

Utilities HOLDRs Trust ("UTH"),⁹ Consumer Staples Select Sector SPDR Fund ("XLP"), and Consumer Discretionary Select Sector SPDR Fund ("XLY").¹⁰ Specifically, the Exchange is proposing to adopt an execution fee and a comparison fee for all transactions in options on BKX, FUM, IYE, IYT, PBW, UTH, XLP, and XLY.¹¹ The amount of the execution fee and comparison fee for products covered by this filing shall be \$0.15 and \$0.03 per contract, respectively, for all Public Customer Orders¹² and Firm Proprietary orders. The amount of the execution fee and comparison fee for all ISE Market Maker transactions shall be equal to the execution fee and comparison fee currently charged by the Exchange for ISE Market Maker transactions in equity options.¹³ Finally, the amount of the

investing in PBW. WilderShares and PowerShares have not licensed or authorized ISE to: (i) Engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on PBW; or (ii) use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on PBW or with making disclosures concerning options on PBW under any applicable federal or state laws, rules or regulations. WilderShares and PowerShares do not sponsor, endorse, or promote such activity by ISE and are not affiliated in any manner with ISE.

⁹ UTH issues Depository Receipts called Utilities HOLDRS™ representing undivided beneficial ownership in the U.S.-traded common stock of a group of specified companies that, among other things, are involved in various segments of the utilities industry. "HOLDRS" and "HOLDING Company Depository Receipts" are service marks of Merrill Lynch & Co., Inc. ("Merrill Lynch"). All other trademarks and service marks are the property of their respective owners. Merrill Lynch has not licensed or authorized ISE to: (i) Engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on UTH; or (ii) use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on UTH or with making disclosures concerning options on UTH under any applicable federal or state laws, rules or regulations. Merrill Lynch does not sponsor, endorse, or promote such activity by ISE and is not affiliated in any manner with ISE.

¹⁰ The Exchange represents that IYE, IYT, PBW, UTH, XLP and XLY constitute "Fund Shares," as defined by ISE Rule 502(h). The Exchange further represents that BKX and FUM meet the standards of ISE Rule 2002(b), which allows the ISE to begin trading these products by filing Form 19b-4(e) at least five business days after commencement of trading these new products pursuant to Rule 19b-4(e) of the Act. Accordingly, the ISE has submitted Form 19b-4(e) to the Commission.

¹¹ These fees will be charged only to Exchange members. Under a pilot program that is set to expire on July 31, 2007, these fees will also be charged to Linkage Orders (as defined in ISE Rule 1900).

¹² "Public Customer Order" is defined in ISE Rule 100(a)(33) as an order for the account of a Public Customer. "Public Customer" is defined in ISE Rule 100(a)(32) as a person that is not a broker or dealer in securities.

¹³ The execution fee is currently between \$0.21 and \$0.12 per contract side, depending on the Exchange Average Daily Volume, and the comparison fee is currently \$0.03 per contract side.

execution fee and comparison fee for all non-ISE Market Maker transactions shall be \$0.16 and \$0.03 per contract, respectively. All of the applicable fees covered by this filing are identical to fees charged by the Exchange for all other Premium Products. The Exchange believes the proposed rule change will further the Exchange's goal of introducing new products to the marketplace that are competitively priced.

Additionally, the Exchange has entered into a license agreement with Keefe, Bruyette & Woods, Inc. in connection with the listing and trading of options on BKX; with Revere Data, LLC in connection with the listing and trading of options on FUM; and with Standard & Poor's in connection with the listing and trading of options on XLP and XLY. As with certain other licensed options, to defray the licensing costs, the Exchange is adopting a surcharge fee of \$0.10 per contract for trading in options on BKX, XLP and XLY, and \$0.05 per contract for trading in options on FUM. The Exchange believes charging the participants that trade these products is the most equitable means of recovering the costs of the licenses. However, because of competitive pressures in the industry, the Exchange proposes to exclude Public Customer Orders from this surcharge fee. Accordingly, this surcharge fee will only be charged to Exchange members with respect to non-Public Customer Orders (e.g., ISE Market Maker, non-ISE Market Maker, and Firm Proprietary orders) and shall apply to Linkage Orders¹⁴ under a pilot program that is set to expire on July 31, 2007. Further, since options on BKX, IYE, IYT, PBW, UTH, XLP and XLY are multiply-listed, the Payment for Order Flow fee shall also apply.

Finally, the Exchange has terminated its development agreement with Boenning & Scattergood, Inc. for options on the ISE Water Index ("HHO"). As a result, the Exchange proposes to no longer charge a \$0.05 per contract surcharge fee for options on HHO. Accordingly, the Exchange proposes to delete the reference to a surcharge for HHO on its Schedule of Fees.

2. Statutory Basis

The Exchange believes that the basis under the Act for this proposed rule change is the requirement under Section 6(b)(4) of the Act¹⁵ that an exchange have an equitable allocation of reasonable dues, fees and other charges

¹⁴ See ISE Rule 1900.

¹⁵ 15 U.S.C. 78f(b)(4).

among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change, as amended, does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change, as amended, establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(2)¹⁷ thereunder. At any time within 60 days of the filing of such amended proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁸

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

See 15 U.S.C. 78s(b)(3)(C).

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54704; File No. SR-ISE-2006-44]

Self-Regulatory Organizations; International Securities Exchange, Inc.; Order Approving a Proposed Rule Change To Amend the Schedule of Fees To Expand the Broker Marketing Alliance To Include Non-Broker-Dealers With Regard to the Enhanced Sentiment Market Data Offering

November 3, 2006.

On July 25, 2006, the International Securities Exchange, Inc. ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change, pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² to amend its Schedule of Fees regarding its enhanced sentiment market data offering to expand the Broker Marketing Alliance by eliminating its limitation to only broker-dealers. The proposed rule change was published for comment in the **Federal Register** on October 3, 2006.³ The Commission received no comments on the proposal.

The Exchange offers an enhanced sentiment market data product that allows an end user to identify investor sentiment for individual securities or select industry sectors based on a calculation methodology that utilizes proprietary Exchange opening long option customer trade data.⁴ Previously, the Commission approved a fee structure for this product.⁵ The amount that a subscriber is charged depends upon whether the subscription is obtained directly from the Exchange or indirectly through a U.S. broker-dealer participating with the ISE in a Broker Marketing Alliance. A Broker Marketing Alliance is an arrangement between ISE and a participating broker-dealer that allows a participating U.S. broker-dealer to be compensated for enlisting subscribers to the enhanced sentiment market data product. There are four subscription levels of fees based on the

⁴ The enhanced sentiment market data is based on the ISE Sentiment Index or ISEE. The ISEE, which is created by the ISE, provides an intra-day picture of how investors view stock prices by assessing customers' option trading activity.
