SUPPLEMENTARY INFORMATION:

I. Abstract

This IC covers permit applications that our Division of Management Authority uses to determine the eligibility of applicants for permits requested in accordance with the criteria in various Federal wildlife conservation laws and international treaties, including:

- (1) Endangered Species Act (16 U.S.C. 1531 et seq.).
- (2) Migratory Bird Treaty Act (16 U.S.C. 703 et seq.).
- (3) Lacey Act (16 U.S.C. 3371 et seq.).
- (4) Bald and Golden Eagle Protection Act (16 U.S.C. 668).
- (5) Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) (27 U.S.T. 1087).
- (6) Marine Mammal Protection Act (16 U.S.C. 1361-1407).
- (7) Wild Bird Conservation Act (16 U.S.C. 4901-4916).

Service regulations implementing these statutes and treaties are in Chapter I, Subchapter B of Title 50, Code of Federal Regulations (CFR). These regulations stipulate general and specific requirements that when met allow us to issue permits to authorize activities that are otherwise prohibited.

This revised IC includes:

- (1) Modifications to the format and content of the currently approved application forms so that they are easier to understand and complete.

(2) FWS Forms 3-200-61, 3-200-69, and 3-200-70, which are currently approved under OMB control numbers 1018-0130 and 1018-0022.

(3) FWS Form 3-200-76, which is a new form for the export of caviar or meat of paddlefish or sturgeon from the wild. Applicants currently use FWS Form 3-200-27 for this activity. The new form will simplify the reporting requirements and reduce burden on the public.
