

sponsor and approved by Commander, Coast Guard Sector Delaware Bay.

(c) *Special local regulations:* (1) Except for event participants and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area must: (i) Stop the vessel immediately when directed to do so by any Official Patrol.

(ii) Proceed as directed by any Official Patrol.

(iii) When authorized to transit the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the event area.

(d) *Enforcement period.* This section will be enforced from 11 a.m. to 7 p.m. on June 1, 2008. A notice of enforcement of this section will be disseminated through the Fifth Coast Guard District Local Notice to Mariners announcing the specific event date and times. Notice will also be made via broadcast notice to mariners on VHF-FM marine band radio.

Dated: April 16, 2008.

33 CFR Part 100

[Docket No. USCG-2007-0147]

RIN 1625-AA08

Special Local Regulations; Recurring Marine Events in the Fifth Coast Guard District

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing special local regulations to regulate recurring marine events in the Fifth Coast Guard District. These regulations apply to all permitted events listed in the table attached to the regulation, and include events such as regattas, and marine parades. These regulations reduce the Coast Guard's administrative workload and expedite public notification of events.

DATES: This rule is effective June 9, 2008.

ADDRESSES: Comments and material received from the public, as well as

documents mentioned in this preamble as being available in the docket, are part of docket USCG-2007-0147 and are available online at <http://www.regulations.gov>. This material is also available for inspection or copying at two locations: the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays and the Fifth Coast Guard District Office, 431 Crawford Street, Portsmouth, VA 23704 between 10 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On March 10, 2008, we published a notice of proposed rulemaking (NPRM) entitled Special Local Regulations; Recurring Marine Events in the Fifth Coast Guard District in the **Federal Register** (73 FR 12669). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Background and Purpose

Marine events are frequently held on the navigable waters within the boundary of the Fifth Coast Guard District. For a description of the geographical area of each Coast Guard Sector—Captain of the Port Zone, please see 33 CFR 3.25.

This regulation includes events such as sailing regattas, power boat races, swim races and holiday parades. Currently, there are 57 annually recurring marine events and many other non-recurring events within the district. In the past, the Coast Guard regulated these events by creating individual special local regulations on a case by case basis. Most of these events required only the establishment of a regulated area and assignment of a patrol commander to ensure safety. Issuing individual, annual special local regulations has created a significant administrative burden on the Coast Guard. From 2005 to 2007 the Coast Guard created over 100 temporary regulations for marine events in the

Fifth District. The numbers are expected to increase in 2008 with the growing popularity of water sports activities.

Additionally, for the majority of these events, the Coast Guard does not receive notification of the event, or important details of the event are not finalized by event organizers, with sufficient time to publish a notice of proposed rulemaking and final rule before the event date. The Coast Guard must therefore create temporary final rules that sometimes are not completed until only days before the event. This results in delayed notification to the public, potentially placing the public and event participants at risk.

This rule significantly reduces the administrative burden on the Coast Guard, and at the same time allows the sponsor of the event and the Coast Guard to notify the public of these events in a timely manner. The public will be provided with notice of events through the table attached to this regulation. This table lists each recurring event that may be regulated by the Coast Guard, and indicates the sponsor, as well as the date and location of the event. Because the dates and location of these events may change slightly from year to year, the specific information on each event, including the exact dates, specific areas, and description of the regulated area, would be provided to the public through a Local Notice to Mariners published before the event, as well as through Broadcast Notice to Mariners. This table will also be updated by the Coast Guard periodically to add new recurring events, remove events that no longer occur, and update listed events to ensure accurate information is provided. The public will also be notified about many of the listed marine events by local newspapers, radio and television stations. The various methods of notification provided by the Coast Guard and local community media outlets will facilitate informing mariners so they can adjust their plans accordingly.

Discussion of Comments and Changes

The Coast Guard has made some minor technical revisions to this rule. Revisions to the regulatory text include the following items.

In the Table to § 100.501, marine event No. 3 was deleted. In its place "Night in Venice" Great Egg Harbor Bay, Ocean City, New Jersey was added as marine event No. 3. This event was previously regulated by 33 CFR 100.504 for the same location. This revision does not impose any additional restrictions on vessel traffic.

In the Table to § 100.501, the location description for marine event No's 31, 32, 35 and 49 were revised. All four marine events take place in the same location in the Western Branch of the Elizabeth River, Portsmouth, Virginia. The location was revised to reduce the overall size of the regulated area. This revision does not impose any additional restrictions on vessel traffic.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary. The effect of this action merely establishes the dates on which the existing regulations would be enforced and consolidates them within one regulation. It would not impose any additional restrictions on vessel traffic.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the areas where marine events are being held. This regulation will not have a significant impact on a substantial number of small entities because it will be enforced only during marine events that have been permitted by the Coast Guard Captain of the Port. The Captain of the Port will ensure that small entities are able to operate in the areas where events are occurring. Additionally, in most cases, vessels will be able to safely transit around the regulated area at all times, and, with the permission of the Patrol Commander, vessels may transit through the regulated area.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), in the NPRM we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. This rule fits the category of paragraph 34(h) because it creates special local regulations for regattas and marine parades.

Under figure 2–1, paragraph (34)(h), of the Instruction, an “Environmental Analysis Check List” and a “Categorical Exclusion Determination” are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, and Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Revise section 100.501 and add a new § 100.501 to read as follows:

§ 100.501 Special Local Regulations; Marine Events in the Fifth Coast Guard District.

The following regulations apply to the marine events listed in the Table to § 100.501. These regulations will be

effective annually, for the duration of each event listed in the Table to § 100.501. Annual notice of the exact dates and times of the effective period of the regulation with respect to each event, the geographical area, and details concerning the nature of the event and the number of participants and type(s) of vessels involved will be published in Local Notices to Mariners and via Broadcast Notice to Mariners over VHF–FM marine band radio.

(a) *Definitions.* The following definitions apply to this section:

(1) *Coast Guard Patrol Commander.* A Patrol Commander is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the respective Coast Guard Sector—Captain of the Port to enforce these regulations.

(2) *Official Patrol.* Any vessel assigned or approved by the respective Captain of the Port with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Spectators.* All persons and vessels not registered with the event sponsor as participants or official patrol vessels.

(b) *Event Patrol.* The Coast Guard may assign an event patrol, as described in § 100.40 of this part, to each regulated event listed in the table. Additionally, a Patrol Commander may be assigned to oversee the patrol. The event patrol and Patrol Commander may be contacted on VHF–FM Channel 16.

(c) *Special Local Regulations.* (1) The Coast Guard Patrol Commander may forbid and control the movement of all vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) The Coast Guard Patrol Commander may terminate the event, or the operation of any vessel participating in the event, at any time it is deemed

necessary for the protection of life or property.

(3) Only event sponsor designated participants and official patrol vessels are allowed to enter the regulated area.

(4) Spectators are allowed inside the regulated area only if they remain within a designated spectator area. Spectators may contact the Coast Guard Patrol Commander to request permission to pass through the regulated area. If permission is granted, spectators must pass directly through the regulated area at safe speed and without loitering.

(d) *Contact Information.* Questions about marine events should be addressed to the local Coast Guard Captain of the Port for the area in which the event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector—Captain of the Port zone, please see subpart 3.25 of this chapter.

(1) Coast Guard Sector Delaware Bay—Captain of the Port Zone, Philadelphia, Pennsylvania: (215) 271–4944.

(2) Coast Guard Sector Baltimore—Captain of the Port Zone, Baltimore, Maryland: (410) 576–2525.

(3) Coast Guard Sector Hampton Roads—Captain of the Port Zone, Norfolk, Virginia: (757) 483–8567.

(4) Coast Guard Sector North Carolina—Captain of the Port Zone, Atlantic Beach, North Carolina: (252) 247–4545.

(5) Coast Guard Marine Safety Unit Wilmington—Cape Fear River Captain of the Port Zone, Wilmington, North Carolina: (910) 772–2200.

(e) *Application for Marine Events.* The application requirements of § 100.15 of this part apply to all events listed in the Table to § 100.501. For information on applying for a marine event, contact the Captain of the Port for the area in which the event will occur, at the phone numbers listed above.

[Docket No. USCG-2008-0309]

Safety Zone: Hatteras Boat Parade and Firework Display, Trent River, New Bern, NC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard will implement a safety zone during the Hatteras Boat Parade and Firework Display, a motor yacht parade to be held on the waters of the Trent River, New Bern, North Carolina. Vessel traffic in portions on the Trent River adjacent to New Bern, North Carolina, will be restricted during the fireworks display.

DATES: This rule is effective May 30, 2008 from 7:30 p.m. to 9 p.m.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2008-0309 and are available online at <http://www.regulations.gov>. SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM would be impracticable and contrary to public interest because immediate action is needed to minimize potential danger to the public during the event. The necessary information to determine whether the marine event poses a threat to persons and vessels was not provided to the Coast Guard in sufficient time to publish an NPRM. The potential dangers posed by the pyrotechnic fireworks display, make a safety zone necessary to provide for the safety of spectator craft and other vessels transiting the event area. The Coast Guard will issue a broadcast notice to mariners to advise mariners of the restriction and on have on-scene Coast Guard and local law enforcement vessels.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, because immediate action is needed to ensure the safety of the event participants, spectator craft and other vessels transiting the event area. Advance notifications will be made to users of the Trent River, via marine information broadcasts, local notice to mariners, commercial radio stations and area newspapers.

Background and Purpose

On May 30, 2008, Hatteras Yacht's will sponsor the "Hatteras Boat Parade and Firework Display", on the waters of the Trent River. The event will consist of approximately nine motor Yachts ranging from 41 to 80 feet in length parading single file past the Sheraton Hotel and Marina. A small barge with close proximity pyrotechnics will be anchored near the Trent River Railroad Bridge. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide

for the safety of participants, spectators and transiting vessels.

Discussion of Rule

The Coast Guard is establishing a safety zone on specified waters of the Trent River, New Bern, North Carolina. The safety zone includes all waters within a 150 foot radius of position 35° 06' 03" N 077° 02' 24" W or approximately one 100 yards east of the center span of Trent River Railroad Bridge, New Bern, North Carolina. The safety zone will be in effect from 7:30 p.m. to 9 p.m. on May 30, 2008. The effect will be to restrict general navigation in the safety zone during the fireworks display. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the safety zone during the enforcement period. The Patrol Commander will notify the public of specific enforcement times by Marine Radio Safety Broadcast. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary. Although this proposed regulation would prevent traffic from transiting a portion of the Trent River adjacent to New Bern, North Carolina, during the event, the effects of this regulation would not be significant due to the limited duration that the safety zone would be in effect. Extensive advance notifications would be made to the maritime community via Local Notice to Mariners, marine information broadcast, and area newspapers, so mariners can adjust their plans accordingly. Vessel traffic would be able to transit the safety zone when the Coast Guard Patrol Commander deems it is safe to do so.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit
