

RAILROAD RETIREMENT BOARD**Agency Forms Submitted for OMB Review, Request for Comments**

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request an extension of a currently approved collection of information: 3220-0086, Application for Reimbursement for Hospital Insurance Services in Canada. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine: (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

Under section 7(d) of the Railroad Retirement Act (RRA), the RRB administers the Medicare program for persons covered by the railroad retirement system. Payments are provided under section 7(d)(4) of the RRA for medical services furnished in Canada to the same extent as for those furnished in the United States. However, payments for the services furnished in Canada are made from the Railroad Retirement Account rather than from the Federal Hospital Insurance Trust Fund, with the payments limited to the amount by which insurance benefits under Medicare exceed the amounts payable under Canadian Provincial plans.

Form AA-104, Application for Canadian Hospital Benefits Under Medicare—Part A, is provided by the RRB for use in claiming benefits for covered hospital services received in Canada. The form obtains information needed to determine eligibility for, and the amount of any reimbursement due the applicant. One response is requested of each respondent. Completion is required to obtain a benefit.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (73 FR 10075 on February 25, 2008) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request an extension of a currently approved collection of information: 3220-0164, Availability for Work. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine: (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Under Section 1(k) of the Railroad Unemployment Insurance Act, unemployment benefits are not payable for any day for which the claimant is not available for work.

Under Railroad Retirement Board (RRB) regulation 20 CFR 327.5, "available for work" is defined as being willing and ready for work. This section further provides that a person is "willing" to work if that person is willing to accept and perform for hire such work as is reasonably appropriate to his or her employment circumstances. The section also provides that a claimant is "ready" for work if he or she; (1) is in a position to receive notice of work and is willing to accept and perform such work, and (2) is prepared to be present with the customary equipment at the location of such work within the time usually allotted.

Under RRB regulation 20 CFR 327.15, a claimant may be requested at any time to show, as evidence of willingness to work, that he or she is making reasonable efforts to obtain work. In order to determine whether a claimant is; (a) available for work, and (b) willing to work, the RRB utilizes Forms UI-38 and UI-38s to obtain information from the claimant and Form ID-8k from his union representative. One response is completed by each respondent. The RRB proposes minor non-burden impacting editorial changes to Form(s) UI-38, UI-38s and ID-8k.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: U.S. Securities and Exchange

Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 609 and Form SIP; OMB Control No. 3235-0043; SEC File No. 270-23.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the existing collection of information provided for the following rule: Rule 609 (17 CFR 249.609) (formerly Rule 11Ab2-1) and Form SIP (17 CFR 249.1001).

On September 23, 1975, the Commission adopted Rule 11Ab2-1,¹ which under Regulation NMS has been redesignated as Rule 609 and Form SIP under the Securities Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*) to establish the procedures by which Securities Information Processor ("SIP") files and amends their SIP registration statements.² The information filed with the Commission pursuant to Rule 609 and Form SIP is designed to provide the Commission with the information necessary to make the required findings under the Act before granting the SIP's application for registration. In addition, the requirement that a SIP file an amendment to correct any inaccurate information is designed to assure that the Commission has current, accurate information with respect to the SIP. This information is also made available to members of the public.

Only exclusive SIPs are required to register with the Commission. An exclusive SIP is a SIP that engages on an exclusive basis on behalf of any national securities exchange or registered securities association, or any national securities exchange or registered securities association which engages on an exclusive basis on its own behalf, in collecting, processing, or preparing for distribution or publication, any information with respect to (i) transactions or quotations on or effected or made by means of any facility of such exchange or (ii) quotations distributed or published by means of any electronic quotation system operated by such association. The federal securities laws require that before the Commission may approve the registration of an exclusive SIP, it must make certain mandatory findings. It takes a SIP applicant

approximately 400 hours to prepare documents which include sufficient information to enable the Commission to make those findings. Currently, there are only two exclusive SIPs registered with the Commission; The Securities Information Automation Corporation ("SIAC") and The Nasdaq Stock Market, Inc. ("Nasdaq"). SIAC and Nasdaq are required to keep the information on file with the Commission current, which entails filing a form SIP annually to update information. Accordingly, the annual reporting and recordkeeping burden for Rule 609 and Form SIP is 400 hours. This annual reporting and recordkeeping burden does not include the burden hours or cost of amending a Form SIP because the Commission has already overstated the compliance burdens by assuming that the Commission will receive one initial registration pursuant to Rule 609 on Form SIP a year.

Rule 609 and Form SIP do not impose a retention period for any recordkeeping requirements. Completing and filing Form SIP is mandatory before an entity may become an exclusive SIP. Except in cases where confidential treatment is requested by an applicant and granted by the Commission pursuant to the Freedom of Information Act and the rules of the Commission thereunder, information provided in the Form SIP will be routinely available for public inspection. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Comments should be directed to (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: Alexander.T.Hunt@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted within 30 days of this notice.

Dated: June 9, 2008.

Florence E. Harmon,

Acting Secretary.
