

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0006, U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the approximately 200 grantees of the Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program (Arrest Program) whose eligibility is determined by statute. The Arrest Program was authorized through the Violence Against Women Act (VAWA) and reauthorized and amended by the Violence Against Women Act of 2000 (VAWA 2000) and by the Violence Against Women Act of 2005 (VAWA 2005). The Arrest Program promotes mandatory or pro-arrest policies and encourages jurisdictions to treat domestic violence and sexual assault as a serious crime, establish coordinated community responses and facilitate the enforcement of protection orders. By statute, eligible grantees for the Arrest Program are States, Indian tribal governments, State and local courts including juvenile courts, tribal courts, and units of local government. For the purpose of this Program, a unit of local government is any city, county, township, town, borough, parish, village, or other general-purpose political subdivision of a State; an Indian tribe that performs law enforcement functions as determined by the Secretary of Interior; or, for the purpose of assistance eligibility, any agency of the District of Columbia government or the United States Government performing law enforcement functions in and for the District of Columbia, and any Trust Territory of the U.S.

(5) *An estimate of the total number of respondents and the amount of time*

estimated for an average respondent to respond: It is estimated that it will take the 200 respondents (Arrest Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities that grantees may engage in, i.e., training or developing a protection order registry, and the different types of grantees that receive funds, i.e., law enforcement agencies, prosecutors' offices, courts, victim services agencies, etc. An Arrest Program grantee will only be required to complete those sections of the form that pertain to their own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is 400 hours, that is 200 grantees completing a form twice a year with an estimate completion time for the form being one hour.

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 30-day Notice of Information Collection Under Review: Crime Mapping Survey.

The Department of Justice (DOJ), Office of Justice Programs, National Institute of Justice (NIJ) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is

published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 72, Number 210, pages 616809-61681 on October 31, 2007, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until February 19, 2008. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information:

- (1) *Type of information collection:* Reinstatement with change.
- (2) *Title of the Form/Collection:* Crime Mapping Survey.
- (3) *Agency form number, if any, and the applicable component of the department sponsoring the collection:* Office of Research and Evaluation, National Institute of Justice, Office of Justice Programs, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Law Enforcement

Agencies. *Other:* None. This national survey is designed to do three things. One is to determine the extent to which police departments, specifically crime analysts, are utilizing computerized crime mapping since the first survey. Two is to understand to what extent crime mapping has been adopted since the first survey. Three is to expand the survey to understand the new ways that computerized crime mapping is being utilized, including the technologies adopted. Surveys will be mailed to a randomly selected sample of police departments. The questionnaire will determine the level of crime mapping within those departments, both in terms of hardware and software resources as well as the data used and types of maps that are produced and how they are used. The information collected from this survey will be used to advise the Mapping and Analysis for Public Safety (formerly the Crime Mapping Research Center) on what resources we need to provide to law enforcement who use, and want to use, crime mapping.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 112,123 respondents will complete each form within approximately 6 minutes.

(6) *An estimate of the total public burden (in hours) associated with the collection:* We estimate this survey will take 45 minutes per respondent, with the demographic section taking 10 minutes and the questions regarding crime mapping taking 35 minutes. Based on the expected sample of 2,630 respondents, the total estimated burden is 1,972 hours.

If additional information is required contact: Lynn Bryant, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, United States Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: January 14, 2008.
