DEPARTMENT OF LABOR

Employment and Training Administration

Publication of the Five-Year Research, Demonstration, and Evaluation Strategic Plan for 2007–2012

AGENCY: Employment & Training Administration, Labor.

ACTION: Notice of publication of *U.S. Department of Labor, Employment and Training Administration's Five-Year Research, Demonstration, and Evaluation Strategic Plan for 2007–2012.*

SUMMARY: Notice is hereby given of the publication of the U.S. Department of Labor, Employment and Training Administration's (USDOL/ETA) Five-Year Research, Demonstration, and Evaluation Strategic Plan for 2007–2012, hereafter referred to as ''Strategic Plan''. The Strategic Plan is required under the Workforce Investment Act (WIA) of 1998, Section 171. The attached Strategic Plan identifies the potential demonstration and pilot, multi-service, multi-state, research and evaluation efforts that will most assist ETA in carrying out workforce development programs under WIA.

FOR FURTHER INFORMATION CONTACT: Heidi M. Casta, USDOL/ETA, Office of Policy Development and Research, N–5641, 200 Constitution Avenue, NW., Washington, DC 20210; phone: (202) 693–3700; fax: (202) 693–2766; e-mail: *casta.heidi@dol.gov*.

SUPPLEMENTARY INFORMATION:

a. Why has the USDOL/ETA developed a five-year research, demonstration, and evaluation strategic plan?

Under Section 171 of WIA, the Secretary of Labor is required to submit, every two years, a plan that describes demonstration and pilot, multi-service, research and multi-state projects. The Strategic Plan focuses on priorities for USDOL/ETA concerning employment and training for the five-year period following the plan. By requiring such a plan, WIA has given USDOL/ETA the unique opportunity to conduct a literature review of previous employment and training studies and the research methodologies used for these studies, and to propose an agenda for the next five years (beginning July 2007) for pilots, demonstrations, research, and evaluation studies in areas related to workforce development programs and policies.

b. What is the purpose of the plan, and how is it structured?

The Strategic Plan provides an overview of prior research, current research and proposed direction for future research that builds on prior efforts. The Strategic Plan is composed of three major sections.

The first section describes a sampling of projects conducted during the previous five year period (2002–2007) and provides a web link to the published reports. This section is organized in four subtopics:

- Workforce Investment Act.
- Internet Unemployment Insurance Claims.
- Personal Reemployment Accounts.
- Youth Programs.

The second section describes a select sampling of current research, demonstration and evaluation projects and includes a web link to a list of current projects. This section is also organized in four subtopics:

- Labor Market and the Global Economy.
- Workforce Investment System Improvements.
- Existing and Emerging Labor Pools.
- Program Evaluation.

The third section focuses on the six priority areas for research, demonstration, and evaluation projects for the next five-year period (2007–2012). This section is organizes by the following six priority areas:

- Integration of Workforce and Regional Economic Development.
- Methods of Expanding U.S. Workforce Skills.
- Increasing the Labor Market Participation of Underutilized Populations.
- Using State-Level Administrative Data to Measure Progress and Outcomes.
- Post-Secondary Education and Job Training.
- Unemployment Insurance (UI).

I. Introduction

Section 171 of the Workforce Investment Act (WIA) of 1998 requires the Secretary of Labor to submit, every two years, a plan that describes demonstration and pilot, multi-service, research and multi-state projects that focus on priorities for the Department of Labor concerning employment and training for the five-year period following the plan. The Secretary is to consult with interested parties in the development of the plan and the plan is to contain strategies to address national employment and training problems. On behalf of the Secretary, Assistant Secretary Emily Stover DeRocco convened a meeting with experts from government, business and academia to discuss agency priorities and identify key research, demonstration, and evaluation priority areas for the 2007–2012 five-year period. This *Five-Year Research, Demonstration and Evaluation Strategic Plan for 2007–2012* has been developed in accordance with the requirements of Section 171.
