SUPPLEMENTARY INFORMATION: On December 19, 2007, the Commission instituted this investigation, based on a complaint filed by Anchor Sports I, Inc. of Richardson, Texas (“Anchor”). The complaint, as supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain base plugs by reason of infringement of certain claims of U.S. Patent No. 6,142,882. The complaint, as supplemented, further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint named two firms as respondents, Schutt Sports, Inc. of Litchfield, Illinois (“Schutt”), and East Texas Sports Center, Inc. (“East Texas”) of Marshall, Texas. The complainant requested that the Commission issue a limited exclusion order and cease and desist orders.

On August 7, 2008, Anchor, Schutt and East Texas filed a joint motion seeking termination of this investigation based upon a settlement agreement. On August 27, 2008, the ALJ issued an initial determination, Order No. 6, terminating the investigation on the basis of the settlement agreement. The ALJ found no indication that termination of the investigation on the basis of the settlement agreement would adversely affect the public interest, and that the procedural requirements for terminating the investigation had been met. No petitions for review were filed.

The Commission has determined not to review the subject ID. The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 CFR 210.42).

By order of the Commission.

Issued: September 18, 2008.

The conference was held in Washington, DC, on August 21, 2008, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on September 15, 2008. BILLING CODE 4410-18-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decrees Under the Resource Conservation and Recovery Act (RCRA)

Pursuant to 28 CFR 50.7, notice is hereby given that on September 17, 2008, two proposed consent decrees in *United States and Alabama Department of Environmental Management v. Brown Wood Preserving Co., Inc., and the James Graham Brown Foundation, Inc.*, Civil Action No. 2:08-CV-1720-RDP, were lodged with the United States District Court for the Northern District of Alabama.

These Consent Decrees will resolve claims asserted by the United States and the Alabama Department of Environmental Management (“ADEM”) against Brown Wood Preserving Co., Inc. (“Brown Wood”) and the James Graham Brown Foundation, Inc. (“JGBF”) for injunctive relief and civil penalties based on violations of the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. 6928, that occurred at a wood treatment facility located in Northport, Alabama, formerly owned and operated by JGBF and presently owned and operated by Brown Wood. The complaint in this action alleges that Brown Wood operated a hazardous waste disposal facility without a permit or interim status, in violation of 42 U.S.C. 6925(a), 40 CFR parts 264 and 270, and failed to properly respond to hazardous waste leaks from storage tanks, in violation of 40 CFR 264.196, and applicable parallel administrative provisions under Alabama state law. The complaint further alleges that the facility will be transferred back to JGBF by the end of 2008, and that injunctive relief against both defendants is necessary in order to prevent continuing violations of RCRA.

The proposed Consent Decrees settle these claims by requiring Brown Wood to shut down all wood preserving and treatment operations at the Facility and to transfer the Facility back to JGBF, which will, in turn, clean up the hazardous waste contamination at the Facility pursuant to a RCRA corrective action agreement between ADEM and JGBF.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the consent decrees. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to *pubcomment-ees.enrd@usdoj.gov* or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC
