SUPPLEMENTARY INFORMATION: The Departmental Advisory Committee on Commercial Operations of Customs and Border Protection and Related Homeland Security Functions (COAC) is an advisory committee established in accordance with the provisions of the Federal Advisory Committee Act (5 U.S.C., app.).

Purpose and Objective: The purpose of the Committee is to provide advice to the Commissioner of Customs and Border Protection, the Secretary of Homeland Security, and the Secretary of the Treasury on all matters involving the commercial operations of Customs and Border Protection (CBP) and related functions within the Department of Homeland Security (DHS) or Treasury, and to submit an annual report to Congress describing its operations and setting forth any recommendations. The Committee provides a critical and unique forum for distinguished representatives of diverse industry sectors to present their views and advice directly to senior Treasury, DHS, and CBP officials. This is done on a regular basis in an open and candid atmosphere.

Balanced Membership Plans: The members will be selected by the Commissioner of CBP (subject to approval by the Secretary of Homeland Security and the Secretary of the Treasury) from representatives of the trade and transportation community that do business with CBP, or others who are directly affected by CBP commercial operations and related functions. In addition, members will represent major regions of the country, and, by statute, not more than ten of the Committee's members may be affiliated with the same political party.

Background

In the Omnibus Budget Reconciliation Act of 1987 (Pub. L. 100-203), Congress directed the Secretary of the Treasury to create an Advisory Committee on Commercial Operations of the U.S. Customs Service (now CBP). The Committee is to consist of twenty members drawn from industry sectors affected by CBP commercial operations with balanced political party affiliations. The Committee's first two-year charter was filed on October 17, 1988, and the Committee has been

renewed for subsequent two-year terms nine times since then.

With the creation of DHS, the Secretary of the Treasury delegated a joint chair and Committee management role to the Secretary of Homeland Security (see Treasury Department Order No. 100-16, 19 CFR Part 0 Appx.). In Delegation Number 7010.3 (May, 2006), the Secretary of Homeland Security delegated to the Commissioner of CBP the authority to preside jointly with Treasury over the meetings of the Committee, to make appointments (subject to approval of the Secretary of Homeland Security) to COAC jointly with Treasury, and to receive COAC advice.

It is expected that, during its eleventh two-year term, the Committee will consider issues relating to enhanced border and cargo supply chain security. COAC will continue to provide advice and report on matters such as CBP modernization and automation, informed compliance and compliance assessment, account-based processing, commercial enforcement and uniformity, international efforts to harmonize customs practices and procedures, strategic planning, northern border and southern border issues, and relationships with foreign customs authorities.

Committee Meetings

The Committee meets at least once each quarter, although additional meetings may be scheduled. Generally, every other meeting of the Committee may be held outside of Washington, DC, usually at a CBP port of entry.

Committee Membership

Membership on the Committee is personal to the appointee and is concurrent with the two-year duration of the charter for the eleventh term. Under the Charter, a member may not send an alternate to represent him or her at a Committee meeting. However, since Committee meetings are open to the public, another person from a member's organization may attend and observe the proceedings in a nonparticipating capacity. Regular attendance is essential; the Charter provides that a member who is absent for two consecutive meetings or two meetings in a calendar year shall be recommended for replacement on the Committee.

No person who is required to register under the Foreign Agents Registration Act as an agent or representative of a foreign principal may serve on this advisory committee.

Members who are currently serving on the Committee are eligible to re-apply for membership provided that

they are not in their second consecutive term and that they have met attendance requirements. A new application letter (see **ADDRESSES** above) is required, but it may incorporate by reference materials previously filed (please attach courtesy copies).

Members will not be paid compensation by the Federal Government for their services with respect to the COAC.

Application for Advisory Committee Appointment

There is no prescribed format for the application. Applicants may send a letter describing their interest and qualifications and enclose a resume.

Any interested person wishing to serve on the Committee must provide the following:

- Statement of interest and reasons for application;
- Complete professional biography or resume;
- Political affiliation, in order to ensure balanced representation (mandatory). If no party registration or allegiance exists, indicate "independent" or "unaffiliated".

In addition, all applicants must state in their applications that they agree to submit to pre-appointment background and tax checks (mandatory). However, a national security clearance is not required for the position.

In support of the policy of DHS on gender and ethnic diversity, qualified women and members of minority groups are encouraged to apply for membership.

Dated: January 30, 2008.

W. Ralph Basham,

Commissioner, Customs and Border Protection.
