BILLING CODE 7710-12-P

POSTAL SERVICE**39 CFR Part 111****Periodicals—Limited Circulation Rate**

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: This final rule revises the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to provide the eligibility standards for the Outside-County Limited Circulation rate that has been approved by the Governors of the United States Postal Service. Eligible issues of publications entitled to use this rate will receive a 5% discount on qualifying Outside-County copies. As set forth in the new standards, publications in each of the qualification categories may be eligible for the rate; issues of these publications will qualify if eligible copies are mailed at In-County rates and the total number of Outside-County copies mailed for that issue is less than 5,000.

DATES: *Effective Date:* May 12, 2008.

FOR FURTHER INFORMATION CONTACT: Jerry Lease, 202-268-7264, or Sue Thomas, 202-268-7268, United States Postal Service.

SUPPLEMENTARY INFORMATION: Section 1003 of the Postal Accountability and Enhancement Act, Public Law No. 109-

435, 120 Stat. 3198, requires the Postal Service to establish, in accordance with the procedures in 39 U.S.C. 3622, a reduced rate of postage for certain copies of publications with at least one copy mailed at In-County rates, and less than 5,000 copies mailed to addresses outside of the county in which copies are eligible to be mailed at In-County rates. Publications in each qualification category may be eligible for the discount. Although the literal language of the statute does not appear to cover Requester publications, other parts of the statute allow Requester publications to qualify for Nonprofit, Classroom, and other preferred Periodicals rates and it appears consistent with the spirit of the law to allow them to qualify for the Limited Circulation rate as well. In order to do so, the new standards provide that circulation limits apply to paid and requester circulation, depending upon the qualification category of the publication.

The discount does not apply to commingled nonsubscriber or nonrequester copies in excess of the 10% allowance in DMM 707.7,

Nonprofit Periodicals, Classroom Periodicals, and Limited Circulation Science-of-Agriculture Periodicals publications. Limited Circulation Science-of-Agriculture publications receive a similar reduced rate of postage when also meeting the requirements of DMM 707.11.2.2.

The eligibility test established by the statute considers the outside county circulation of the issue. Accordingly, whether individual copies of a publication within one of the eligible qualification categories can utilize the discount must be determined on an issue-by-issue basis.

The Postal Service adopts the following changes to the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), which is incorporated by reference in the Code of Federal Regulations. See 39 CFR Part 111.

707.0 Rates and Fees

1.0 Rates and Fees

1.1 Outside-County—Including Science-of-Agriculture

[Revise 1.1.1 to incorporate the 5% discount for Limited Circulation rates and Limited Circulation Science-of-Agriculture rates as follow:]

1.1.1 Pound Rates

Per pound or fraction:

Preferred Rate Discounts: Authorized Nonprofit and Classroom mailers, and publications that meet the standards for Limited Circulation publications and Limited Circulation Science-of-Agriculture publications receive a discount of 5% off the total Outside-

County postage excluding the postage for advertising pounds. The 5% discount does not apply to commingled nonsubscriber or nonrequester copies in excess of the 10% allowance in DMM 707.7.

* * * * *

[Add new 1.1.8, and 1.1.9 as follows:]

1.1.8 Limited Circulation Publications

Publications, excluding Nonprofit, Classroom, and Limited Circulation Science-of-Agriculture publications receive a 5% discount off the total Outside-County postage, excluding the postage for advertising pounds, if eligible copies are mailed at In-County rates and the total number of Outside-County copies mailed for that issue is less than 5,000. Nonsubscriber or nonrequester copies claiming the Limited Circulation discount are subject to the standards in 7.0.

1.1.9 Limited Circulation Science-of-Agriculture Publications

Publications meeting the requirements of 11.2.2 receive a 5% discount off the total Outside-County postage, excluding the postage for advertising pounds, if eligible copies are mailed at In-County rates and the total number of Outside-County copies mailed for that issue is less than 5,000. Nonsubscriber copies claiming the Limited Circulation discount are subject to the standards in 7.0.

7.0 Mailing to Nonsubscribers or Nonrequesters

* * * * *

[Revise 7.9.3 to incorporate provisions limiting the number of nonsubscriber or nonrequester copies that may be mailed at the new Limited Circulation and Limited Circulation Science-of-Agriculture rates as follows:]

7.9.3 Preferred Rates

For In-County rates, Nonprofit, Classroom, Science-of-Agriculture, Limited Circulation, and Limited Circulation Science-of-Agriculture publications, nonsubscriber (for Periodicals except requester publications) or nonrequester (for requester publications) copies up to 10% of the total number of copies mailed to subscribers or requesters during the calendar year may be mailed at the applicable Preferred rates or Preferred rate discount, provided that the nonsubscriber or nonrequester copies would qualify as Preferred rate or Preferred rate discount publications if mailed to subscribers or requesters and if the copies are presorted under applicable standards. Nonsubscriber or nonrequester copies mailed over the

10% limit are not eligible for Preferred rates or the Preferred rate discount. To qualify for regular Outside-County rates, the nonsubscriber or nonrequester copies over the 10% limit must be part of a presorted, commingled mailing (one that includes subscriber or requester copies). Subject to 11.3, nonsubscriber or nonrequester copies may be mailed at In-County rates up to a 10% limit of the total number of subscriber or requester copies of the publication mailed at In-County rates during the calendar year. Once the 10% calendar year limit is exceeded for the number of nonsubscriber or nonrequester copies that may be mailed at Preferred rates or the Preferred rate discount, the nonsubscriber or nonrequester copies may not then be mailed at In-County rates even if the 10% limit separately applied to those rates is not exceeded.

11.0 Basic Rate Eligibility

* * * * *

11.1 Outside-County Rates

* * * * *

[Add new 11.1.4 as follows:]

11.1.4 Limited Circulation Discount

Publications, excluding Nonprofit, Classroom, and Limited Circulation Science-of-Agriculture publications, receive a 5% discount off the total Outside-County postage, excluding the postage for advertising pounds, if eligible copies are mailed at In-County rates and the total number of Outside-County copies mailed for that issue is less than 5,000. Nonsubscriber or nonrequester copies claiming the Limited Circulation discount are subject to the standards in 7.0.

11.2 Outside-County Science-of-Agriculture Rates

* * * * *

[Revise the first sentence in 11.2.2 to include the words “or requesters” as follows:]

11.2.2 General

Science-of-Agriculture rates apply to Outside-County copies of authorized Periodicals publications mailed by publishers or news agents when the total copies provided during any 12-month period to subscribers or requesters residing in rural areas are at least 70% of the total number of copies distributed by any means for any purpose.

[Revise heading and text of 11.2.3 as follows:]

11.2.3 Limited Circulation Science-of-Agriculture Discount

Premium Forwarding Service

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: This final rule revises *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to make Premium Forwarding Service (PFS) a permanent mail classification. There are no major changes in the permanent PFS classification compared with the experimental service offering.

DATES: *Effective Date:* March 2, 2008.

FOR FURTHER INFORMATION CONTACT:

Laraine Hope at 202-268-2138 or Garry Rodriguez at 202-268-7281.

SUPPLEMENTARY INFORMATION: The Postal Service published a final rule in the *Federal Register* on June 10, 2005 (70 FR 33836), introducing a new service called Premium Forwarding Service (PFS). PFS is a personalized service for reshipping mail from a customer's primary mailing address to a temporary address on a weekly basis using Priority Mail®. With PFS, the Postal Service reships mail to customers who are away for at least two weeks and up to one year.

The Postal Service filed a Request for a Recommended Decision with the Postal Regulatory Commission on July 31, 2007, to make the experimental classification permanent. On January 7, 2008, the Postal Regulatory Commission issued its Recommended Decision that PFS become a permanent service offering (Docket No. MC2007-3). The Governors accepted that recommendation and the Board of Governors (BOG) of the Postal Service, in Resolution 08-1 (January 24, 2008),

directed implementation of PFS as a permanent mail classification on March 2, 2008.

PFS will be a permanent classification effective March 2, 2008. There are no major changes in the permanent PFS classification compared with the experimental service offering.

There were two minor changes made to the DMM language. The name of the fee charged to customers when they apply to use PFS is now referred to as an "application fee" for consistency. Also, the references to oversized parcels in renumbered sections 3.3.7 (formerly 709.4.3.7) and 3.4.1 (formerly 709.4.4.1) were removed due to redundancy. Although the references to oversized parcels have been removed from the aforementioned sections, any oversized parcel not requiring a scan or signature or arriving postage due at the primary address is still charged the appropriate oversized Parcel Post® rate.

The Postal Service adopts the following changes to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), which is incorporated by reference in the *Code of Federal Regulations*. See 39 CFR 111.1.

[Re number 3.0 through 12.0 as 4.0 through 13.0. Add new 3.0, Premium Forwarding Service, as follows:]

3.0 Premium Forwarding Service

3.1 Rates and Fees

3.1.1 Application Fee

Customers must pay a \$10.00 nonrefundable application fee.

3.1.2 Weekly Reshipment Charge

The reshipment charge for each Priority Mail shipment to one temporary

address is \$11.95 for each week of service requested. The amount due for the total weeks requested must be paid in full at the time the application is received.

3.1.3 Extension of Service

A Premium Forwarding Service (PFS) customer may contact the post office responsible for delivery to the primary address prior to the last shipment date and extend PFS service (up to 1 year maximum service from the initial start date) as needed. An extension is processed only after the post office receives payment of the reshipment charges due for the total weeks of extension requested.

3.1.4 Early Termination of Service

A customer who terminates PFS early (e.g., a customer prepays for 10 weeks but returns to a primary address after 8 weeks, either temporarily or permanently) may request a refund for any unused weekly shipment charges from the post office serving the primary address. The application fee is nonrefundable.

3.2 Basic Standards

3.2.1 Description

Premium Forwarding Service (PFS) provides residential delivery customers and certain post office box customers an option to have all mail addressed to their primary address reshipped or rerouted to a temporary address, mainly by means of a weekly Priority Mail shipment. PFS is available for a period of not less than 2 weeks and not more than 1 year. This optional service is separate from the piece-by-piece forwarding service offered in 2.0, whereby only certain mailpieces are forwarded.

3.2.2 Use

Participation in PFS is subject to the following standards:

a. PFS is available to residential delivery customers and to post office box customers with a size-one or size-two post office box.

b. A customer must submit a completed PFS application, Form 8176, *Premium Forwarding Service (PFS) Application*, as specified by the Postal Service. The application fee and weekly reshipment charges for the full duration of the requested service must accompany the application.

c. Except as provided in 3.2.2d, customers must designate on the application whether the order is for an "Individual" or an "Entire Household."

d. For customers whose primary address is a post office box, only the box customer is authorized to initiate the
