

II. Description of the Proposal

Under the Exchange's current Fees Schedule, Principal ("P") and Principal Acting as Agent ("P/A") Orders⁴ are charged a transaction fee of \$.26 per contract.⁵ Satisfaction orders are not assessed Exchange fees. Linkage fees are operating under a pilot program scheduled to expire on July 31, 2008. The Exchange has proposed to increase its Linkage transaction fee for P and P/A Orders from \$.26 per contract to \$.30 per contract.

III. Discussion

After careful review, the Commission finds that the proposed rule change, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁶ and, in particular, the requirements of section 6 of the Act.⁷ Specifically, the Commission finds that the proposal is consistent with section 6(b)(4),⁸ in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE members and other persons using its facilities.

The Exchange has represented that the proposed fee increase would help the Exchange partially offset its costs of crediting Linkage fees and related costs to Designated Primary Market-Makers ("DPMs") pursuant to the Exchange's DPM Linkage Fees Credit Program.⁹ The Commission believes that the proposed increase in fees is reasonable for this purpose. Further, the Commission notes that the fees proposed by CBOE are commensurate with the fees charged by other options exchanges for Linkage Orders. Finally, the Commission notes that the Exchange's fees are operating

⁴ Under the Plan for the Purpose of Creating and Operating an Options Intermarket Linkage ("Plan") and Exchange Rule 6.80(12), which tracks the language of the Plan, a "Linkage Order" means an Immediate or Cancel Order routed through the Linkage as permitted under the Plan. There are three types of Linkage Orders: (i) "P/A Order", which is an order for the principal account of a specialist (or equivalent entity on another Participant Exchange that is authorized to represent Public Customer orders), reflecting the terms of a related unexecuted Public Customer order for which the specialist is acting as agent; (ii) "P Order", which is an order for the principal account of an Eligible Market Maker and is not a P/A Order; and (iii) "Satisfaction Order," which is an order sent through the Linkage to notify a member of another Participant Exchange of a Trade-Through and to seek satisfaction of the liability arising from that Trade-Through.

⁵ Linkage orders in MNX, NDX and RUT options are also charged a \$.10 per contract surcharge fee. See CBOE Fees Schedule, Footnote 14.

under a pilot program in effect until July 31, 2008.¹⁰

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-CBOE-2007-151) is approved.

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment Number 1 Thereto Relating to Participant Fees and Credits

February 12, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 31, 2008, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. On February 11, 2008, CHX filed Amendment No. 1 to the proposed rule change. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

(the "Fee Schedule") to modify the fees for the receipt of orders through the CHX Connect network. The text of this proposed rule change is available on the Exchange's Web site at http://www.chx.com/rules/proposed_rules.htm, the Exchange, and in the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CHX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CHX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Through this filing, the Exchange would amend its Fee Schedule to modify the fees for the receipt of orders through the CHX Connect network.⁵ Under the current Fee Schedule, the Exchange charges a \$10,000 base fee per month to any participant firm that receives orders through the CHX Connect network and charges an additional fee of \$.0004 per share for executions that are processed by the network.⁶ The Exchange also applies a credit of \$.0004 for each provide share executed in the Exchange's Matching System.⁷ Through this filing, the Exchange proposes to decrease the monthly base fee to \$5,000 per month and apply an increased credit of \$.0008 for each provide share executed in the

⁵ The Exchange's CHX Connect system is a communications service that allows its participants to route orders to any destination connected to the CHX's network, including (1) the CHX Matching System; (2) CHX institutional brokers; (3) market makers or other broker-dealers connected to the CHX's network, which provide order handling and execution services in the over-the-counter market; and (4) other destinations (including order-routing vendors) that are connected to the CHX's network. See Securities Exchange Act Release No. 54846 (November 30, 2006), 71 FR 71003 (December 7, 2006) (SR-CHX-2006-34). Fees are charged under the Fee Schedule to participants that receive orders through this service.

⁶ The base fee is prorated in the first month of use, based on the date that a participant firm begins using the service.

⁷ No credits are carried over from month to month and these credits cannot be used to reduce the base fee below \$5,000 per month.

Matching System.⁸ This proposed fee change is designed to take effect on February 1, 2008.

These changes are designed to create incentives for Exchange participants to use the CHX Connect network and for users of the CHX Connect network to send orders to the Exchange's Matching System. The Exchange believes that these fee changes equitably allocate fees among CHX participants (including those participants using the CHX Connect network) while helping to offset the costs of providing the network.⁹

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)(4) of the Act¹⁰ in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is filed pursuant to Section 19(b)(3)(A)(ii) of the Act¹¹ and subparagraph (f)(2) of Rule 19b-4 thereunder¹² because it establishes or changes a due, fee, or other charge applicable only to a member imposed by a self-regulatory organization. Accordingly, the proposal is effective upon Commission receipt of the filing. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

⁸ These credits may not be used to reduce the overall fee below \$5,000 per month.

⁹ The CHX had increased the monthly fee to \$10,000 per month, effective December 1, 2007. Although the Exchange had notified affected participants of the proposed change, at least one of those participants voiced concerns about the fee increase soon after it took effect. The Exchange has determined that it is appropriate to continue to offer the CHX Connect services, with a reduced monthly fee and an additional incentive to place orders in the Exchange's Matching System for execution.

or otherwise in furtherance of the purposes of the Act.¹³
