SUPPLEMENTARY INFORMATION: This Notice informs the public that the U.S. Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, a proposed information collection for the Community Development Block Grant Recovery (CDBG-R) program, which is authorized under the American Recovery and Reinvestment Act (Recovery Act) of 2009. Title XII of

Division A of the Recovery Act appropriated \$1 billion to carry out the CDBG program under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301, *et seq.*) on an expedited basis. These funds will be distributed to grantees that received CDBG funding in Fiscal Year (FY) 2008 in accordance with the provisions of 42 U.S.C. 5306. HUD will administer these funds as the Community Development Block Grant Recovery (CDBG-R) funds and require a substantial amendment to the grantee's 2008 annual action plan as a condition of receiving funds. The formulas for the allocation of CDBG-R funds are the same as the formulas used for the annual allocation of CDBG funds to the states, entitlement grantees, non-entitlement counties in Hawaii, and Insular Areas. On February 25, 2009, HUD announced the list of the CDBG-R allocations, and these may be found at <http://www.hud.gov/recovery/cdblock.cfm>.

In addition, Section 1512 of the Recovery Act requires that not later than 10 days after the end of each calendar quarter, each recipient that received recovery funds from a federal agency shall submit a report to that agency that contains: (1) The total amount of recovery funds received from that agency; (2) the amount of recovery funds received that were expended or obligated to projects or activities; and (3) a detailed list of all projects or activities for which recovery funds were expended or obligated, including the name of the project or activity; a description of the project or activity; an evaluation of the completion status of the project or activity; an estimate of the number of jobs created and the number of jobs retained by the project or activity; and for infrastructure investments made by State and local governments, the purpose, total cost, and rationale of the agency for funding the infrastructure investment with funds made available under the Recovery Act and name of the person to contact at the agency if there are concerns with the infrastructure investment. Not later than 30 calendar days after the end of each calendar quarter, each agency that made Recovery Act funds available to any recipient shall make the information in reports submitted publicly available by posting the information on a Web site.

This Notice also lists the following information:

Grantees who receive ARRA funding for projects must report on the status and progress of their projects and activities with respect to compliance with the National Environmental Policy Act (NEPA) requirements and documentation. HUD will consolidate and transmit the information received from grantees to the Council on Environmental Quality and OMB for the Administration's reports to the House and Senate committees designated in the legislation.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5280-N-19]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney

Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other

Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: COAST GUARD: Commandant, United States Coast Guard, Attn: Melissa Evans, 1900 Half St., SW, CG-431, Washington, DC 20593-0001; (202) 475-5628; COE: Ms. Kim Shelton, Army Corps of Engineers, Office of Counsel, CECC-R, 441 G Street, NW., Washington, DC 20314; (202) 761-7696; GSA: Mr. Gordon Creed, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; NAVY: Mrs. Mary Arndt, Acting Director, Department of the Navy, Real Estate Services, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9305; (These are not toll-free numbers).

[FWS-R6-R-2008-N0346; 60138-1265-6CCP-S3]

Final Comprehensive Conservation Plan for Pathfinder National Wildlife Refuge, Wyoming

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of Availability.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service) announce that the Final Comprehensive Conservation Plan (CCP) for the Pathfinder National Wildlife Refuge (NWR) is available. This CCP, prepared pursuant to the National Wildlife Refuge System Improvement Act of 1997 and the National Environmental Policy Act of 1969, describes how the Service intends to manage the Pathfinder NWR for the next 15 years.

ADDRESSES: A copy of the CCP or Summary may be obtained by writing to U.S. Fish and Wildlife Service, Division of Refuge Planning, 134 Union Boulevard, Suite 300, Lakewood, Colorado 80228, or downloaded from <http://mountain-prairie.fws.gov/planning>.

FOR FURTHER INFORMATION CONTACT: Toni Griffin, 303-236-4378 (phone); 303-236-4792 (fax); or toni_griffin@fws.gov (e-mail).

SUPPLEMENTARY INFORMATION: Located in central Wyoming in a high plains basin near the headwaters of the Platte-Kansas Ecosystem, Pathfinder National Wildlife Refuge (NWR) lies approximately 47 miles southwest of Casper, Wyoming. The Pathfinder NWR is managed by Service staff headquartered at the Arapaho NWR near Walden, Colorado.

Pathfinder NWR was established by Executive Order 7425, August 1, 1936, which designated the Pathfinder Wildlife Refuge, "as a refuge and breeding ground for birds and other wildlife." Pathfinder NWR was established as an overlay refuge on Bureau of Reclamation lands. The Bureau of Reclamation administers lands within the Pathfinder Project boundary for North Platte Project purposes including flood control, irrigation and hydroelectric power generation. A Memorandum of Agreement specifies the management responsibilities of the U.S. Fish and Wildlife Service while preserving the autonomy of Bureau of Reclamation to manage Pathfinder Dam and Reservoir.

This final CCP identifies goals, objectives, and strategies for the management of Pathfinder NWR that emphasize management of refuge habitats for migratory birds. The CCP places high importance on obtaining baseline data for the refuge, control of invasive plant species, and utilizing partnerships to support the purposes of the refuge. It seeks to provide habitats to contribute to conservation, enhancement, and production of migratory bird species while protecting Federally listed species.

The availability of the draft CCP and Environmental Assessment (EA) was announced in the **Federal Register** on July 28, 2008 (73 FR 43777-78), and made available for a 30-day public review and comment period. The draft CCP/EA evaluated three alternatives for managing Pathfinder NWR for the next 15 years.

The preferred alternative would modify the Memorandum of Agreement between the Bureau of Reclamation and the Service to eliminate Service interest in lands (approximately 10,800 acres) that are difficult to manage and provide minimal opportunity to improve wildlife habitat. Remaining refuge areas will be evaluated and managed for the benefit of migratory bird species. Monitoring and management of invasive species on the refuge will be increased. With additional staffing, the Service
