SUPPLEMENTARY INFORMATION:

I. Abstract

NASA's Science Engineering Mathematics and Aerospace Academy (SEMAA) is a national education project, which works with K–12 students and their families, that employs hands-on, inquiry-based activities and emphasizes the benefits of STEM literacy. This data collection will help to assess SEMAA project effectiveness and to provide data that can inform decisions made by NASA leadership and local sites about project modifications and implementation.

II. Method of Collection

Data will be collected by means of a telephone survey with site directors and via paper surveys from applicants and participants and their parents.

III. Data

Title: SEMAA (Science Engineering Mathematics and Aerospace Academy) Program Evaluation.

OMB Number: 2700–XXXX.

Type of Review: New collection.

Affected Public: Individuals or households.

Estimated Number of Respondents: 2030.

Estimated Number of Responses per Respondent: 2.

Estimated Time Per Response: 0.5 hour.

Estimated Total Annual Burden Hours: 2030 hours.

Estimated Total Annual Cost: $0.00.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Walter Kit,

NASA Clearance Officer.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

Notice: (08–102).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Dr. Walter Kit, National Aeronautics and Space Administration, Washington, DC 20546–0001.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Dr. Walter Kit, NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JE0000, Washington, DC 20546, (202) 358–1350, *Walter.Kit-1@nasa.gov*.

SUPPLEMENTARY INFORMATION:

I. Abstract

The NASA Contractor Financial Management Reporting System is the basic financial medium for contractor reporting of estimated and incurred costs, providing essential data for projecting costs and hours to ensure that contractor performance is realistically planned and supported by dollar and labor resources. The data provided by these reports is an integral part of the Agency's accrual accounting and cost-based budgeting systems required under 31 U.S.C. 3512.

II. Method of Collection

NASA collects this information electronically where feasible, but information may also be collected by mail or fax.

III. Data

Title: NASA Contractor Financial Management Reports.

OMB Number: 2700–0003.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit, not-for-profit institutions.

Estimated Number of Respondents: 850.

Estimated Time Per Response: 9 hrs.

Estimated Total Annual Burden Hours: 91,500.

Estimated Total Annual Cost: $0.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

NATIONAL MEDIATION BOARD

Submission for OMB Review; Comment Request

AGENCY: National Mediation Board (NMB).

SUMMARY: The Director, Office of Administration, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments within 30 days from the date of this publication.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Office of Administration, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection contains the following: (1) Type of review requested, e.g., new, revision extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Currently, the National Mediation Board is soliciting comments concerning the proposed extension of the Application for Mediation Services and is interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the agency; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the agency enhance the quality, utility, and clarity of the information to be collected; and (5) how might the agency minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: December 30, 2008.

June D. W. King,

Director, Office of Administration, National Mediation Board.

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC–2008–0481]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: U.S. Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The NRC invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor and that a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* ''Environmental Protection Regulations for Domestic Licensing and Related Regulatory Functions.''

2. *Current OMB approval number:* 3150–0021.

3. *How often the collection is required:* Upon submittal of an application for a construction permit, operating license, operating license renewal, early site review, design certification review, decommissioning or termination review, or manufacturing license, or upon submittal of a petition for rulemaking.

4. *Who is required or asked to report:* Licensees and applicant requesting approvals for actions proposed in accordance with the provisions of 10 CFR Parts 30, 32, 33, 34, 35, 36, 39, 40, 50, 52, 54, 61, 61, 70, and 72.

5. *The number of annual respondents:* 23

6. *The number of hours needed annually to complete the requirement or request:* 92,281.

7. *Abstract:* 10 CFR Part 51 specifies information to be provided by applicants and licensees so that the NRC can make determinations necessary to adhere to the policies, regulations, and public laws of the United States, which are to be interpreted and administered in accordance with the policies set forth in the National Environmental Policy Act of 1969, as amended.

Submit, by March 6, 2009, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

A copy of the draft supporting statement may be viewed free of charge at the NRC Public Document Room, One White Flint North, 11555 Rockville Pike, Room O–1 F21, Rockville, Maryland 20852. OMB clearance requests are available at the NRC worldwide Web site: *http://www.nrc.gov/public-involve/doc-comment/omb/index.html*. The document will be available on the NRC home page site for 60 days after the signature date of this notice. Comments submitted in writing or in electronic form will be made available for public inspection. Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed. Comments submitted should reference Docket No. NRC–2008–0481. You may submit your comments by any of the following methods. Electronic comments: Go to *http://www.regulations.gov* and search for Docket No. NRC–2008–0481. Mail comments to NRC Clearance Officer, Gregory Trussell (T–5 F53), U.S. Nuclear Regulatory Commission,
