## **II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

### *A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change*

#### **1. Purpose**

Pursuant to Rule 17d-2 under the Securities Exchange Act of 1934, the American Stock Exchange, LLC (n/k/a NYSE Amex, LLC), the Boston Stock Exchange, Inc., the Chicago Board Options Exchange, Inc., the International Securities Exchange, LLC, Financial Industry Regulatory Authority, Inc., The NASDAQ Stock Market LLC, the New York Stock Exchange, LLC, NYSE Arca, Inc., and the Philadelphia Stock Exchange, Inc. (collectively the “Options Self Regulatory Council”), entered into an agreement dated June 5, 2008 (the “17d-2 Agreement”) to allocate regulatory

responsibility for common rules. By this proposal, the Exchange seeks to harmonize its ‘Sharing in Accounts’ rule with FINRA’s rule for purposes of the 17d-2 Agreement.

In order to maintain substantial similarity with FINRA rules, the Exchange proposes to delete the language of NYSE Amex Rule 390 related to sharing in the profits and losses of a customer account, and replace it with the language of FINRA 2150(c), Sharing in Accounts; Extent Permissible. FINRA Rule 2150(c) contains the same prohibition against sharing in accounts as NYSE Amex Rule 390, but with additional limited exceptions. The general prohibition contained in NYSE Amex Rule 390 against sharing in the profits or losses of a customer account is currently covered by the 17d-2 Agreement. However, the limited exceptions of FINRA Rule 2150(c) are not covered by the 17d-2 Agreement. The Exchange proposes to add those limited exceptions in order to harmonize its rule with the FINRA rule and add those limited exceptions to the 17d-2 Agreement. The portion of the rule prohibiting the guarantee of a customer against loss will remain in place.

#### **2. Statutory Basis**

The proposed rule change is consistent with Section 6(b)<sup>4</sup> of the Act, in general, and furthers the objectives of Section 6(b)(5)<sup>5</sup> in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. Specifically, the changes proposed herein, by harmonizing NYSE Amex rules with FINRA rules, provide NYSE Amex Members with a clearer regulatory scheme. The Exchange further notes that the changes proposed herein are neither novel nor controversial and are modeled on existing FINRA rules.

### *B. Self-Regulatory Organization’s Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

<sup>5</sup> 15 U.S.C. 78f(b)(5).

## **C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others**

No written comments were solicited or received with respect to the proposed rule change.

## **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>6</sup> and Rule 19b-4(f)(6) thereunder.<sup>7</sup> Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>9</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>10</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>11</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Exchange Act Rule 19b-4(f)(6)(iii).<sup>12</sup> The Exchange requests this waiver so that these changes can be both immediately effective and operative, thus minimizing any possible confusion. The Exchange believes that by harmonizing NYSE Amex rules with FINRA rules, NYSE Amex Members will be provided with a clearer regulatory scheme. The Commission believes that waiving the 30-day operative delay will permit the Exchange to harmonize its rules with the corresponding FINRA rule immediately, thus promoting

<sup>7</sup> 17 CFR 240.19b-4(f)(6).

<sup>8</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>9</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied the pre-filing requirement.

<sup>11</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>12</sup> 17 CFR 240.19b-4(f)(6)(iii).

clarity with respect and minimizing confusion with respect to the requirements regarding guarantees and sharing in accounts.<sup>13</sup> The Commission notes that the FINRA financial responsibility rules are currently in operation. For these reasons, the Commission designates the proposed rule change as operative upon filing. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## SECURITIES AND EXCHANGE COMMISSION

### Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Order Approving a Proposed Rule Change Relating to Co-Location Service Fees

#### I. Introduction

On January 28, 2010, Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change relating to co-location services and related fees. The proposed rule change was published for comment in the **Federal Register** on February 10, 2010.<sup>3</sup> The Commission received no comment letters on the proposal. This order approves the proposed rule change.

#### II. Description

For a monthly fee, the Exchange provides members with cabinet space in CBOE's building for placement of network and server hardware. The fee is \$10 per month per "U" of shelf space (which is equal to 1.75 inches).<sup>4</sup> A

<sup>14</sup> 17 CFR 200.30-3(a)(12).

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> See Securities Exchange Act Release No. 61489 (February 4, 2010), 75 FR 6764 ("Notice").

member also receives power, cooling, security and assistance with installation and connection of the equipment to the Exchange's servers, at no additional charge. This "co-location service" provides members with close physical proximity to the Exchange's electronic trading system, which helps meet their need for high performance processing and low latency.

The co-location service is available to any member that requests the service and pays the monthly fee.<sup>5</sup> In the Notice, the Exchange represented that it believes that for the foreseeable future, it has sufficient space to accommodate all members who may request the co-location service. In addition, the Exchange represented that, other than the co-location service, the Exchange does not provide any co-locating member with any advantage over any other co-locating member or any non-co-locating member with respect to access to the Exchange's trading system. Further, the Exchange represented that its systems are designed to minimize, to the extent possible, any advantage for one member over another. The Exchange noted that the above representations apply equally to both inbound and outbound data.

The proposal clarifies the Exchange's Fee Schedule relating to co-location fees in two respects. First, the Exchange proposes to move the co-location fees from Section 17 of the Fees Schedule (Hybrid Fees) to Section 8 (Facility Fees) because it believes that these fees are more accurately described as facility fees. Second, the Exchange proposes to clarify that the co-location fees are charged in increments of 4 "U" (which is equal to 7 inches) because the cabinet space is available in 4 U increments.

#### III. Discussion and Commission's Findings

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national

The fee for a Sponsored User is \$20 per month per "U." See Securities Exchange Act Release No. 58189 (July 18, 2008), 73 FR 43274 (July 24, 2008).

<sup>5</sup> A member using the co-location service may also pay certain CBOEdirect Connectivity Charges that are set forth in Section 16 of the Fee Schedule. The Exchange represents that these fees are charged for member connectivity to CBOEdirect regardless of whether or not a member is using the co-location service. These fees include a \$40 per month "CMi Application Server" fee for server hardware used to connect to the CBOE CMi API, a \$40 per month "Network Access Port" fee for use of the CMi API, and a \$40 per month "FIX Port" fee for use of the FIX API. See Securities Exchange Act Release No. 57191, *supra* note 1. Each of the foregoing fees is \$80 per month for a Sponsored User. See Securities Exchange Act Release No. 58189, *supra* note 1.
