[Docket No. FDA-2010-N-0001]

Vaccines and Related Biological Products Advisory Committee; Notice of Meeting

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

This notice announces a forthcoming meeting of a public advisory committee of the Food and Drug Administration (FDA). The meeting will be open to the public.

Name of Committee: Vaccines and Related Biological Products Advisory Committee.

General Function of the Committee: To provide advice and recommendations to the agency on FDA's regulatory issues.

Date and Time: The meeting will be held on May 7, 2010, from 8 a.m. to approximately 4:30 p.m.

Location: Hilton Hotel Washington DC North/Gaithersburg, 620 Perry Pkwy., Gaithersburg, MD 20877.

Contact Person: Christine Walsh or Denise Royster, Center for Biologics Evaluation and Research (HF-71), Food and Drug Administration, 1401 Rockville Pike, Rockville, MD 20852, 301-827-0314, or FDA Advisory Committee Information Line, 1-800-741-8138 (301-443-0572 in the Washington, DC area), code 3014512391. Please call the Information Line for up-to-date information on this meeting. A notice in the **Federal Register** about last minute modifications that impact a previously announced advisory committee meeting cannot always be published quickly enough to provide timely notice. Therefore, you should always check the agency's Web site and call the appropriate advisory committee hot line/phone line to learn about possible modifications before coming to the meeting.

Agenda: On May 7, 2010, in the morning, the committee will review and discuss available data regarding the unexpected finding of DNA originating

from porcine circovirus type 1 (PCV 1) in Rotarix, a U.S. licensed vaccine manufactured by GlaxoSmithKline and indicated for the prevention of rotavirus gastroenteritis in infants. The committee will discuss what additional steps should be considered to address this finding. In the afternoon, the committee will discuss and make recommendations on the use of advanced analytical detection methods not currently applied for the characterization of cell substrates, viral seeds, and other biological materials used in the production of viral vaccines for human use.

FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its Web site prior to the meeting, the background material will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on FDA's Web site after the meeting. Background material is available at <http://www.fda.gov/AdvisoryCommittees/Calendar/default.htm>. Scroll down to the appropriate advisory committee link.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person on or before May 4, 2010. Oral presentations from the public will be scheduled between approximately 10:50 a.m. and 11:20 a.m. and 2:45 p.m. and 3:15 p.m. Those desiring to make formal oral presentations should notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before April 29, 2010. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by April 30, 2010.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you

require special accommodations due to a disability, please contact Christine Walsh or Denise Royster at least 7 days in advance of the meeting.

FDA is committed to the orderly conduct of its advisory committee meetings. Please visit our Web site at <http://www.fda.gov/AdvisoryCommittees/AboutAdvisoryCommittees/ucm111462.htm> for procedures on public conduct during advisory committee meetings.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: April 2, 2010.

Jill Hartzler Warner,

Acting Associate Commissioner for Special Medical Programs.

Health Resources and Services Administration

Privacy Act of 1974; Report of an Altered System of Records

AGENCY: Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA).

ACTION: Notice of an Altered System of Records (SOR).

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, the Health Resources and Services Administration (HRSA) is publishing notice of a proposal to substantially revise "Public Health Service (PHS) and National Health Service Corps (NHSC) Scholarship/Loan Repayment Participants Records System, HHS/HRSA/BPHC," HRSA Systems of Records No. 09-15-0037, to reflect organizational and physical location changes, and to update the categories of individuals and records covered by the system. HRSA is also proposing to (a) delete the Nursing Student Education Direct Loan Program, which is not administered by HRSA; (b) add records pertaining to the Nursing Scholarship Program and the Student/Resident Experiences and Rotations in Community Health (SEARCH) Program; and (c) incorporate the Faculty Loan Repayment Program and the Physician Shortage Area Scholarship Program, which previously had their own System

of Records Notices (09-15-0058, and 09-15-0042 respectively). These changes will require renaming the system of records and expanding the Authority to maintain the system. HRSA has updated the section on maintenance and storage of records to reflect current technologies, as well as Purpose(s), Safeguards, Retention and Disposal (of records), Notification Procedures, and Records source categories to detail current operations. HRSA is proposing to delete routine uses that are obsolete and to add new routine uses that cover disclosures of information needed for effective program operations.

DATES: HRSA filed an altered system report with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Homeland Security and Governmental Affairs, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on March 15, 2010. To ensure all parties have adequate time in which to comment, the altered systems, including the routine uses, will become effective 30 days from the publication of the notice or 40 days from the date it was submitted to OMB and Congress, whichever is later, unless HRSA receives comments that require alterations to this notice.

ADDRESSES: Please address comments to: Policy Director, Bureau of Clinician Recruitment and Service (BCRS), Health Resources and Services Administration (HRSA), 5600 Fishers Lane, Room 8-15, Rockville, MD 20857, telephone (301) 443-4154, FAX (301) 594-4076.

Comments received will be available for inspection at this same address from 9 a.m. to 3 p.m. (Eastern Standard Time Zone), Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Associate Administrator, Bureau of Clinician Recruitment and Service (BCRS), Health Resources and Services Administration (HRSA), 5600 Fishers Lane, Room 8-05, Rockville, MD 20857, telephone (301) 594-4200, FAX (301) 594-4076.

SUPPLEMENTARY INFORMATION: Major Modification of 09-15-0037 is to reflect the organizational, program, technology, statutory and implementation changes.

1. HRSA proposes to rename the system of records as "Public Health and National Health Service Corps (PH/NHSC) Scholarship Training Program, the Physician Shortage Area Scholarship Program (PSASP), National Health Service Corps Scholarship Program (NHSC SP), National Health Service Corps Loan Repayment Program (NHSC LRP), NHSC Student/Resident
