BILLING CODE 4154-01-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. 5321-N-03]

Notice of Change in Definitions and Modification to Neighborhood Stabilization Program (NSP)

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: On October 6, 2008, HUD published a notice advising the public of the allocation formula and allocation amounts, the list of grantees, alternative

requirements, and waivers granted under Title III of Division B of the Housing and Economic Recovery Act (HERA) of 2008, which established the NSP. On June 19, 2009, HUD published a bridge notice advising the public of substantive revisions and a number of non-substantive technical corrections to the October 6, 2008, notice, primarily as a result of changes to NSP made by Title XII of Division A of the American Recovery and Reinvestment Act of 2009 (the "Recovery Act") (Pub. L. 111-005, approved February 17, 2009).

Today's notice implements a program change resulting from an amendment to HERA made by the Helping Families Save Their Homes Act of 2009 (Pub. L. 111-22, approved May 20, 2009) (HFSHA), and which change was made retroactive to the date of enactment of HERA—July 30, 2008. This notice also advises of changes to the October 6, 2008, notice's definitions for "Abandoned" and "Foreclosed" property to assist in better targeting NSP assistance for the purchase, rehabilitation, or redevelopment of abandoned and foreclosed properties.

FOR FURTHER INFORMATION CONTACT: Stanley Gimont, Director, Office of Block Grant Assistance, Department of Housing and Urban Development, 451 7th Street, SW., Room 7286, Washington, DC 20410, telephone number 202-708-3587. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 800-877-8339. FAX inquiries may be sent to Mr. Gimont at 202-401-2044. (Except for the "800" number, these telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION:

I. Background

Title III of Division B of HERA (Pub. L. 110-289, approved July 30, 2008) appropriated \$3.92 billion for emergency assistance for the redevelopment of abandoned and foreclosed homes and residential properties, and provides under a rule of construction that, unless HERA states otherwise, the grants are to be considered Community Development Block Grant (CDBG) funds. The grant program under Title III is commonly referred to as the Neighborhood Stabilization Program (NSP). HERA authorizes the Secretary to specify alternative requirements to any provision under Title I of the Housing and Community Development Act of 1974 (the HCD Act) except for requirements related to fair housing, nondiscrimination, labor standards, and the environment (including lead-based

paint), in accordance with the terms of section 2301 of HERA and for the sole purpose of expediting the use of grant funds.

On October 6, 2008 (73 FR 58330), HUD published a notice entitled "Notice of Regulatory Waivers Granted to and Alternative Requirements for Redevelopment of Abandoned and Foreclosed Homes Grantees Under the Housing and Economic Recovery Act, 2008." This notice advises the public of the allocation formula and allocation amounts, the list of grantees, alternative requirements, and waivers granted. On June 19, 2009 (74 FR 29223), HUD published a bridge notice which advised the public of substantive revisions and several non-substantive technical corrections to the October 6, 2008 notice, primarily as a result of changes to NSP made by Title XII of Division A of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-005, approved February 17, 2009) (Recovery Act).

Today's notice advises the public of two definition changes to the October 6, 2008 publication, based on the experiences of grantees in implementing the program and designed to increase the effectiveness of the program and speed its implementation. The effect of these changes will be to broaden the inventory of eligible properties, increase grantee capacity, and to reduce regulatory friction points affecting the speed of the program. NSP grantees may apply the new definitions as of the date of submission of their Substantial Amendment and Action Plan to HUD, regardless of the current status of acquisition, redevelopment or disposition activities already undertaken. Note that NSP assistance may only be provided to eligible activities carried out in compliance with all applicable NSP program requirements, including preparation and submission of an amendment to the initial Substantial Amendment to implement certain program adjustments. Additionally, this notice advises of a program change contained in section 105 of HFSHA, which affects those states receiving the minimum grant of \$19.6 million in NSP funding.

II. This Notice—Changes to NSP Notice

HUD has determined that the following definition changes and alternative requirements are necessary to expedite the use of these funds for their required purposes.

A. Definitions of Abandoned and Foreclosed

HUD determined that the definition of "Abandoned" on page 58331 of the NSP
