Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before March 8, 2010.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: December 30, 2009.

James Hyler,

Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management.

Type of Review: New.

Title: Application for Grants under the Predominantly Black Institutions Program.

Frequency: Annually.

Affected Public: Businesses or other for-profit; Not-for-profit institutions.

Reporting and Recordkeeping Hour Burden:

Responses: 30.

Burden Hours: 600.

Abstract: The Higher Education Opportunity Act of 2008 (HEOA) amended Title III, Part A of the Higher Education Act to include Section 318—The Predominantly Black Institutions (PBI) Program. Unlike the previous PBI Program (authorized by the College Cost Reduction and Access Act of 2007), which was competitive and focused on programs in the science, technology, engineering and mathematics (STEM) fields, the PBI program authorized under the HEOA is an institutional aid program and grants are based on a formula rather than being competitive. All institutions who qualify as PBIs and submit the required materials will receive a portion of the total appropriation based on a formula. The PBI Program makes grant awards to eligible colleges and universities to plan, develop, undertake and implement programs to enhance the institution's capacity to serve more low- and middle-income Black American students; to expand higher education opportunities for eligible students by encouraging college preparation and student persistence in secondary school and postsecondary education; and to strengthen the financial ability of the institution to serve the academic needs of these students. Allowable activities are numerous and include academic instruction, teacher education, faculty development, equipment purchase, construction and maintenance, and tutoring and counseling services. This information collection is necessary to comply with Section 318 of Title III, Part A of the HEA as amended.
