in their Record of Decision, and would adopt this EIS per 40 Code of Federal Regulations (CFR) 1506.3 if, after an independent review of the document, they conclude that their permitting requirements have been satisfied.

The final EIS addresses the potential environmental effects of the construction and operation of the following project facilities:

- Approximately 301.2 miles of 30-inch-diameter natural gas transmission pipeline;
- One new compressor station totaling 4,700 horsepower of compression: the Hettinger Compressor Station located in Hettinger County, North Dakota;
- Two new meter stations;
- Nineteen mainline valves; and
- Three pig [1] launcher and pig receiver facilities.

Dependent upon Commission approval, Bison proposes to complete construction and begin operating the proposed Project in November 2010.

The final EIS has been placed in the public files of the FERC and is available for public viewing on the FERC's Web site at *http://www.ferc.gov*. A limited number of copies are available for distribution and public inspection at: Federal Energy Regulatory Commission, Public Reference Room, 888 First Street, NE., Room 2A, Washington, DC 20426, (202) 502–8371.

Copies of the EIS have been mailed to federal, state, and local government agencies; elected officials; Native American tribes and regional organizations; local libraries and newspapers; parties to this proceeding; and other interested parties. Hard copy versions of the EIS were mailed to those specifically requesting them; all others received a CD–ROM version.

Laser Marcellus Gathering Company, LLC; Notice of Petition for Declaratory Order

December 28, 2009.

Take notice that on December 23, 2009, Laser Marcellus Gathering Company, LLC (Petitioner) under Rule 207(a)(2) of the Commission's Rules of Practice and Procedure, 18 CFR 385.207(a)(2) (2007), filed a petition for a declaratory order requesting that the Commission disclaim jurisdiction over the pipeline construction project, referred to as the Marcellus Project located in Pennsylvania and New York, because such facilities perform a gathering function exempt from the Commission's jurisdiction under section 1(b) of the Natural Gas Act.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Petitioner. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Petitioner.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the ''eFiling'' link at *http://www.ferc.gov*. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at *http://www.ferc.gov,* using the ''eLibrary'' link and is available for review in the Commission's Public Reference Room in Washington, DC.
