Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 23, 2010.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested

Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 21, 2010.

James Hyler,

Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management.

Promise Neighborhoods Program

AGENCY: Office of Innovation and Improvement, Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2010; correction; extension of application deadline.

SUMMARY: On May 5, 2010, we published in the *Federal Register* (75 FR 10492) a notice inviting applications for new awards for FY 2010 for the Promise Neighborhoods Program (May 5 notice). The May 5 notice established a deadline of June 25, 2010, for the submission of applications under this competition. Through this notice, we are correcting the May 5 notice and are extending the deadline for transmittal of applications and the deadline for intergovernmental review.

SUPPLEMENTARY INFORMATION:

Correction. This notice corrects the May 5 notice by removing language that established a maximum page limit for the application narrative for applications submitted under this competition. We are taking this action because the maximum page limit

established for the application narrative was an administrative error and unduly restricts applicant flexibility. To correct this error, the Department makes the following correction to the May 5 notice:

On page 24680, second column, the last paragraph, the word "must" is replaced with the words "are strongly encouraged to".

Extension. In light of this error, we are extending the deadline for the transmittal of applications to June 28, 2010, and the deadline for intergovernmental review to August 27, 2010. The updated dates are as follows:

Deadline for Transmittal of Applications: June 28, 2010.

Deadline for Intergovernmental Review: August 27, 2010.
