

and Consumer Protection Act. The Board will continue to use the Council's valuable advice and expertise during the implementation of the Act.

The Board plans to appoint up to ten members for terms that will begin January 1, 2011, to replace members whose terms expire in December 2010. The Board expects to announce the appointments in early January.

Nomination letters should include:

- A résumé for each nominee;
- Nominee's full name, organizational affiliation, title, address, phone and fax numbers, and e-mail address;
- Nominee organization's name, brief description of organization, address, and phone and fax numbers;
- Information about past and present positions held by the nominee, dates, and description of responsibilities;
- A description of the nominee's special knowledge, interests, or experience related to community development and reinvestment, consumer protection regulations, consumer credit, or other consumer financial services issues;
- Positions held in community organizations and on councils and boards; and
- Nominator's full name, organizational affiliation, title, address, phone and fax numbers, and e-mail address.

Individuals may nominate themselves.

The Board is interested in candidates who have familiarity with consumer financial services, community development and reinvestment, and consumer protection regulations, and who are willing to express their views. Candidates do not have to be experts on all levels of consumer financial services or community reinvestment, but they should possess some basic knowledge of the issues. They must be able and willing to make the necessary time commitment to participate in conference calls and prepare for and attend meetings three times a year (usually for two days, including committee meetings). The meetings are held at the Board's offices in Washington, DC. The Board pays travel expenses, lodging, and a nominal honorarium.

In making the appointments, the Board will seek to complement the background of continuing Council members in terms of affiliation and geographic representation. The Board may consider prior years' nominees and does not limit consideration to individuals nominated by the public when making its selection.

Notice is given that a complaint has been filed with the Federal Maritime Commission ("Commission") by Rendezvous International ("Rendezvous"), hereinafter "Complainant," against Chief Cargo Services, Inc., Kaiser Apparel, Inc., Edco Logistics, Inc., Oriental Logistics, Inc., and Razor Enterprise, hereinafter "Respondents." Complainant asserts that it is a partnership formed in the Country of Pakistan in the business of manufacturing garments. Complainant asserts that Respondents are "corporations and/or business entities formed in the State of New York and doing business in the State of New York" and that Respondents "perform importing services, freight forwarding and handling services, pay duties and freight, and clear shipments of goods through US Customs."

Complainant alleges that "[t]he transactions of business underlying the

Claimant's claim took place between Pakistan and New York, USA via ocean vessels NYK Cosmos, Asir, and Fowairet, from April 24, 2009, May 23, 2009 and June 5, 2009." Complainant asserts that "shipments were to be released only upon presentation by Respondents of Original endorsed Negotiable Bills of Lading. The payment terms were on a CAD (Cash Against Documents) basis." Complainant alleges that the terms of the Bill of Lading were "violated by Respondents when Respondents released the goods without obtaining the endorsed Bill of Lading." As a result, Complainant alleges that Respondents violated: "U.S. Code Title 46 Sec. 1 (a), Sec 30701(4), 30701(6), 30701(7), 30701(8), Sec 41102(b), 41102(c) (Shipping Act Sec 10(a)(1) and 10(d)(1)), 41301 (sec 11(a) of the Shipping Act), 41302, 41303, 41304, 41305, 41309, 305; U.S. Code 49 Sec 80101, 80102, 80103, 80104, 80110, 80111, 80116, 80106."

This proceeding has been assigned to the Office of Administrative Law Judges. #### Proposed Project

National Public Health Performance Standards Program Local Public Health Governance Assessment (OMB 0920-0580 exp. 8/31/2010)—Extension—Office of State, Tribal, Local and Territorial Support (OSTLTS), Centers for Disease Control and Prevention (CDC).

#### Background and Brief Description

Office of State, Tribal, Local and Territorial Support is proposing to extend the formal, voluntary data collection that assesses the capacity of local boards of health to deliver the essential services of public health. Electronic data submission will be used when local boards of health complete the public health assessment.

A three-year approval is being sought with the current data collection instrument. The data collection instrument has been valuable in assessing performance and capacity and identifying areas for improvement.

From 1998-2002, the CDC National Public Health Performance Standards Program convened workgroups with the National Association of County and City Health Officials (NACCHO), The Association of State and Territorial Health Officials (ASTHO), the National Association of Local Boards of Health (NALBOH), the American Public Health Association (APHA), and the Public Health Foundation (PHF) to develop performance standards for public health systems based on the essential services of public health. In 2005, CDC reconvened workgroups with these same organizations to revise the data collection instruments, in order to ensure the standards remain current and improve user friendliness. There is no cost to the respondent, other than their time.

The estimated annualized burden hours are 875.
