DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Division of Federal Employees' Compensation; Proposed Extension of the Approval of Information Collection Requirements

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Workers' Compensation Programs is soliciting comments concerning the proposed collection: Claim for Compensation by Dependents Information Reports (CA–5, CA–5b, CA–1031, CA1074, Letter of Compensation Due at Death and Letter of Student/Dependency). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before March 29, 2010.

ADDRESSES: Mr. Vincent Alvarez, U.S. Department of Labor, 200 Constitution Ave., NW., Room S–3201, Washington, DC 20210, telephone (202) 693–0372, fax (202) 693–1378, E-mail *Alvarez.Vincent@dol.gov*. Please use only one method of transmission for comments (mail, fax, or E-mail).

SUPPLEMENTARY INFORMATION:

I. Background

The forms included in this package are forms used by Federal employees and their dependents to claim benefits, to prove continued eligibility for benefits, to show entitlement to remaining compensation payments of a deceased employee and to show dependency under the Federal Employees' Compensation Act. There are six forms in this information collection request. The information collected by Forms CA–5, is used by dependents for claiming compensation for the work related death of a Federal Employee and CA–5b is used by other survivors. Form CA–1031 is used in disability cases and provides information to determine whether a claimant is actually supporting a dependent and is entitled to additional compensation. Form CA–1074 is a follow up to CA–5b to request clarification of any information that is unclear and incomplete in the CA–5b. The letter of "Compensation Due at Death" is used to request information necessary to distribute compensation due when an employee dies who was receiving or who was entitled to compensation at the time of death for either disability benefits or a scheduled award. The letter of "Student/Dependency" is used to obtain information regarding the student status of a dependent. When a child reaches 18 years of age, they are no longer considered an eligible dependent unless they are a full time student or incapable of self-support. This information collection is currently approved for use through May 31, 2010.

II. Review Focus

The Department of Labor is particularly interested in comments which:

* Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

* Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
