

of the benefits to members of direct market access. In addition, the Exchange believes that its fees are equitably allocated among its constituents based upon the number of access ports that they require to submit orders to the Exchange. Furthermore, the fees associated with logical and physical ports will be equitably allocated to all constituents as the fees will be uniform in application to all Members and non-members. Finally, the Exchange believes that the fees obtained will enable it to cover its infrastructure costs associated with allowing Members and non-members to establish logical and physical ports to connect to the Exchange's systems and continue to maintain and improve its infrastructure, market technology, and services.

The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by CBOE under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

<sup>11</sup> 17 CFR 200.30-3(a)(12).

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

The purpose of this rule change is to adopt fees for Professional and Voluntary Professional transactions in S&P 500 Index option series ("SPX") that trade on the Hybrid Trading System. The fees, which are described in more detail below, will be effective December 2, 2010.

By way of background, the Exchange currently operates the Hybrid Trading System and the Hybrid 3.0 Platform.<sup>5</sup> For the Hybrid Trading System, the Exchange has Professional and Voluntary Professional designations for non-broker-dealer customer orders.<sup>6</sup> However, these two designations are not available for non-broker-dealer customer orders in option classes trading on the Hybrid 3.0 Platform (which currently is only SPX).<sup>7</sup> Also by way of background, the particular trading platform on which index options trade is designated by the Exchange on a class-by-class basis pursuant to Rule 8.14, *Index Hybrid Trading System Classes: Market-Maker Participants*. However, CBOE recently amended Rule 8.14 to provide that, for each Hybrid 3.0 class, the Exchange may determine to authorize a group of series of the class for trading on the Hybrid Trading System.<sup>8</sup>

Currently, all series of the SPX option class trade on the Hybrid 3.0 Platform. Therefore, at this time there are no Professional or Voluntary Professional designations for SPX. Pursuant to Rule 8.14, as amended, however, the Exchange may determine to designate a group of series in the SPX index option

class for trading on the Hybrid Trading System. As a result, the Professional and Voluntary Professional designations would be applicable to any such SPX series trading on the Hybrid Trading System.

In anticipation of the Exchange designating a group of SPX series for trading on the Hybrid Trading System, the Exchange is proposing to adopt fees for Professional and Voluntary Professional transactions in SPX that trade on the Hybrid Trading System. The Exchange proposes to charge such Professional and Voluntary Professional orders in the same manner that it charges broker-dealer orders. Specifically, the Exchange is proposing to amend the text of its Fees Schedule to assess a fee of \$0.40 per contract for Professional and Voluntary Professional transactions in SPX option series that trade on the Hybrid Trading System. The Exchange notes that, in accordance with footnote 14 of its Fees Schedule, the index option surcharge fee would also apply to Professional and Voluntary Professional transactions in such SPX series. The Exchange also notes that the Options Regulatory Fee ("ORF") contained in section 12 of the Fees Schedule will apply to Professional and Voluntary Professional transactions in such SPX series. In addition, the Exchange notes that Professional and Voluntary Professional orders in such SPX series will not be subject to the order handling system order cancellation fee contained in section 14 of the Fees Schedule. No changes to the text are needed to reflect the applicability of these surcharge, ORF and cancellation fee provisions.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,<sup>9</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act,<sup>10</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE Trading Permit Holders. The proposed fee changes would provide clarity on how the Exchange intends to implement the Professional and Voluntary Professional designation for SPX series trading the Hybrid Trading System.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

CBOE does not believe that the proposed rule change will impose any burden on competition that is not

necessary or appropriate in furtherance of purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The proposed rule change is designated by the Exchange as establishing or changing a due, fee, or other charge, thereby qualifying for effectiveness on filing pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>11</sup> and subparagraph (f)(2) of Rule 19b-4<sup>12</sup> thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63520; File No. SR-EDGX-2010-21]

### Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGX Exchange, Inc. Fee Schedule

December 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 3, 2010, the EDGX Exchange, Inc. (the "Exchange" or the "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items

have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fee schedule applicable to Members<sup>3</sup> and non-members of the Exchange pursuant to EDGX Rule 15.1(a) and (c). Pursuant to the proposed rule change, the Exchange will commence charging fees for Members and non-members for certain logical ports used to enter orders into the Exchange's systems. The Exchange also proposes to amend its fees for physical ports. The text of the proposed rule change is available on the Exchange's Internet Web site at <http://www.directedge.com>.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to begin charging a monthly fee for logical ports used to enter orders in the Exchange's trading system. The Exchange recently began charging for "physical" ports, which are ports that are used by a Member or non-member to literally plug into the Exchange at the data centers where the Exchange's servers are located (*i.e.*, either a cross-connection or an external telecommunication circuit). By contrast, a "logical" port (also commonly referred to as a TCP/IP port) represents a port established by the Exchange within the Exchange's system for trading and billing purposes. Each logical port established is specific to a Member or

non-member and grants that Member or non-member the ability to operate a specific application, such as FIX or High Performance API for order entry, or to receive market data. Multiple logical ports can be created and exist over a single physical port. The Exchange proposes to charge \$500 per month for any logical ports other than ports used to receive or request retransmission of market data. Thus, this proposed charge will apply to all Exchange FIX, High Performance API, and DROP ports for both accessing the Exchange directly (Direct)<sup>4</sup> or through the ECN Translator.<sup>5</sup> Members and non-members will receive the first ten (10) sessions free of charge for Direct Sessions only and thereafter be charged the \$500 fee per month. Free sessions will not apply to ECN Translator sessions to incent members and non-members to use Direct Sessions.

Based on the proposal, the change applies to Members that obtain ports for direct access to the Exchange and non-member service bureaus that act as conduit for orders entered by Exchange Members that are their customers. The Exchange believes that the imposition of logical port fees will help the Exchange to continue to maintain and improve its infrastructure, while also encouraging Exchange customers to request and enable only the ports that are necessary for their operations related to the Exchange.

The Exchange notes that other market centers provide similar services to their Members and non-members.<sup>6</sup>

###### Physical Ports

The Exchange currently charges Members and non-members the following annual fees for physical ports based on the connectivity service type:

<sup>4</sup> Direct Sessions will consist on one port at the Exchange's primary data center and one port at the Exchange's secondary data center.

<sup>5</sup> The ECN translator allows a Member or non-member who previously connected to Direct Edge's ECN to be re-directed automatically to EDGX Exchange, Inc. It can only be accessed through a FIX port.

<sup>6</sup> See, e.g., Rule 7015 of The NASDAQ Stock Market LLC ("NASDAQ") (setting forth, among other fees for access services, port fees charged to members and non-members used to enter orders into NASDAQ trading systems). See also Securities Exchange Act Release Nos. 60546 (August 20, 2009), 74 FR 43184 (August 26, 2009) (SR-NASDAQ-2009-058) (increasing the monthly fee for each port used to enter orders in NASDAQ trading systems from \$400 per month to \$500 per month); 59337 (February 2, 2009), 74 FR 6441 (February 9, 2009) (SR-BX-2009-004) (establishing fees for ports used by members to enter orders). <sup>13</sup> The text of the proposed rule change is available on CBOE's Web site at <http://www.cboe.org/Legal>, on the Commission's Web site at <http://www.sec.gov>, at CBOE, and at the Commission's Public Reference Room.
