FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

5 CFR Part 1631

Availability of Records

AGENCY: Federal Retirement Thrift Investment Board.

ACTION: Final rule.

SUMMARY: The Federal Retirement Thrift Investment Board (Agency) is amending its regulations on availability of records to establish the manner of service for administrative subpoenas issued by the Agency and to delegate authority to the Agency's General Counsel to issue administrative subpoenas. These changes implement section 107 of the Thrift Savings Plan Enhancement Act of 2009, which gave the Agency authority to issue subpoenas duces tecum in order to carry out the Agency's functions.

DATES: This final rule is effective February 26, 2010.

FOR FURTHER INFORMATION CONTACT: Laurissa Stokes at 202-942-1645.

SUPPLEMENTARY INFORMATION: The Agency administers the Thrift Savings Plan (TSP), which was established by the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514. The TSP provisions of FERSA are codified, as amended, largely at 5 U.S.C. 8351 and 8401-79. The TSP is a tax-deferred retirement savings plan for Federal civilian employees and members of the uniformed services. The TSP is similar to cash or deferred arrangements established for private-sector employees under section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)).

This regulation was published in proposed form on January 19, 2010 (75 FR 2822). No comments were received.

Issuance of Subpoenas

Section 107 of the Thrift Savings Plan Enhancement Act of 2009 ("the Act"),

Public Law 111-31 (123 Stat. 1776, 1853)(codified at 5 U.S.C. 8480) authorizes the Agency to issue administrative subpoenas to compel production of designated books, documents, records, electronically stored information, or tangible things. The Agency, like other financial institutions, has been the subject of fraudulent withdrawals from its participants' accounts. The Agency anticipates using its subpoena authority to obtain information necessary to prevent or investigate fraudulent or otherwise improper routing of participants' money to financial institutions.

The Agency, therefore, needs an expeditious means to obtain information from financial institutions to which participants' money is transferred. Prompt action and cooperation from financial institutions is the best way to recover or deter fraudulent or improper routing of participants' money.

This regulation provides three means by which the Agency may serve an administrative subpoena: (1) Certified or registered mail, return receipt requested, (2) fax or electronic transmission, provided the subpoenaed party gives prior approval, or (3) personal delivery at the principal place of business or the last known residential address of the subpoenaed party. This regulation also delegates authority to the General Counsel to issue administrative subpoenas.

Allowing the use of several alternative means to accomplish service is intended to facilitate expeditious cooperation between the Agency and financial institutions in an effort to prevent or investigate fraudulent withdrawals and transfers. Delegation to the General Counsel of the authority to issue administrative subpoenas is intended to expedite the issuances of subpoenas, e.g. by removing the need for the staff of the Office of General Counsel to seek Executive Director approval for issuances that are routine or urgent.

Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities. This regulation will affect Federal employees and members of the uniformed services who participate in the Thrift Savings Plan, which is a Federal defined contribution retirement savings plan created under the Federal

Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514, and which is administered by the Agency. Although it will also occasionally require financial institutions to provide information, such entities rarely constitute small entities. Additionally, this regulation provides the Agency with no new authority; it merely provides guidance on existing statutory authority.

Paperwork Reduction Act

I certify that these regulations do not require additional reporting under the criteria of the Paperwork Reduction Act.

Unfunded Mandates Reform Act of 1995

Pursuant to the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 602, 632, 653, 1501-1571, the effects of this regulation on state, local, and tribal governments and the private sector have been assessed. This regulation will not compel the expenditure in any one year of \$100 million or more by state, local, and tribal governments, in the aggregate, or by the private sector. Therefore, a statement under section 1532 is not required.

Submission to Congress and the General Accounting Office

Pursuant to 5 U.S.C. 810(a)(1)(A), the Agency submitted a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States before publication of this rule in the **Federal Register**. This rule is not a major rule as defined at 5 U.S.C. 804(2).
