## DEPARTMENT OF LABOR

## Veterans' Employment and Training Service

Fiscal Year (FY) 2011 through FY 2013  
Stand Down Grant Requests

**AGENCY:** Veterans' Employment and Training Service, U.S. Department of Labor.

**ACTION:** Announcement of funds available under the Homeless Veterans' Reintegration Program (HVRP) to support local Stand Down events in FY 2011 and tentatively available to support events in FY 2012, and FY 2013.

*Funding Opportunity No: 17-805.*

**SUMMARY:** The U.S. Department of Labor (USDOL), Veterans' Employment and Training Service (VETS) supports local Stand Down events that assist homeless Veterans. A Stand Down is an event held in a local community where homeless Veterans are provided with a wide variety of social services. VETS is now accepting applications for grant awards to fund Stand Down events in FY 2011. Stand Down funding is a non-competitive grant awarded on a first-come, first-served basis until available funding is exhausted.

Under this announcement, VETS anticipates that up to \$600,000 will be available to award approximately seventy grants in each of the three fiscal years covered by this solicitation. The Federal fiscal year is the accounting period of the federal government. It begins on October 1st and ends on September 30th of the next calendar year. A maximum of \$10,000 per multi-day event or \$7,000 for a one-day event

can be awarded. Availability of Stand Down grant funding each fiscal year will be dependent upon Congressional appropriation. Stand Down grant funding is awarded for a specific event on a specific date. Organizations planning Stand Down events in subsequent fiscal years must submit a complete, new application for grant funding if desired, and should not assume the application will automatically be approved.

Applications for Stand Down funds will be accepted from State Workforce Agencies, State and local Workforce Investment Boards, Veterans Service Organizations (VSOs), local public agencies, and non-profit organizations including community and faith-based organizations. The USDOL is not authorized to award grant funds to organizations that are registered with the Internal Revenue Service (IRS) as a 501(c)(4) organization.

All applications for Stand Down grant funding must be submitted to the appropriate State Director for Veterans' Employment and Training (DVET) at least ninety (90) days prior to the event. Address and contact information for each State DVET can be found at: <http://www.dol.gov/vets/aboutvets/contacts/main.htm>. Events approved for grant funding in any fiscal year must be held prior to December 31st of the following fiscal year. For example, all Stand Down events awarded funding for FY 2011 (October 1, 2010 through September 30, 2011) must be held on or before December 31, 2011.

Stand Down grant awards are contingent upon a Federal appropriation or a continuing resolution each Federal fiscal year. Therefore, applications submitted after July 1st for events to be held after September 30th may be held for consideration for funding contingent upon Federal funding availability. Grant

applicants should not obligate requested grant funding toward Stand Down expenses unless officially notified of a grant award.

**SUPPLEMENTARY INFORMATION:****I. Funding Opportunity Description**

*Stand Down* is a military term referring to an opportunity to achieve a brief respite from combat. Troops assemble in a base camp to receive new clothing, hot food, and a relative degree of safety before returning to the front. Today more than 160 organizations across the country partner with local businesses, government agencies, and community- and faith-based service providers to hold Stand Down events for homeless Veterans and their families in the local community.

Each year, the Assistant Secretary for Veterans' Employment and Training awards HVRP grants to expedite the reintegration of homeless Veterans into the labor force through programs that enhance employment and training opportunities and promote self-sufficiency. The critical services provided at a Stand Down may supply the catalyst a homeless Veteran needs to take steps to reintegrate into society by improving job readiness and opportunities for employment. Typically, services available at these events include temporary shelter, showers, haircuts, meals, clothing, hygiene care kits, medical examinations, immunizations, legal advice, State identification cards, veteran benefit information, training program information, employment services, and referral to other supportive services.

Stand Down funding is a non-competitive grant awarded on a first-come, first-served basis until available funding is exhausted. For the purpose of a Stand Down grant award, applicants must describe a plan that clearly
