SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64397; File No. SR-FINRA-2011-019]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Rename the OTC Bulletin Board in the FINRA Rulebook

May 4, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 25, 2011, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Exchange Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rule 6500 Series and Rules 7700, 7720 and 7740 to replace references to "OTC Bulletin Board" and "OTCBB" with "Non-NMS Quotation Service" and "NNQS."

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA, at the Commission's Public Reference Room, and on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B,

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. NYSE Arca has satisfied this requirement.

and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As initially announced by FINRA in September 2009, FINRA currently is seeking to divest itself of the OTCBB trademark, related domain name, and all informational content from the <http://www.OTCBB.com> Web site that is not otherwise required to be retained by FINRA for regulatory purposes ("OTCBB assets"). FINRA reached agreement with an entity for the sale of the OTCBB assets in the third quarter of 2010.⁴ In connection with this effort, and to remove certain current impediments to the completion of such a transaction, FINRA is filing the proposed rule change to rename the OTC Bulletin Board ("OTCBB") as the Non-NMS Quotation Service ("NNQS").

The OTCBB assets do not include the technology comprising the interdealer quotation system operated by FINRA, which is currently known as "OTCBB." Thus, the renaming of OTCBB as NNQS, as proposed here, enables FINRA to proceed with the sale of the OTCBB assets by removing references to OTCBB from the current FINRA Rulebook, while continuing to permit FINRA to operate its interdealer quotation system under the new name without change or interruption to the availability of this service by FINRA. The FINRA Rule 6500 Series will govern the operation of the NNQS as it currently does for OTCBB, and the functionality of the NNQS will be identical to that of the current OTCBB.

While FINRA has filed the proposed rule change for immediate effectiveness, the renaming, transitioning of the related domain name, and consummation of the sale transaction will be implemented at a later date to be announced by FINRA (the "implementation date").⁵ However, the implementation date will be no sooner than 120 days following the date of filing of the proposed rule change. Until such implementation date, FINRA will continue to operate the <http://www.OTCBB.com> Web site and the OTCBB interdealer quotation system in the same manner as it currently does.

⁴ See Rodman & Renshaw Capital Group, Inc., Press Release September 14, 2010 ("Rodman and FINRA Reach Preliminary Agreement on Terms for Rodman Acquisition of OTCBB Assets").

⁵ Upon implementation of the proposed rule change, FINRA's interdealer quotation system will be known as NNQS, and FINRA no longer will own the <http://www.OTCBB.com> Web site.

Thus, the operation of the OTCBB facilities as an inter-dealer quotation system by FINRA and support of the <http://www.OTCBB.com> Web site will not change in any respect until the actual implementation date, which is anticipated to be before the end of 2011, but in no event will be sooner than 120 days following the date of this filing. Subsequent to the implementation date, FINRA will continue to operate the NNQS in the same manner it currently operates the OTCBB, consistent with FINRA's statutory obligations under Section 15A⁶ of the Exchange Act.⁷

Upon the implementation of the proposed rule change, FINRA will offer data on or through the FINRA Web site that is substantially equivalent to the type of quotation and last sale data for OTC equity securities currently available on <http://www.OTCBB.com>. In addition, FINRA will undertake a concerted communications campaign to ensure that the public (including retail investors) is well-informed with respect to the pending changes. This campaign will include outreach to OTCBB-quoted issuers regarding the status of their continued eligibility to quote on the NNQS upon the implementation date.

FINRA has filed the proposed rule change for immediate effectiveness. FINRA will announce the implementation date no later than 270 days following the date of filing of the proposed rule change, but in no event will be sooner than 120 days following the date of filing of the proposed rule change.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Exchange Act,⁸ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. Section 15A(b)(11) of the Exchange Act⁹

⁶ 15 U.S.C. 78o-3(b)(11).

⁷ On August 7, 2009, FINRA filed with the Commission a proposed rule change to restructure quotation collection and dissemination for OTC Equity Securities that is currently pending with the Commission. See Securities Exchange Act Release No. 60999 (November 13, 2009), 74 FR 61183 (November 23, 2009) ("QCF Proposal"). The instant proposed rule change does not alter FINRA's current quotation transparency activities in the over-the-counter market through the operation of an interdealer quotation system unless the QCF Proposal is approved by the Commission and takes effect. Thus, unless and until the SEC approves the QCF and it takes effect, FINRA intends to operate the NNQS after the implementation date.

⁸ 15 U.S.C. 78o-3(b)(6).

⁹ 15 U.S.C. 78o-3(b)(11).

requires that FINRA rules include provisions governing the form and content of quotations relating to securities sold otherwise than on a national securities exchange which may be distributed or published by any member or person associated with a member, and the persons to whom such quotations may be supplied. In addition, Section 15A(b)(11) of the Exchange Act¹⁰ requires that such rules be designed to produce fair and informative quotations, to prevent fictitious or misleading quotations, and to promote orderly procedures for collecting, distributing, and publishing quotations.

FINRA believes the proposed rule change is consistent with Section 15A(b)(6) and (11) of the Exchange Act in that it facilitates FINRA's continued ability to operate an interdealer quotation system for use by market makers in OTC equity securities that is functionally identical to the service provided under the current name, thereby supporting the availability of quotation information in the over-the-counter equity securities market.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) impose any significant burden on competition; and
- (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64395; File No. SR-CBOE-2011-044]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing of a Proposed Rule Change To Reduce the Minimum Size of the Nominating and Governance Committee

May 4, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act" or "Exchange Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 27, 2011, Chicago Board Options Exchange, Incorporated ("CBOE") filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, and II below, which Items have been prepared by CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to amend its Bylaws to change the minimum size of the CBOE Nominating and Governance Committee.

The text of the proposed amendments to CBOE's Bylaws and the proposed amendments to CBOE's rules is available on CBOE's Web site (<http://www.cboe.org/Legal>), at CBOE's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to reduce the minimum size of CBOE's Nominating and Governance Committee from seven to five directors. Section 4.4 of the Second Amended and Restated Bylaws of CBOE ("Bylaws") currently provides, in pertinent part, that the Nominating and Governance Committee shall consist of at least seven directors, including both Industry and Non-Industry Directors; that a majority of the directors on the Committee shall be Non-Industry Directors; and that the exact number of members on the Committee shall be determined from time to time by CBOE's Board of Directors. This rule change would be effectuated by amending Section 4.4 of the Bylaws to provide that the Nominating and Governance Committee shall consist of at least five directors. The other provisions of Section 4.4 of the Bylaws would remain unchanged. Additionally, the title of the Bylaws would be changed to the Third Amended and Restated Bylaws of CBOE.

Section 3.1 of the Bylaws provides that the CBOE Board of Directors shall consist of not less than eleven and not more than twenty-three directors, with the exact size determined by the Board. CBOE's Board size has declined recently from twenty-three directors prior to CBOE's demutualization in 2010 to the current size of nineteen directors. In addition, the Board size will be declining further to sixteen directors at the time of the 2011 annual election of CBOE directors (which is anticipated to occur in May 2011). As the Board size declines, it becomes more challenging to populate large Board committees since there are fewer directors to serve on the various CBOE Board committees. The Exchange believes that reducing the minimum size of the Nominating and
