SUPPLEMENTARY INFORMATION:

Presidential Executive Order 13407 establishes the policy for an effective, reliable, integrated, flexible, and comprehensive system to alert and warn the American people in situations of war, terrorist attack, natural disaster, or other hazards to public safety and well

being. The Executive Order requires that DHS establish an inventory of public alert and warning resources, capabilities, and the degree of integration at the Federal, State, territorial, Tribal, and local levels of government. The Integrated Public Alert and Warning System (IPAWS) implements the requirements of the Executive Order. The information collected has, and will continue to consist of the public alert and warning systems, as well as the communication systems being used for collaboration and situational awareness at the Local Emergency Operations Center (EOC) level and higher. This information will help FEMA identify the technologies currently in use or desired for inclusion into IPAWS.

Collection of Information

Title: Integrated Public Alert and Warning Systems (IPAWS) Inventory.

Type of Information Collection: Revision of currently approved collection.

OMB Number: 1660-0106.

Form Titles and Numbers: FEMA Form 142-1-1, IPAWS Inventory.

Abstract: FEMA will be conducting an inventory, evaluation and assessment of the capabilities of Federal, State, territorial, Tribal, and local government alert and warning systems. The IPAWS Inventory and Evaluation Survey collects data that will facilitate the integration of public alert and warning systems. It also reduces Federal planning costs by leveraging existing State systems.

Affected Public: State, local, territorial, and Tribal Government.

Estimated Total Annual Burden Hours: 5,796 hours.

ANNUAL HOUR BURDEN
