

member vacancies on the Panel as of January 1, 2012. Additional appointments may be made to fill vacancies left by any members who choose to resign during 2012. Be advised that some voting members whose terms expire January 1, 2012 may be reappointed for another full term if eligible.

If you submitted a resume application for the April 21, 2010 **Federal Register** Notice for HSRP membership solicitation, and are still interested in being considered for membership on the Panel, you need to confirm your interest by contacting NOAA's HSRP Program Coordinator, Kathy Watson, at *Hydroservices.panel@noaa.gov*; or *kathy.watson@noaa.gov*; telephone: (301) 713-2770 x158. If you respond that you are still interested, you can either request that your 2010 resume application be resubmitted, or you may resubmit a more current resume application for the 2011 selection process.

Voting members are individuals who, by reason of knowledge, experience, or training, are especially qualified in one or more disciplines relating to hydrographic surveying, tides, currents, geodetic and geospatial measurements, marine transportation, port administration, vessel pilotage, coastal or fishery management, and other oceanographic or marine science areas as deemed appropriate by the Administrator. Full-time officers or employees of the United States may not be appointed as a voting member. Any voting member of the Panel who is an applicant for, or beneficiary of (as determined by the Administrator) any assistance under 33 U.S.C. 892c shall disclose to the Panel that relationship, and may not vote on any other matter pertaining to that assistance.

Voting members of the Panel serve a four-year term, except that vacancy appointments are for the remainder of the unexpired term of the vacancy.

Members serve at the discretion of the Administrator and are subject to government ethics standards. Any individual appointed to a partial or full term may be reappointed for one additional full term. A voting member may serve until his or her successor has taken office. The Panel selects one voting member to serve as the Chair and another to serve as the Vice Chair. The Vice Chair acts as Chair in the absence or incapacity of the Chair but will not automatically become the Chair if the Chair resigns. Meetings occur at least twice a year, and at the call of the Chair or upon the request of a majority of the voting members or of the Administrator. Voting members receive compensation at a rate established by the Administrator, not to exceed the maximum daily rate payable under section 5376 of title 5, United States Code, when engaged in performing duties for the Panel. Members are reimbursed for actual and reasonable expenses incurred in performing such duties.

Individuals Selected for Panel Membership

Upon selection and agreement to serve on the HSRP Panel, you become a Special Government Employee (SGE) of the United States Government. 18 U.S.C. 202(a) an SGE(s) is an officer or employee of an agency who is retained, designated, appointed, or employed to perform temporary duties, with or without compensation, not to exceed 130 days during any period of 365 consecutive days, either on a fulltime or intermittent basis. Please be aware that after the selection process is complete, applicants selected to serve on the Panel must complete the following actions before they can be appointed as a Panel member:

(a) Security Clearance (on-line Background Security Check process and fingerprinting conducted through NOAA Workforce Management); and

(b) Confidential Financial Disclosure Report—As an SGE, you are required to file a Confidential Financial Disclosure Report to avoid involvement in a real or apparent conflict of interest. You may find the Confidential Financial Disclosure Report at the following Web site. http://www.usoge.gov/forms/form_450.aspx.

POLICY JUSTIFICATIONUnited Arab Emirates - F-16 Program Support

The Government of the United Arab Emirates (UAE) has requested a possible sale of support and maintenance of classified and unclassified F-16 aircraft systems and munitions, spare and repair parts, publications and technical documentation, support equipment, personnel training and training equipment, ground support, communications equipment, U.S. Government and contractor technical and logistics support services, tools and test equipment, and other related elements of program support. The estimated cost is \$100 million.

This proposed sale will contribute to the foreign policy and national security of the United States by meeting the legitimate security and defense needs of a partner nation that has been, and continues to be, an important force for peace, political stability, and economic progress in the Middle East.

The UAE Air Force and Air Defense (AF&AD) continue to operate the F-16 Block 60 aircraft and previously purchased munitions and support equipment. Providing follow-on support for the UAE's F-16 aircraft and munitions stockpile will ensure operational capability and facilitate UAE AF&AD improvement toward becoming one of the most capable air forces in the region.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

There is no prime contractor for this sale or any known offset agreements proposed in connection with this sale.

Implementation of this proposed sale may require the assignment of additional U.S. Government or contractor representatives to the UAE. The number and duration will be determined in joint negotiations as the program proceeds through the development, production, and equipment installation phases.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
