

DEPARTMENT OF HEALTH AND HUMAN SERVICES**National Institutes of Health****National Institute of Environmental Health Sciences; Notice of Closed Meeting**

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Environmental Health Sciences Review Committee.

Date: August 23–25, 2011.

Time: 8:30 a.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: Hilton Raleigh-Durham Airport at RTP, 4810 Page Creek Lane, Durham, NC 27703.

Contact Person: Linda K Bass, PhD, Scientific Review Administrator, Scientific Review Branch, Division of Extramural Research and Training, Nat'l Institute of Environmental Health Sciences, P.O. Box 12233, MD EC-30, Research Triangle Park, NC 27709, (919) 541-1307.

BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Substance Abuse and Mental Health Services Administration****Fiscal Year (FY) 2011 Funding Opportunity**

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of intent to award a Single Source Grant to the National Association of State Alcohol and Drug Abuse Directors (NASADAD).

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA) intends to award approximately \$1.102 million (total costs) per year for up to three years to the National Association of State Alcohol and Drug Abuse Directors (NASADAD). This is not a formal request for applications. Assistance will be provided only to the National Association of State Alcohol and Drug Abuse Directors (NASADAD) based on the receipt of a satisfactory application that is approved by an independent review group.

Funding Opportunity Title: TI-11-006.

Catalog of Federal Domestic Assistance (CFDA) Number: 93.243.

Authority: Section 1935 of the Public Health Service Act, as amended.

Justification: Only the National Association of State Alcohol and Drug Abuse Directors (NASADAD) is eligible to apply. The Substance Abuse and Mental Health Services Administration (SAMHSA) is seeking to award a single source grant to the National Association of State Alcohol and Drug Abuse Directors (NASADAD) to provide assistance to substance abuse Single State Agencies (SSAs) to increase service capacity, including recovery support services, develop integrated systems of care, and improve behavioral health outcomes in order to effectively administer the SAPT block grant. In addition, grant funds will be used to assist States to respond to emerging issues, such as health reform, parity, information technology innovations and implementation of evidence-based practices.

The intent of this grant is to provide technical assistance on a wide range of SAMHSA program areas. Specifically, the grantee will network with the State HIV Coordinators and the State Opioid Treatment Authorities, its National Treatment Network (NTN) and Women's Treatment Coordinators and its policy body, the States' Substance Abuse Prevention and Treatment Block Grant Program Management Workgroup. This grant will provide resources to enhance the States' capacity to respond to emerging issues such as health reform, parity, use of information technology innovations and implementation of evidence-based practices. In addition, the grantee will provide technical assistance support to the National Prevention Network (NPN) leadership in support of the further development of State systems as it relates to the implementation of the SAPT Block Grant. The grantee will be expected to

facilitate a series of workshops through technical and logistical support aimed at the enhancement and development of support mechanisms that will foster the implementation of an effective data driven prevention service delivery system. The grantee will also facilitate the development of prevention core competencies which can be used to gauge the professional skill development levels needed to effectively implement data driven prevention programs, practices and policies that are goal directed and outcomes based. Finally, the grant allows for the provision of instrumental quality assurance on the block grant guidance, the web-based application system and other SAMHSA program activities.

NASADAD is in the unique position to facilitate these activities because:

- NASADAD is the sole and unique organization with a direct official relationship with the Single State Agencies (SSAs) and has a history of collaboration with the Federal and State government and other organizations that represent issues of importance.

- NASADAD is the sole organization that has been utilizing a Web-based process to facilitate SSA dialogue on SSA management, clinical program and research issues practices within the SSAs.

- NASADAD's constituency and staff are a repository of knowledge on State issues related to substance abuse treatment indicators and are accountable for performance in the SAPT Block Grant. This knowledge is critical to the grant project.

FOR FURTHER INFORMATION CONTACT: Shelly Hara, Substance Abuse and Mental Health Services Administration, 1 Choke Cherry Road, Room 8-1095, Rockville, MD 20857; telephone: (240) 276-2321; E-mail: shelly.hara@samhsa.hhs.gov.

Cathy Friedman,

SAMHSA Public Health Analyst.

BILLING CODE 4162-20-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Current List of Laboratories and Instrumented Initial Testing Facilities Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice.

SUMMARY: The Department of Health and Human Services (HHS) notifies Federal agencies of the Laboratories and Instrumented Initial Testing Facilities (IITF) currently certified to meet the standards of the Mandatory Guidelines for Federal Workplace Drug Testing Programs (Mandatory Guidelines). The Mandatory Guidelines were first published in the **Federal Register** on April 11, 1988 (53 FR 11970), and subsequently revised in the **Federal Register** on June 9, 1994 (59 FR 29908); September 30, 1997 (62 FR 51118); April 13, 2004 (69 FR 19644); November 25, 2008 (73 FR 71858); December 10, 2008 (73 FR 75122); and on April 30, 2010 (75 FR 22809).

A notice listing all currently certified Laboratories and Instrumented Initial Testing Facilities (IITF) is published in the **Federal Register** during the first week of each month. If any Laboratory/IITF's certification is suspended or revoked, the Laboratory/IITF will be omitted from subsequent lists until such time as it is restored to full certification under the Mandatory Guidelines.

If any Laboratory/IITF has withdrawn from the HHS National Laboratory Certification Program (NLCP) during the past month, it will be listed at the end and will be omitted from the monthly listing thereafter.

This notice is also available on the Internet at <http://www.workplace.samhsa.gov> and <http://www.drugfreeworkplace.gov>.

FOR FURTHER INFORMATION CONTACT: Mrs. Giselle Hersh, Division of Workplace Programs, SAMHSA/CSAP, Room 2-1042, One Choke Cherry Road, Rockville, Maryland 20857; 240-276-2600 (voice), 240-276-2610 (fax).

SUPPLEMENTARY INFORMATION: The Mandatory Guidelines were initially developed in accordance with Executive Order 12564 and section 503 of Public Law 100-71. The "Mandatory Guidelines for Federal Workplace Drug Testing Programs", as amended in the revisions listed above, requires {or set} strict standards that Laboratories and Instrumented Initial Testing Facilities (IITF) must meet in order to conduct drug and specimen validity tests on urine specimens for Federal agencies.

To become certified, an applicant Laboratory/IITF must undergo three rounds of performance testing plus an on-site inspection. To maintain that certification, a Laboratory/IITF must participate in a quarterly performance testing program plus undergo periodic, on-site inspections.

Laboratories and Instrumented Initial Testing Facilities (IITF) in the applicant stage of certification are not to be considered as meeting the minimum requirements described in the HHS Mandatory Guidelines. A Laboratory/IITF must have its letter of certification from HHS/SAMHSA (formerly: HHS/NIDA) which attests that it has met minimum standards.

In accordance with the Mandatory Guidelines dated November 25, 2008 (73 FR 71858), the following Laboratories and Instrumented Initial Testing Facilities (IITF) meet the minimum standards to conduct drug and specimen validity tests on urine specimens:

Instrumented Initial Testing Facilities (IITF)

None.
